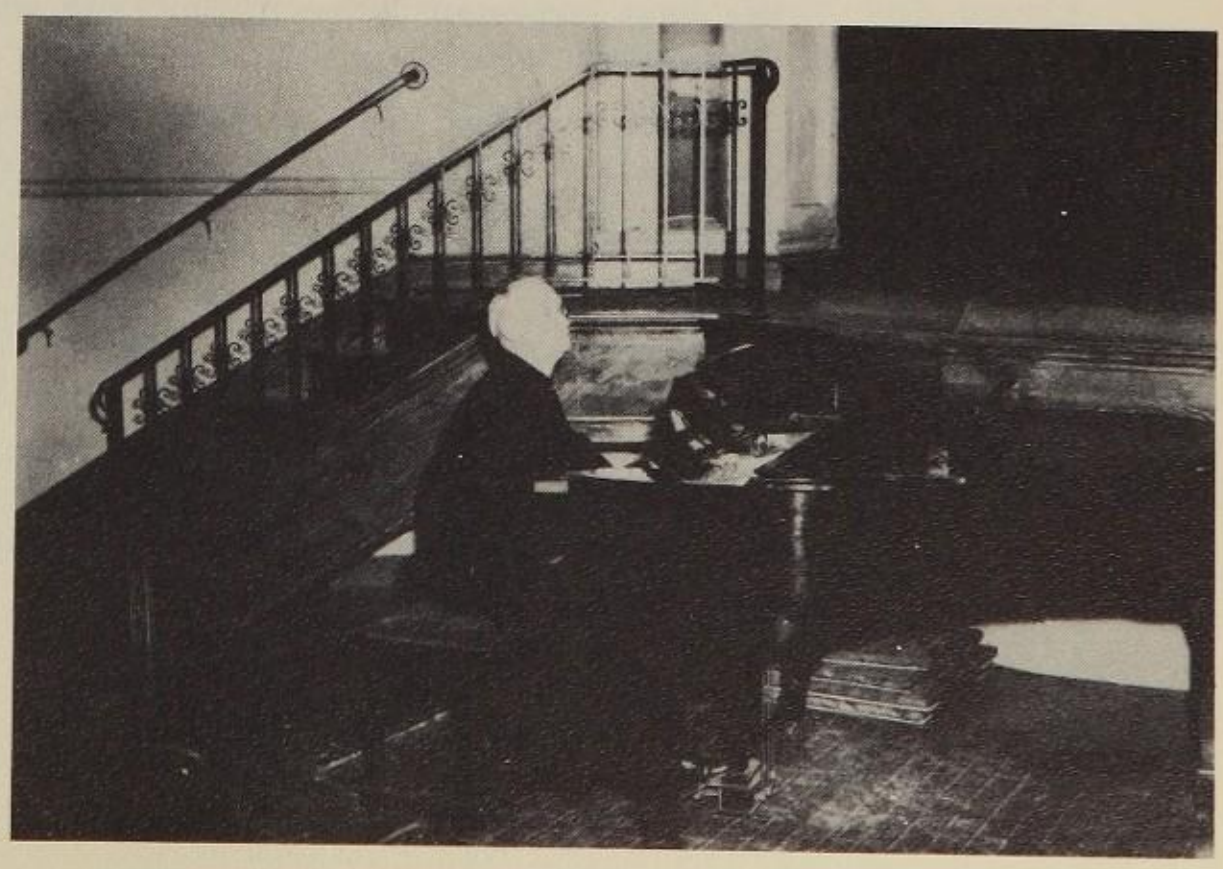
Rev. William A. Connell, S.J.

DEDICATION

In our four years here at Marquette, we seniors have met a great number of fine men and brilliant teachers. Scores of names whirl through our minds as we think of these excellent men. But, in the course of our thought, we find that one name stands out above the rest. One name—the name of the man who has become such an institution here, that Marquette wouldn't be Marquette without him. The man is Father William Connell, S.J.

There is no one among us—not one—who is not fully aware of the mangnificent work that has been carried on by Father Connell. He has taught us; he has taught some of our fathers. He has taught us well. Our mothers know and love him as the moderator of the Mother's Guild. For many years, before we came to Marquette—in fact, for many years before we were born, Father Connell was here, working, teaching, guiding. Some of us he has helped with his scholarship. All of us he has helped with his cheerful personality, his reserved brilliance, and his vast store of experience.

We, therefore, the Senior Class of 1953, are proud to dedicate this, the fruit of our year's work, to Father William Connell, S.J.—a man, a teacher, a friend, and, above all, a fervent Catholic priest.



GRACE

WISDOM

AGE

"And Jesus advanced in wisdom and age and grace before God and man." Luke, ii, 52.

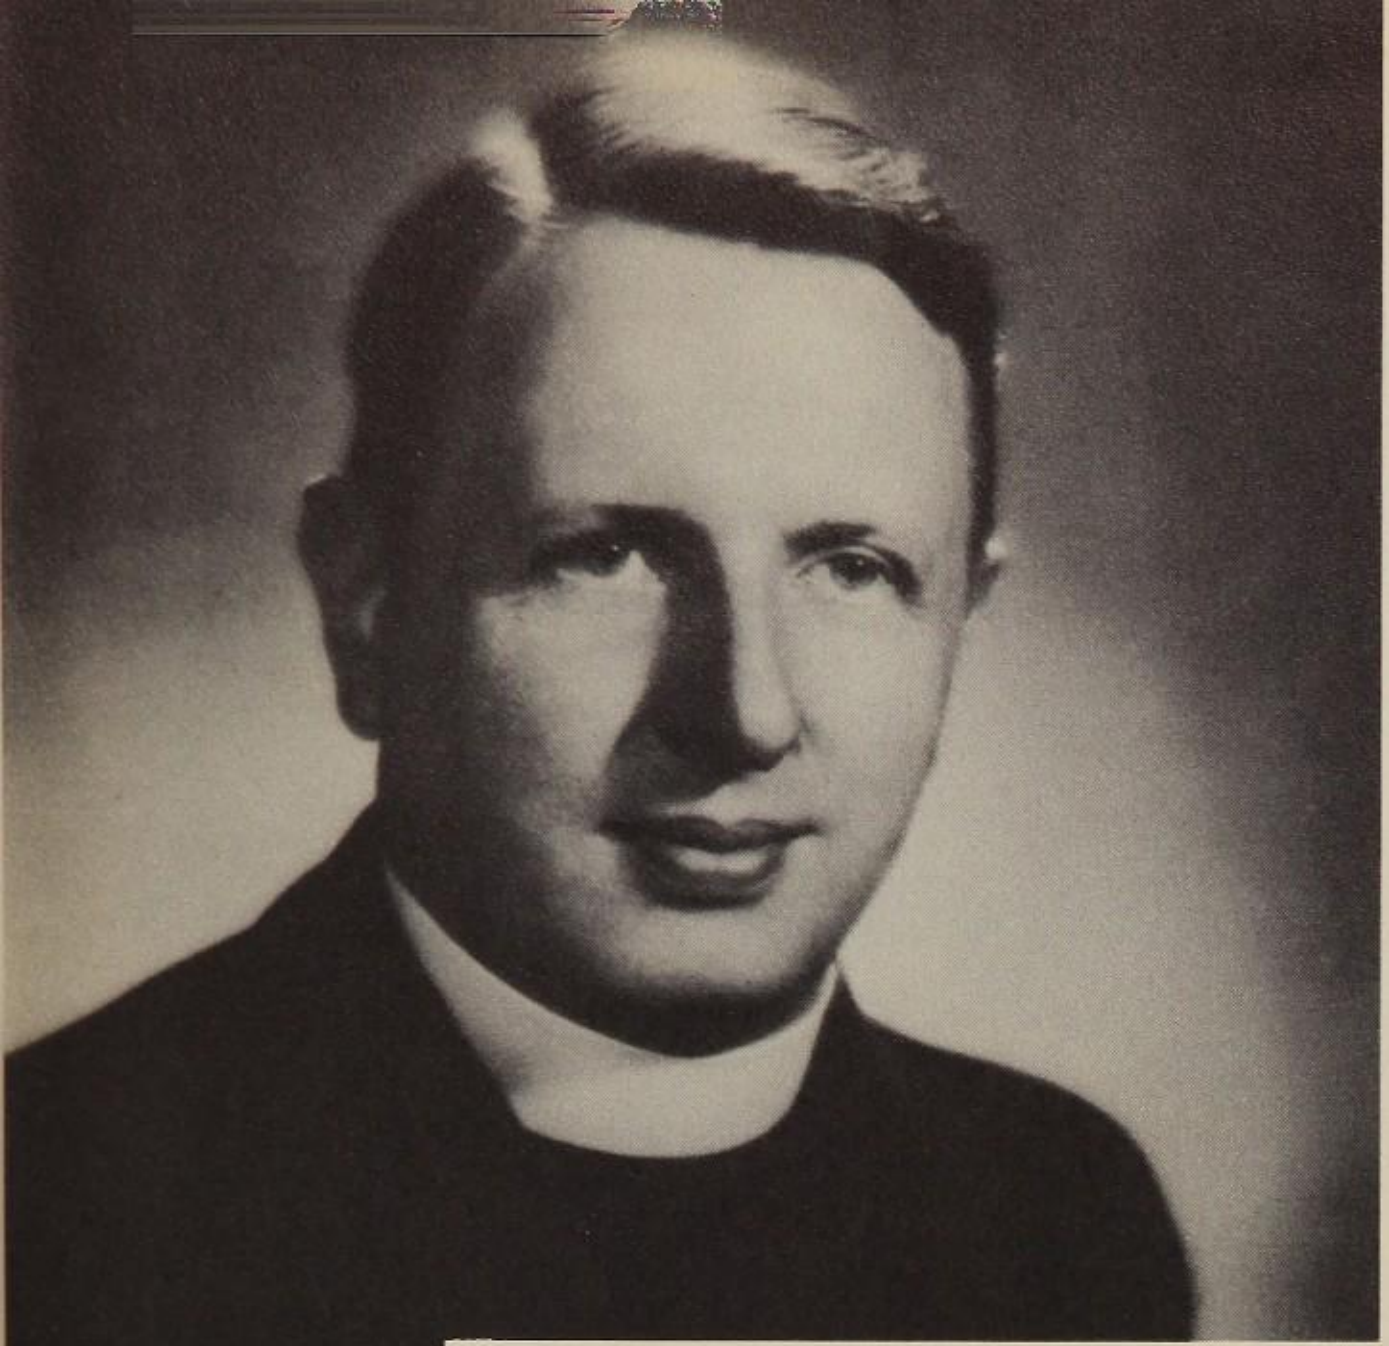
We, the seniors of Marquette University High School, feel that we can look back on our years here, and examine them in this light: Did we increase in wisdom, age, and grace? Have we, like Christ, our Model, advanced before God and man?

In our classes, and in our intellectual activities in and out of class, we have increased in wisdom. At times it was hard; sometimes we even gave up. But we always came back, until we reached the peak. We have increased in wisdom.

In our four years at Marquette we have come to know many great fellows. We've met them in class, in our extra curricular activities. Everything done has been top notch. Our teams have been outstanding. Our extra curricular activities, whether they be in the field of speaking, or acting, or music, or anything else, have always been first rate. We have increased in the maturity we would signify with the biblical "age."

In the past four years we have known many fine men — our teachers. Everywhere we went in school, to whatever class we went, an aura of Catholicity surrounded us. In our religion classes we have learned the truth, and the right. In the Sodality we have brought ourselves closer to Christ, our Model. We have become frequent, some of us even daily, communicants. We have increased in grace.

And so, looking back in our years here, we can be truly satisfied. For we have truly followed the glorious example of Jesus Christ — we have advanced in wisdom, and age, and grace, before God and man.



Rev. Richard McGloin, S.J.
President

My dear Graduates of 1953:

Graduation is a definite point of cardinal importance in our lives. Whether you are going to college or not you must be prepared to meet the problems and difficulties of the future with a manly courage based upon solid fundamental principles. To meet the great problems outside of yourselves you must have strength within yourselves. This strength arises from the training you have received during your high school years.

In a very real sense we may tell you that the world needs you. The world needs your spirit and your way of life. You have been trained well and prepared for life. All the seemingly small things of the past four years will turn into big things almost over night. Your decisions up to now have been rather insignificant. From now on they will be highly significant and of great consequence.

Be true to what you have learned. With our congratulations on your graduation we offer you our most earnest prayers for your success. Your future success is assured if you will keep God uppermost in your lives.

Sincerely,

Richard McGloin, S.J.

Richard McGloin, S. J.

Fr. Thomas J. McKenney, S.J.
PRINCIPAL

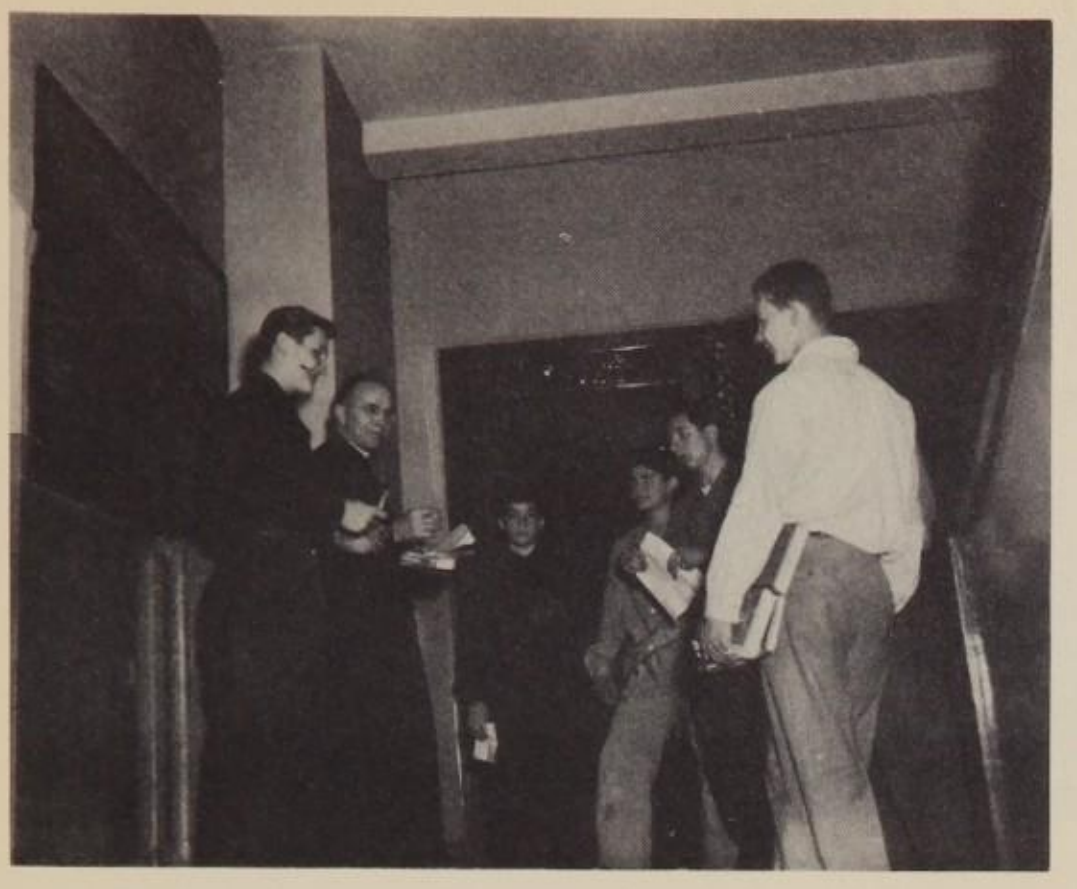
In his second year at Marquette High as Principal, Father McKenney proved a "friend in need" to all the students. His friendliness and accommodating manner will be remembered by the students many years after they have left Marquette.

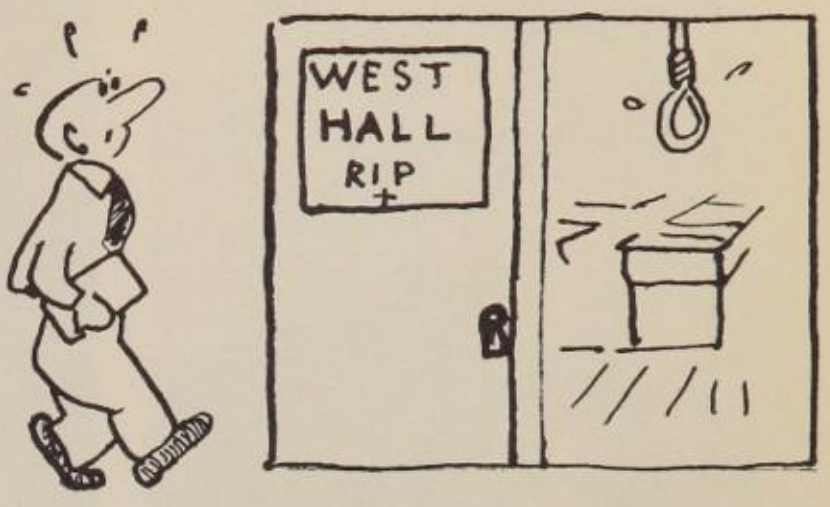
June 1, 1953

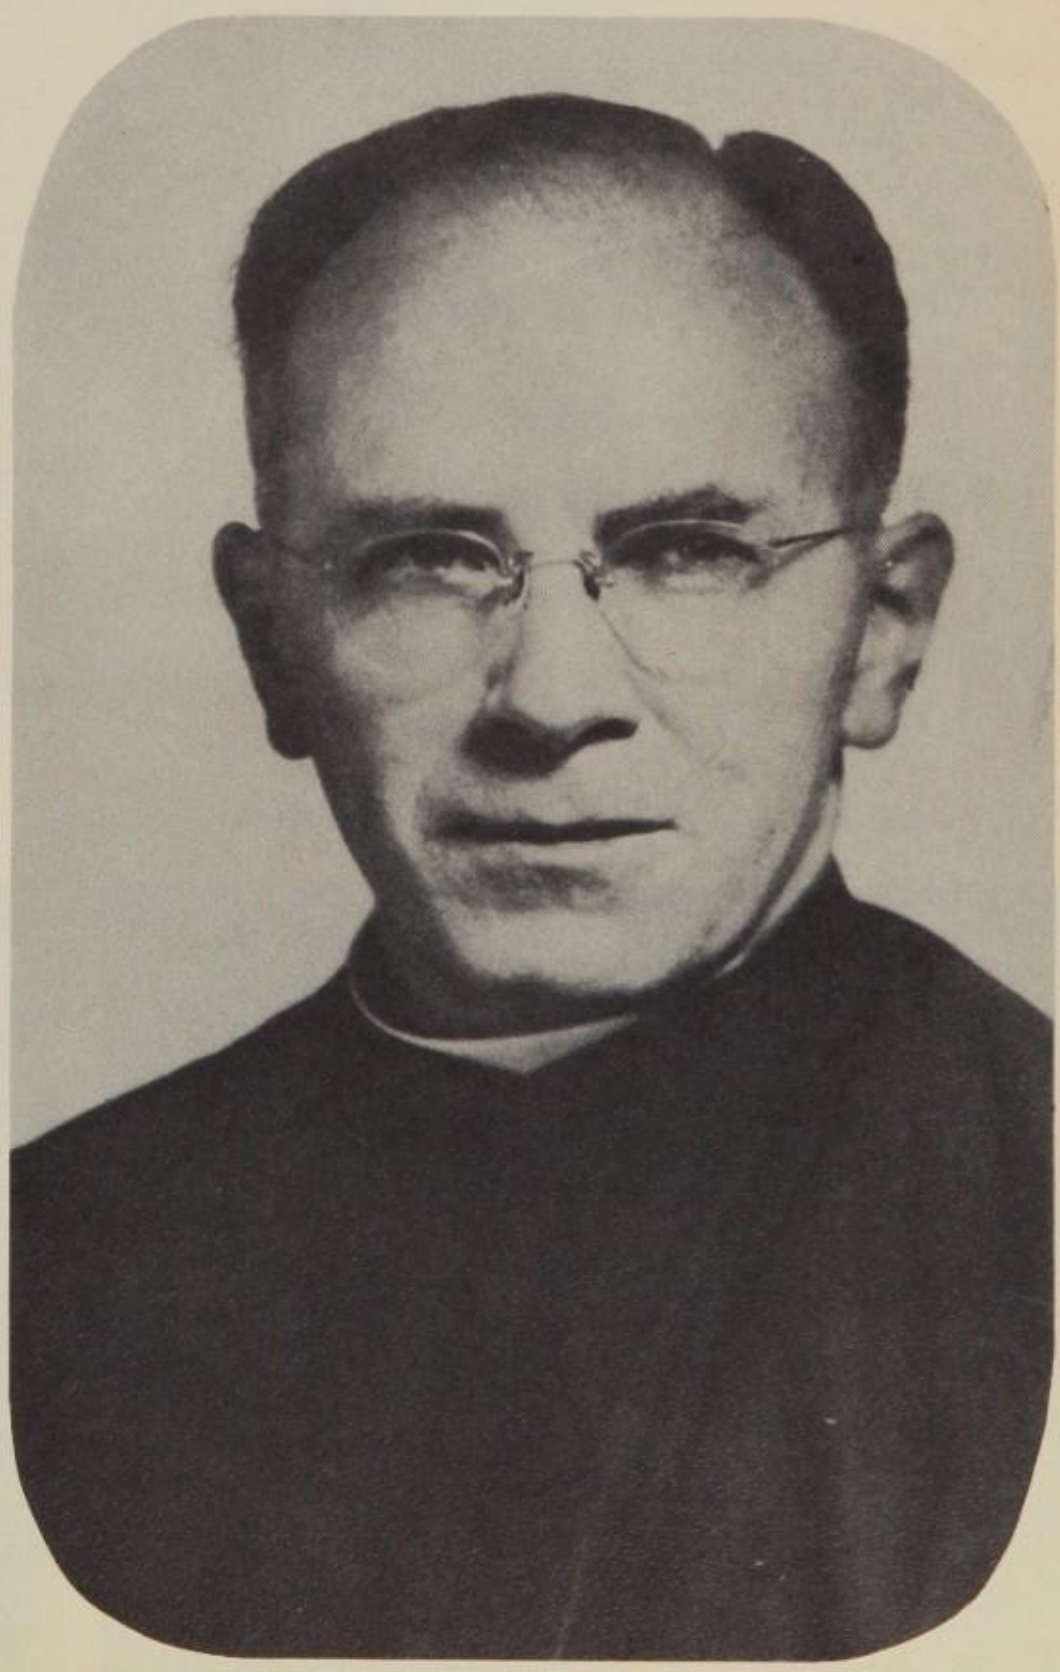
Dear Graduates,

Congratulations on your high school graduation. We're very proud of you. You've been in your first four years at Marquette High. We hope they were happy years. We know they were difficult if you worked anywhere near capacity. While shortly, to your sorrow or satisfaction, how important your high school days were, and why we didn't try to make them too easy for you. As you leave us and travel on, we shall anxiously watch your progress. We've got a stake in your success or failure. You'll always be our boys. You'll always be welcome at Marquette High. God bless and keep you.

The Faculty of Marquette High
Thomas K. McKenney, S.J., Principal







Father Jerome T. Boyle, S.J.
ASSISTANT PRINCIPAL

Although many fellows shied away from Father Boyle in the corridors for obvious reasons, he was always ready to help anyone in need. Never too strict, nor too lenient, he was a perfect disciplinarian and truly a friend of all Marquette boys.

Brother Ellis Haworth

Behind the scenes of the educational activity at Marquette, keeping the physical plant in operational order and caring for the temporal needs of the Jesuit community, is Brother Ellis Haworth, S.J. In addition to the personal jobs of professional welding, carpentry, and whatever else occasion requires, Brother Haworth directs the activities of the crew of workmen who maintain the school building and faculty residence. In a thousand ways he aids busy faculty members in their time-pressed activities.

The Library

Miss E. A. Connelly
Librarian

Here is the staff of book workers who have spent their time to serve us in our quest for information. "What size was Troy?" "What is the trajectory of a shell?" "Where can I find . . ." anything. Miss Connelly and her staff have helped us out on many an assignment, besides providing more and more interesting books, and guidance in finding them.

WISDOM

Four years ago we came here as freshmen. Since then we have daily struggled with our courses. It wasn't always easy. In fact, many times we gave up completely. But always we came back to our task, with a will. And we succeeded. The fact that we are here today proves that we succeeded. Now we have reached the peak. We can safely look back on our years here as a job well done. It may quite well be that we will never use the Latin, or Greek, or Spanish, that we've learned. But the important thing is that we've learned to learn. We have been prepared for our future in the world, whatever it might be. College, business, whatever comes, we are prepared.

Yes, we can truly feel happy. For we have followed closely in the footsteps of our Lord and Model, Jesus Christ. Through hard work, and disgust, and success and satisfaction we have increased in WISDOM.

AGE

A great group of fellows have passed through these halls with us since we came here. We have known some fine fellows. Every team we've seen, every game the teams have played, have been excellent. We have acquired an acute sense of fair-play. Our halls have seen only the best of orators. Our players have shown themselves time and time again true followers of Thespis. Our band has pepped up games and assemblies and other programs with excellent music. The work of our choir has been truly beautiful and inspirational. Our school publications have given us the very best a school can offer. Our science organizations have scored repeated triumphs. Our boosting organizations have shown themselves to be a capable crew. By the hard knocks of competitive experience we have developed in maturity and manhood — we are come of AGE.

Webster Club

FORENSICS SPEAKERS: F. Caro, Mulligan, Mr. Marsh, Jobst, Farrell, R.. Miller.

The 1953 Webster Club, under the direction of Fr. Curry, Mr. Marsh, and Mr. Donovan, has had its best of many fine years.

The Varsity Debate team, composed of William Morrissey, Richard Hotvedt, Lawrence Bugge, and Kenan Kersten, was as outstanding as its record shows. The team entered several practice and trophy tournaments, and came out with a record of 47 wins and 11 losses. Of the five major tournaments, they placed first in three of them — the Notre Dame Invitational Tournament, the University of Wisconsin Extension's Invitational Tourney, and the Wisconsin High School Forensic Association State Championship. They also placed third in the National Forensic League's State Championships.

By virtue of the first place win in the W.H.S.F.A. State Contest, Marquette qualified to send a team to the National Debate Tournament to be held at Denver in early summer. Richard Hotvedt and William Morrissey will represent Marquette, with Fr. Curry as their coach.

The B Team under the able direction of Mr. Marsh climaxed a successful season at the Sheboygan Central Tournament in February, taking first place in the B division with six wins and no losses.

After a slow start, Mr. Donovan's sophomores found themselves and ended the season with decisive victories in tournaments against Pius XI, Notre Dame, Don Bosco, and Concordia.

The very hotly contested freshman intramural debate tournament was won by Terry Cleary and Walt Nicgorski. After that the hard-working freshmen debaters went on to a 30-1 record against the freshmen of Pius, Don Bosco, and Notre Dame.

Forensics Speakers

As this year's Flambeau goes to press the Webster Club's Forensic season has just gotten under way. The Club has a good chance of obtaining an excellent record for the year.

In the American Legion Oratory Contest, Marquette captured all of the preliminary awards and honors including the District Championship in both the Fourth and Fifth Districts. Two Webster Club representatives, Ken Kersten and Larry Bugge, the Fourth and Fifth District Champions respectively, were the finalists in the Regional Division. Kersten won out and went on to the State Championship Tournament at Wisconsin Rapids March 28.

Twelve of the Websters received "A" ratings in the City Contest of Wisconsin High School Forensic Association held here in early March, thus enabling them to go on to the next round at Whitefish Bay, March 28, and ultimately to the Finals in Madison, April 11.

As yet to come are the N.F.L. Student Congress, the N.F.L. State Forensic Championship, the Hearst Oratory Contest, and the Mid-Western Catholic Speech League's Forensic Tournament.

Kenan Kersten eked out a half-point victory over teammate Bugge in the semi-finals of the American Legion Oratory contest, asd then went on to take the state championship. A second place in the regional knocked him out of the national finals, but there is one more year to try — good luck, Kenan.

Mock UNESCO Meeting

Dr. Bela Kovrig addresses the UNESCO delegates.

Delegates, their alternates, and faculty representatives from thirty-seven Wisconsin and Northern Illinois high schools represented forty-two member nations in the ninth annual UNESCO Meeting at the Marquette University Law School. This year's attendance set an all time record for the Webster Club-sponsored function. The two session meeting was divided into three committees, the Educational, the Scientific, and the Cultural, in which the world's problems regarding these problems were thrashed out and adequate solutions, we believe, resulted. Typical problems that faced the group were, in part, as follows: International Control of Atomic Energy, the establishment of an International University, with colleges throughout the world, and the verbal acknowledgment of a Divine Being in the United Nations Charter.

The main speaker of the meeting was Dr. Bela Kovrig, an Associafe Professor at Marquette University, whose talk was entitled, "The Integration of Nations in a Scientific World." In this talk, Dr. Kovrig injected scenes of his Hungarian homeland, which is now under Communist control. His main plea was centered in his insistence to keep the U. N. from being just another futile attempt at international co-operation.

At the conclusion of the day's business, Rev. Thomas Curry, S.J., awarded gavels to the best non-Webster delegate in each of the committees.

Prep Players

Again this year the Prep Players enjoyed another successful season under the capable direction of Mr. L. J. Schlenk. Many new members joined the organization this year, therefore making the task of moulding the cast into a presentable one a very difficult job.

As the annual Spring Play this year, Mr. Schlenk chose a fairly new play, STALAG 17, which just finished a two year run on Broadway. With James Goggin and Thomas Snyder in the leading roles of Sefton and Stosh, the play opened April 17, and continued for three days before full houses. The action of the play took place in a German prison camp, at Christmas time, in 1944. Those who witnessed it certainly enjoyed it.

The thanks of all the Prep Players go to Fr. Paul Distler, S.J., who again this year came through with a splendid job of managing the ticket office. The individual ticket winner was Robert Korosec, while the class selling the most tickets was IV-6.

The contest play, Eugene O'Neill's one-act melodrama, IN THE ZONE, was performed five times, three times in state contests, held here at Marquette, in which Marquette took first place, with James Goggin and Thomas Snyder tying for the best actor's award.

Under the leadership of Paul Lukaszewicz, the stage crew again performed a very efficient job this year. Even though Bernard McCann acquired a sore arm from cracking his whip, we are certain that all, including the electrician, are still alive.

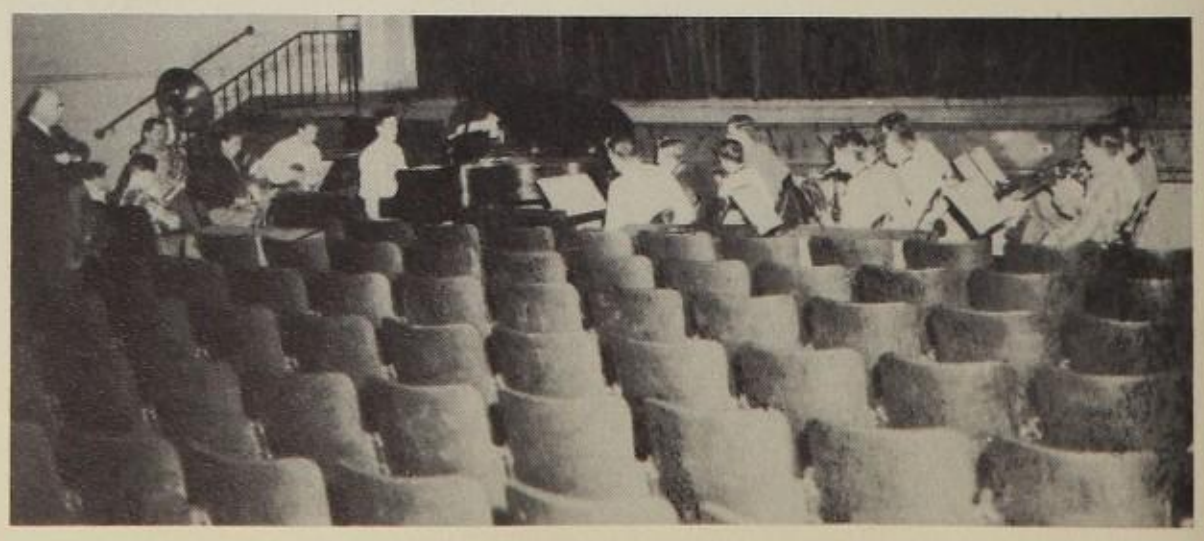
The Band

MR. L. A. LE MIEUX

The band, under the direction of Mr. Le Mieux, turned in its usual fine job again this year. Beginning practice the first day of class, the organization eventually put in many hard and often tedious hours of work. The drills in marching done by the band early in the morning paid off with fine showings at many of our football games. The Christmas Concert, of course, was the climax of the band's year. Its fine variety of marches, hymns, and classical numbers made this year's concert one of the band's best. Fine solos were performed by John Le Mieux and Franklin Gauer. In early spring the orchestra was started which devoted its time to lighter, more popular music. This fine group helped make the spring play such a great success. The band this year elected as officers: Tony Ziebert, president; John Le Mieux, vice-president; William Morrissy, secretary, and Dennis Buckett, treasurer.



Horns:
Walter Boehm, James McNamara, Anthony Steffek, Edward Schoultz.

Basses:
Robert Sheridan, Thomas Herzog, Dennis Hamm.

Drum Major: Tom Gorak.

Officers:

Frosh and Soph hopefuls — the staff of the freshman-sophomore newspaper experiment.

The staff of the MARQUETTE FLAMBEAU monthly kept us all informed of the many events transpiring in the school. As a chronicle of Marquette High's activities during the school year 1952-1953, this year's Flambeau will rank among the best that have been published. Under the watchful guidance of Mr. Forrest the Flambeau showed forth the best journalistic and literary efforts of the Marquette High students.

Under the able leadership of editor-in-chief Ed Montgomery, and associate editor Jerrold Hilton, the Flambeau made a regular appearance with news that wasn't always ancient history. The many long hours put in, both in the Flambeau room and at the printer's, were at length rewarded as the paper came out on time with a minimum of typographical errors. Sports editor Chuck Schroeder not only kept us up to date on Catholic Conference and intramural activities, but he also let us know of the individual exploits of Marquette High students, and shed many interesting sidelights in the "Sports Corner." Feature editor Richard Gleissner kept us all on our toes with thought provoking editorials and entertained us with many, varied columns.

Larry Kress, who took over as editor-in-chief in February, together with sports editor Bill McGovern, and news editors Vince Banker, Bill Pfeifer, and Dennis Murphy, improved upon the senior editors wherever possible. The real indication of their hard work and ability will come next year as they continue bettering the Flambeau as senior editors.

The Flambeau Annual

The madhouse has calmed down, and the room once full of rushing, excited hard-working Marquetters, is now empty. The work, the late hours, the after school assignments, the trips here on free days — yes, and the laughs, too, are all gone. And this book you have in your hand now is the end product of a year's work.

Only a few weeks ago, you could have seen the write-up men, Coffey, Sheridan, Ziebert, and Ott wearing out pencils, paper, and typewriters in the Flambeau room, trying to get out some last minute write-ups. You could have seen a scramble of the other writers and odd job men, Johnston, Malone, Mulligan, and Oldowski. You could have seen the ad men, Gutzwiller, Wudy, and Byrnes racking their brains for a new ad prospect. You could have seen the Flambeau photographer, Gumerman, taking some final shots and developing them. You could have seen the Flambeau artists Hotvedt, Quast and Walkner turning out cartoons. And you could have seen the whole thing presided over and assisted by the Flambeau's hard-working co-editors, Schwemer and Sternemann. (And, always on the go, you could certainly have seen the faculty moderator, Mr. Caldwell.) But you probably didn't.

The only thing the Flambeau staff worries about now is the reception of the annual they've worked so hard and so long at. And here it is — the end product of co-operation and teamwork at its finest. We hope you like it.

The Booster Club was organized under an entirely different system this year, thus allowing for a substantial increase in membership. With Moderator Father Sanderson, President Paul Sullivan and the members of that organization planned many fine activities, the most notable of them being the annual Christmas party for the boys at St. Aemelian's (Tom Schiek made a wonderful Santa), and the annual Senior dance, Club '53, this year set to the theme of "April in Paris" on April 10th. And, of course, as usual, the Boosters backed all school activities, the play, basketball, and the Prom, to mention but a few.

A new organization appeared on the horizon this yea called the Senior Conclave. This organization is simili to a Student Council. Under the leadership of Seni Class President Tim Harrington, the Conclave met onc weekly with Father McKenney to discuss and iron out th problems which befall the students. Also, many plannin activities were accomplished, the most notable being th arrangement of the fine Career Day, held March 13 Marquette. The Conclave also pertormed many repr sentative duties for Marquette.

Cartoonists

The Cartoonist Club blossomed into prominence this year as perhaps the hardest working organization in school, offering the most helpful service on the hilltop. Fired by much young talent, the Club served as an Advertising Agency for every school activity and even lent its time to the class elections—impartially, of course.

Camera Club

The Camera Club this year proved to be one of the school's most active organizations. At their weekly meetings, the Club's pictures were discussed, and Fr. Frommelt and the Club's members gave talks on photographic theory. This theory was put into practice on their many field trips. Because they were one of the most advanced Camera Clubs of the Catholic High Schools in the city of Milwaukee, they spent much of their time this year helping other schools organize their own clubs. The officers for the year were: Lawrence Deysach, President; John Ecks, Vice-President, and Armin Gummerman, Secretary.

Ptolemaniacs

Since its birth last year, the Ptolemaniacs, open to all students interested in any and every phase of science, has nearly doubled its membership; nor has it been content with limiting itself to Marquette, but was the nucleus of the city-wide Archdiocesan Science Club. All members, to remain on the membership list, are required to undertake projects in their own peculiar field of scientific endeavor. Highlighting the year's activities was the club's participation in the nationwide Westinghouse Science Talent Search Contest, in which Larry Deysach received an Honorable Mention for his work with growth accelerators. The Club has also taken part in the annual district and state meetings of the Junior Academy of Science.

Radio Club

The Radio Club, under the moderation of Fr. Frommelt, was formed during the first semester of this year. With the help of members of the Marquette University Radio Club W90DD, we explored both theory and practical work. In the club elections, Tom Herzog, one of our licensed amateurs was voted to the top position. The club has progressed rapidly since its formation and now has four licensed members and sixteen prospective broadcasters. A radio "shack" has been set up in the school to house the transmitter, receivers, and other club equipment.

"Quiz 'em on the Air"

On each of the four Sundays in February, Marquette High was represented on the Milwaukee Journal's "Quiz 'Em on the Air." The program, broadcast over WTMJ, gave two Marquette teams the chance to exhibit their knowledge of current events. The team for the first two Sundays was composed of James Caro, Kenan Kersten, John Ecks, and Patrick Foster. They managed to topple Greendale, 900-700, in our auditorium. Next they went on to Messmer, where they squeezed through by a score of 900-800. The following week the other team, composed of John Glasschroeder, James Heilmann, Dave Cook, and Ed Montgomery, took to the road and compiled a perfect score in downing Cudahy, 1200-950. They proceeded the next week to West Allis Central where they were defeated, 1100-900, thus ending Marquette's participation.

Hearst History Winners

Each year many of Marquette's interested history scholars compete in the Sentinel sponsored Hearst History contest, and a good number end up in the winners' bracket. John Ecks has twice now been in the second position, no mean achievement in such competition. Those pictured here were all among the award winners of this year's competition. Our congratulations, and best wishes for future success as good citizens.

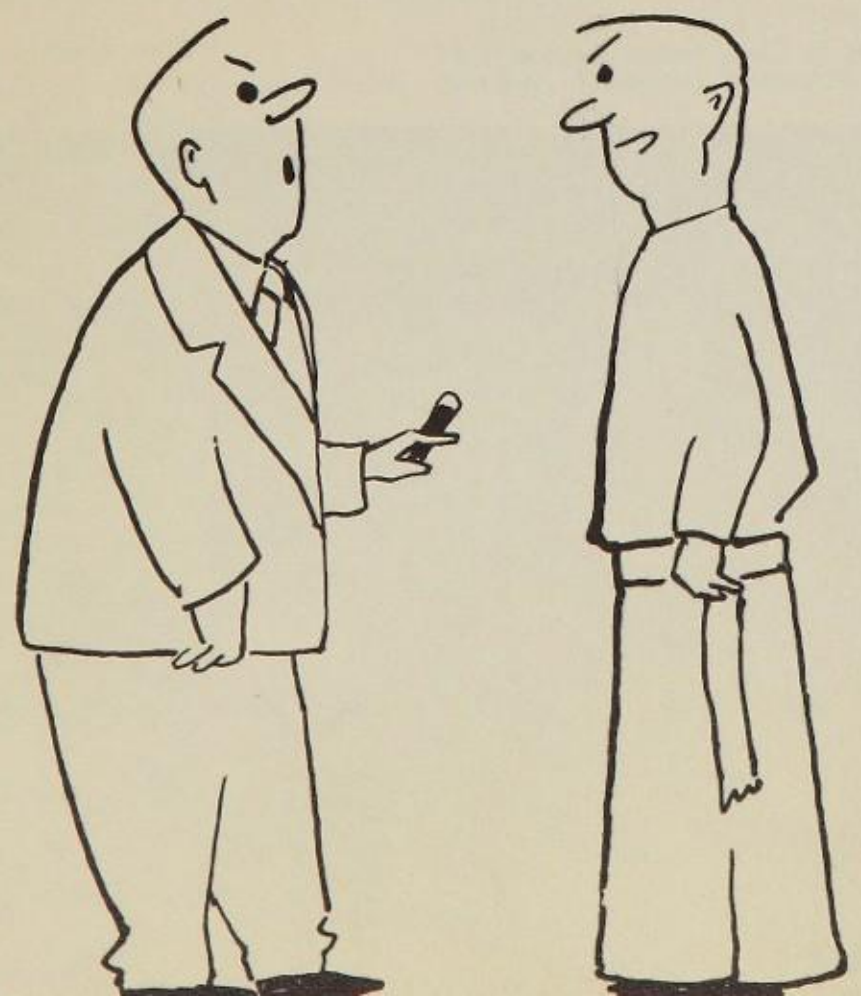
MOTHERS' GUILD

With Father William Connell at the helm, the M.H. Mothers' guild took an active part in many of our school activities. In addition to the monthly meetings at which our mothers became better acquainted with the faculty and learned of our deeds as well as mid-deeds, the guild sponsored a card party, rummage sale and a dimes campaign. The profits from the card party aand rummage sale, the product of much hard work, went toward the new Jesuit residence. The dimes campaign has produced a number of scholarships for needy boys.

FATHERS' CLUB

The Fathers' Club, under the guiding hand of Father Verdieck, has helped to cement the relations between home and school. The meetings of the club gave each of our fathers a chance to know our teachers, and perhaps a change to exchange a few tips on what we'll leave to your imagination. One of the highlights of the year for the club was the introduction of the fathers of the senior football team members between halves of the Notre Dame game.



Club '53

"April in Paris" was the backdrop for the annual senior dance, "Club '53," sponsored by the Boosters. Parisian street signs, a sidewalk café, and the Eiffel Tower, all done in red, white, and blue conveyed the impression of an evening in Gay Paree. The junior waiters in their berets and black string bow-ties lacked only mustaches to give them a truly Gallic flavor. Upen entering the dance through the Arc de Triomphe, the crowd was entertained by MC Tom Dobrient and a group of outstanding dramatists. One of the high points of the evening came as Fr. McKenney pounded out many familiar tunes on the piano.

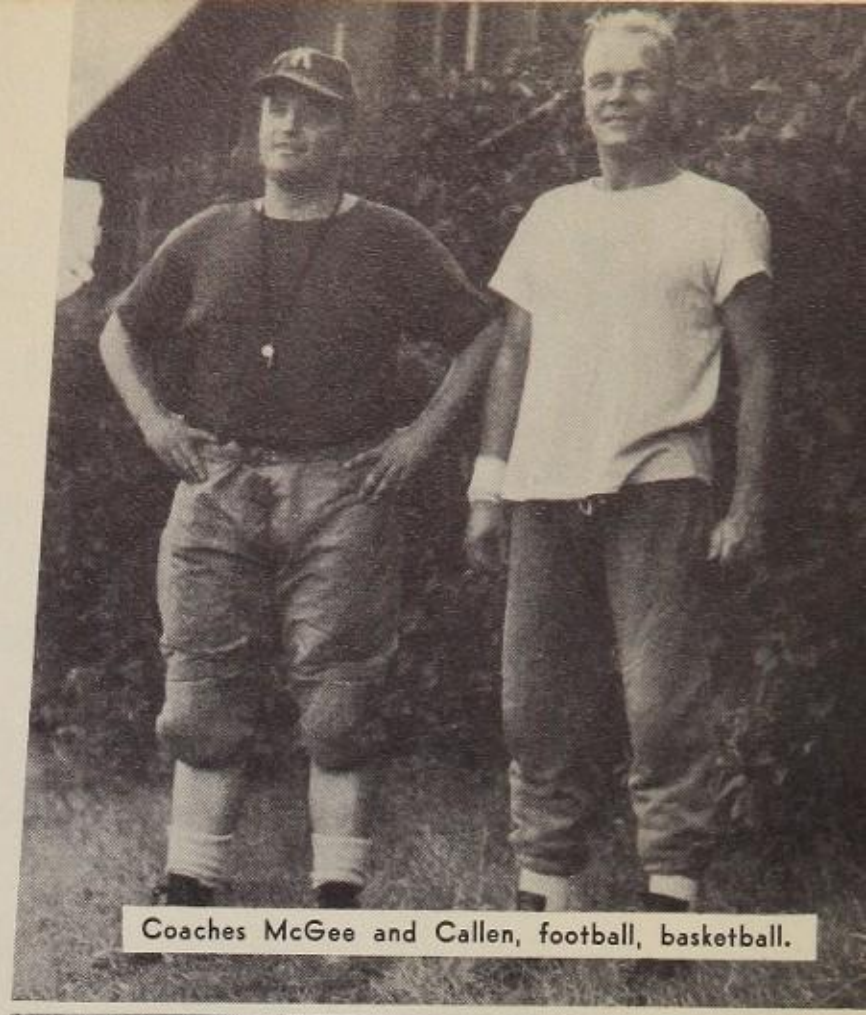
Sports

Winning honors athletically as well as scholastically seemed to be a habit of Marquette High this year. The varsity football team, under the direction of Coaches McGee and Callen took first place in the Catholic Conference. Although he resigned at the midseason, Coach Callen continued as varsity basketball coach and led his quintet to third place in the roughest conference in the state. Another mid-season casualty was Mr. Maguire who had to go to St. Louis for further studies. His B-Team, then in first place, was taken over by Mr. Owens who continued Mr. Maguire's winning ways and guided his crew to first place. Also upholding our honor in sports was Coach McGee's freshman basketball team and the powerful freshman football squad expertly coached by Mr. Maguire and Mr. McNellis. Mr. Garrot's fine track and cross country teams, Mr. Owens golf team, and Mr. McNellis's tennis squad also gave a good account of themselves on the field of battle. Another athletic function which provided many thrills for the student body was Coach Potter's rugged boxing squad.

The chief purpose of sports isn't to build winning teams, but to build strong men. Marquette does this by providing teams in practically every sport, and coaches who care not so much for winning the games as for the individual player. They have taught us the true values of team work and fair play. We learned to take defeat as well as victory with a smile. It is this attitude which makes our games pleasing to God and our fellow men.

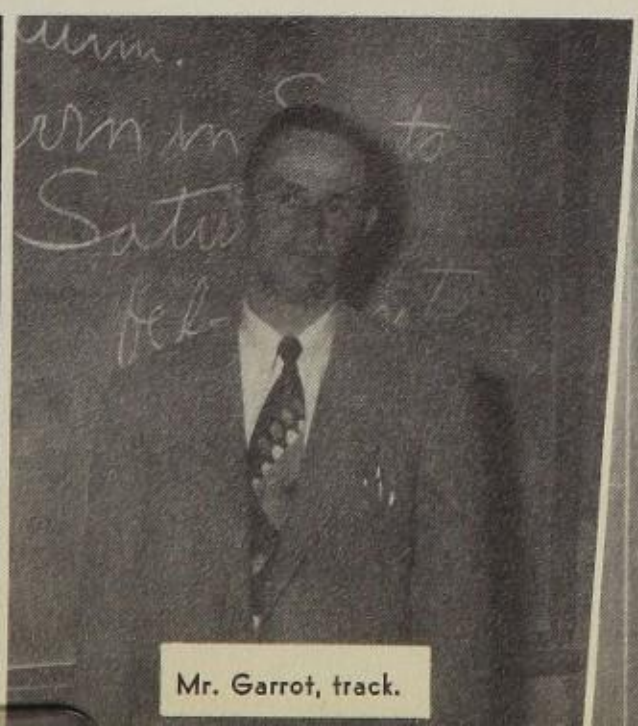
Thus we proudly dedicate the following portion of this FLAMBEAU to our athletic warriors and their coaches.



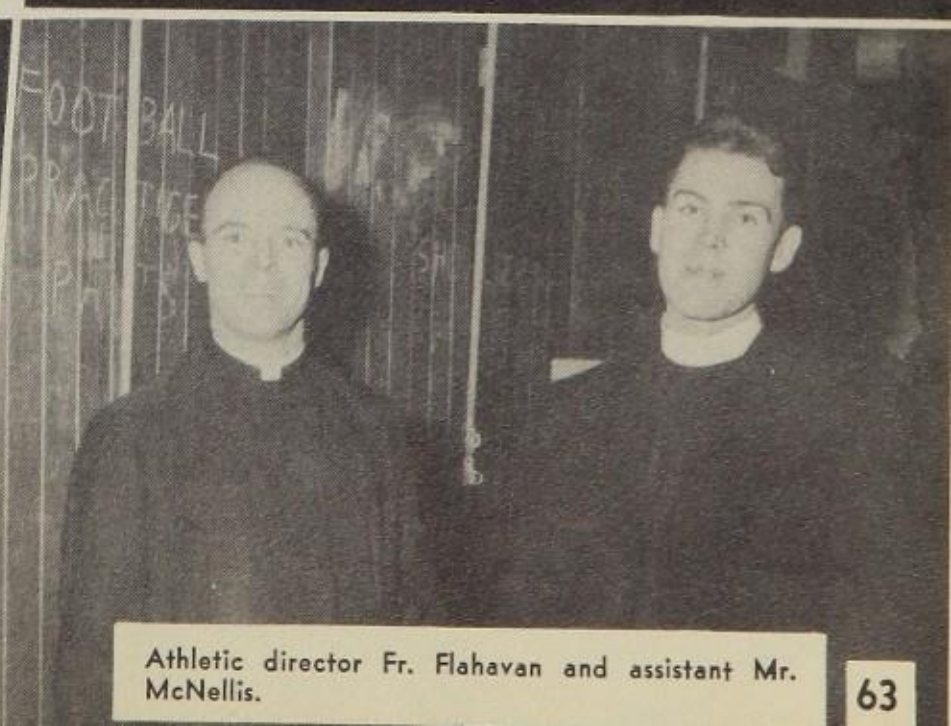
Coaches McGee and Callen, football, basketball.

Mr. Owens, Fr. Piotrowski. Mr. Donovan, freshman and B Team coaches.

Mr. Potter, boxing.



Mr. Garrot, track.



Athletic director Fr. Flahavan and assistant Mr. McNellis.

Marquette University High School
Catholic Conference Champions

Although sporting the smallest backfield in the league, Marquette proved to be the mightiest. Coaches McGee and Callen guided their squad through a tough conference schedule without a defeat. A big and powerful St. Ignatius from Chicago with the aid of a heavy rain held the Blue and Gold to a scoreless tie.

In conference play the Golden Avalanche proved their ability to come through when the chips were down when they converted an intercepted pass into a touchdown and a 7-0 win over Pius. Perhaps the greatest achievement this year was the solid trouncing of Messmer who was expected to put up a tremendous battle. With enthusiastic support from the student body, the team, showing the same spirit which marked their play all season, snowed Messmer under, 40-6.

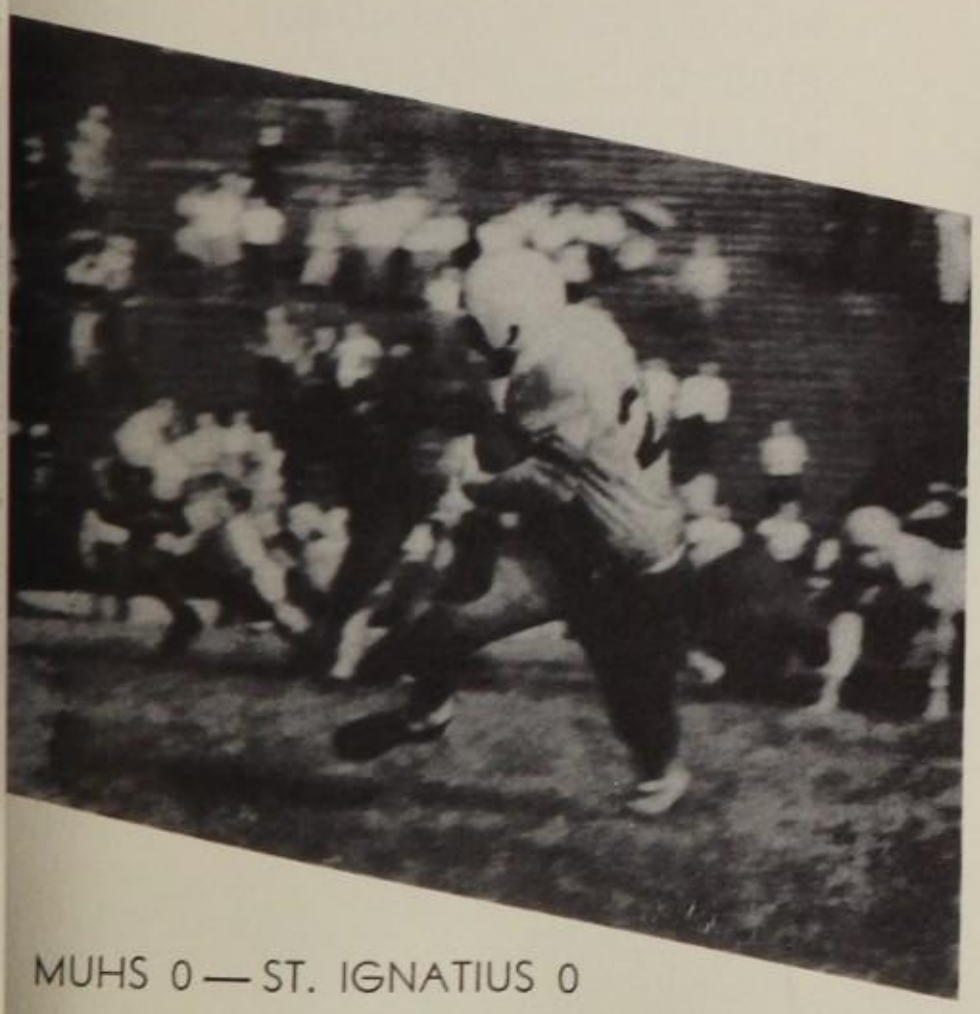
The rugged line led by such standouts as All-Catholics Griffith and Rabas, Dobrient, Christman, Jerry Johnson, Lauterbach, Laub, Phil and Dick Tallmadge, Slania, Grellinger and Schiek, held the opposition to a meager 25 points, while the backfield composed of All-Conference Harrington, Buckett, Witt, and Walkner rolled up 193 points. Besides having such a tremendous line and the speediest backfield in the Catholic league, we also had the best passer in the league, Mike Keelan, and the best extra point kicker, Walt Nowicki.

Their victories this year extended a three year winning streak to 23 games. In their four years at Marquette, the seniors have never tasted defeat. Let's hope the seniors for generations to come can say the same thing.

MUHS 31 — CATHOLIC MEMORIAL 0

MARQUETTE'S MIGHTY MITES SUBMERGE WAUKESHA MEMORIAL IN CONFERENCE OPENER.

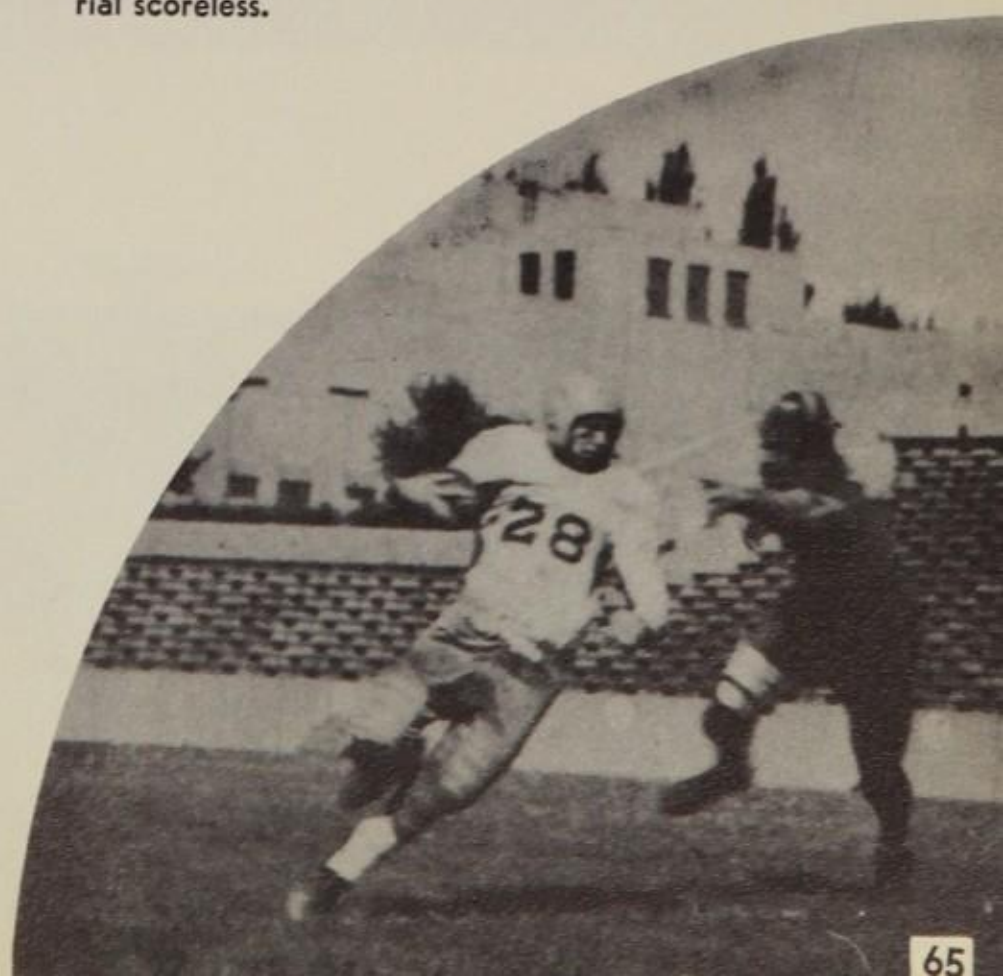
Having a tough time getting started, the Golden Avalanche finally sustained a 60 yd. march with Walkner plunging over from the 2 on a quarterback sneak. Next time Hilltoppers have their hands on the ball they drive 70 yds. to score on Harrington's 3 yd. jaunt. Just before the half, Keelan rambles into the end zone to give Marquette 17-0 half-time advantage. Third quarter Witt plunges over for four and in the fourth Walt Nowicki tears around end for 5 yds. and a TD. Hard charging line gives good account of itself in holding Memorial scoreless.



MUHS 0 — ST. IGNATIUS 0

MIGHTY MARQUETTE HELD TO SCORELESS TIE BY POWERFUL IGNATIUS ELEVEN.

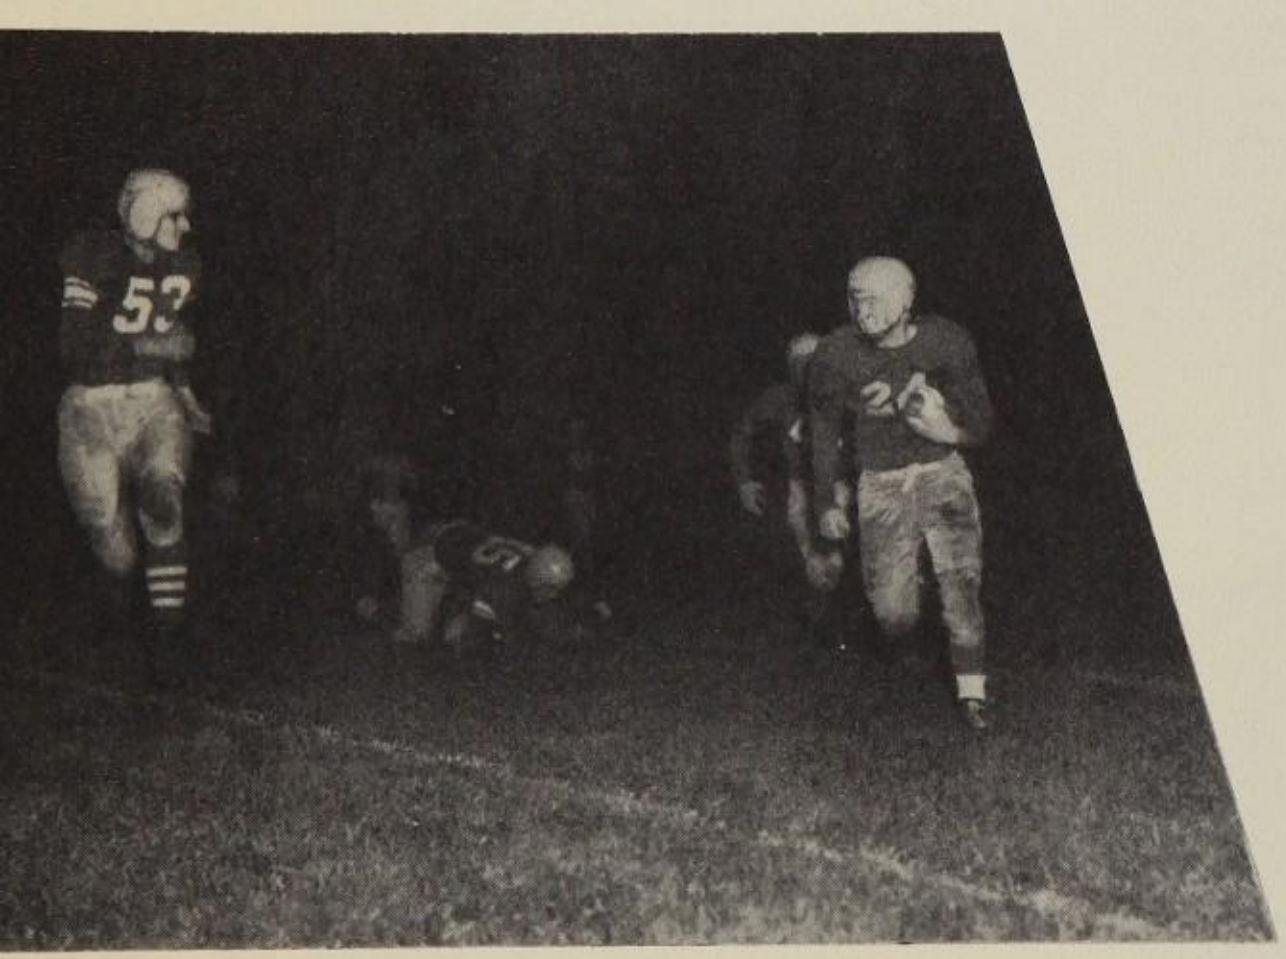
Because of rain and the fact that St. Ignatius had its best team in years on the field, our powerhouse just couldn't put the ball over. Running against a line that averaged 208 lbs. per man, the blue and gold racked up considerable yardage, but couldn't put the ball over. Our powerful line held in four downs on the eleven yd. line to save the game.

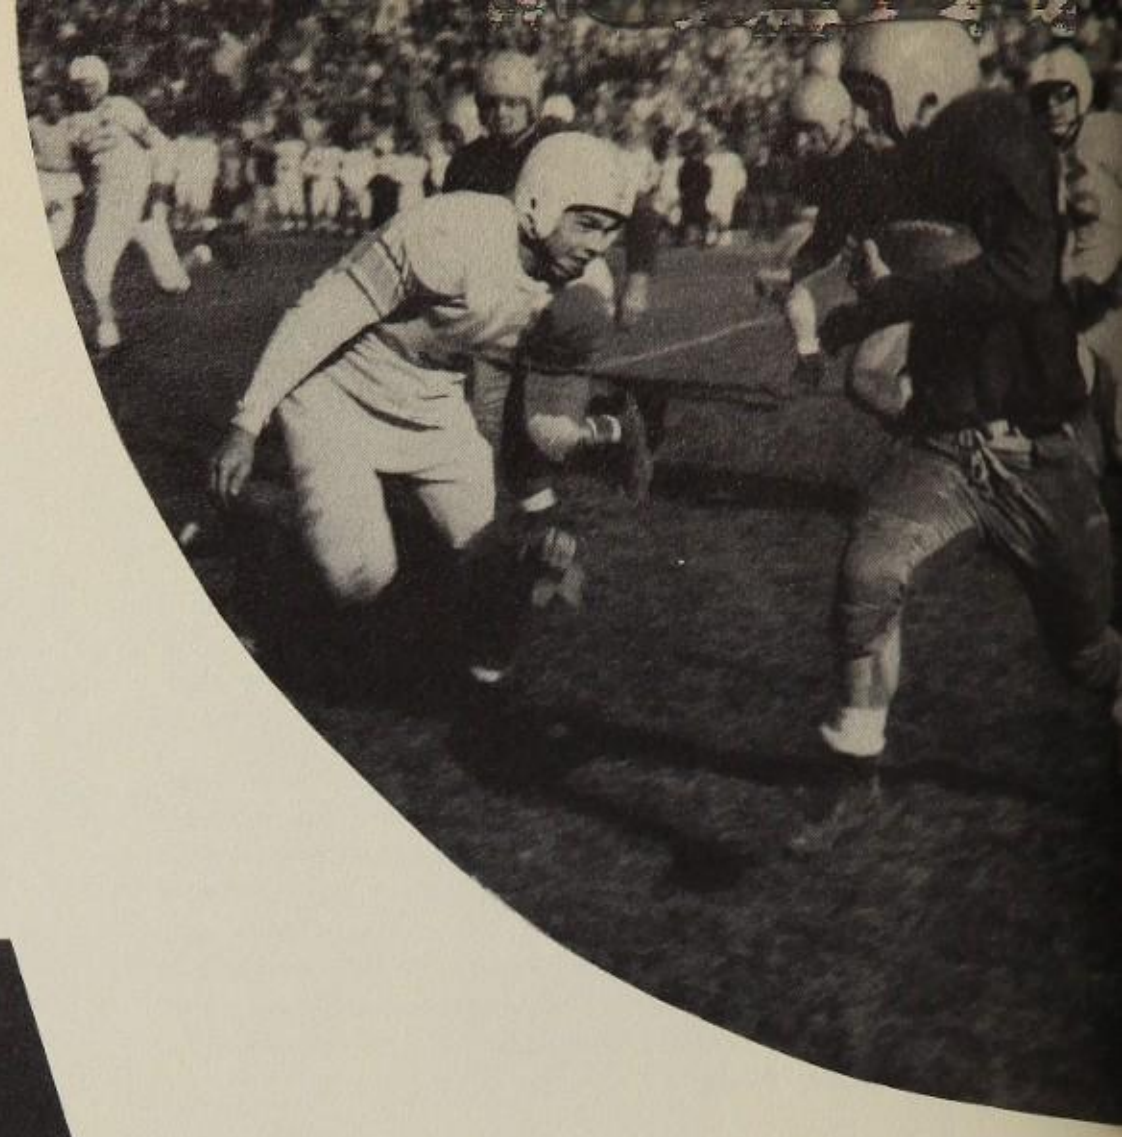


MUHS 7 — PIUS XI 0

PLAYING ALERT BALL, HILLTOPPERS TAKE THRILLER FROM PIUS XI.

When our highly rated offensive machine couldn't get rolling, the powerful defense took over. Led by the hard-charging Bill Griffith and rugged Tom Schiek, the line held the "Popes'" running game in tack while the alert Witt intercepted a Pius aerial and raced 45 yds. to pay dirt through a maze of Pius players. Nowicki converted making score 7-0 which it remained for the rest of the game.





MUHS 42 — NOTRE DAME 6

HOPELESS NOTRE DAME CRUMBLES UNDER HARD-CHARGING HILLTOPPERS.

Harrington starts off barrage when he outruns the Notre Dame secondary for 30 yards and a TD. The Redwings retaliated with Kubiak over, but that's as far as they got. From then on junior Hilltoppers take over. The speedy Buckett races around end from three yards out to score. Minutes later, Buckett again goes over from the three. In the third quarter Harrington heaves a perfect dart to the glue fingered Christman in the end zone. Nowicki races 21 yds. to score. Final TD is scored by Schoenecker on 5 yard gallop around end. "The Toe" Nowicki had a great night splitting the uprights 5 times out of 5; Fisher boots the other.

MUHS 12 — ST. CATHERINE 7

JUNIOR HILLTOPPERS CLEAR ANOTHER HURDLE BY TAKING A 12-7 THRILLER FROM ST. KATES.

Marquette capitalized on its first break, a weak punt, and sent "Harry" sweeping around end for a TD. Later in the first half, deep in St. Catherine territory, Jerry Johnson broke through to block a punt and give Marquette the ball, but St. Kate's dug in and stopped us short of a touchdown. Still later they scored on a spectacular play that covered 77 yards, a pass, Mertens to La Brasca. They converted and led 7-6 at the half. At the start of the third quarter, aided by a beautiful block by Tom Rabas, Harrington rambled 92 yds. down the side line for the winning TD. The rest of the game was a defensive duel. Marquette stopped a St. Kate drive on the eleven. The game ended with Hilltop deep in St. Kate territory.

MUHS 20 — DON BOSCO 0

ALERT DEFENSIVE PLAY LEADS WAY TO MARQUETTE VICTORY.

A combination of defensive and offensive power proved too much for Don Bosco. Marquette holds the Dons to 12 yds. on ground and 59 in air. The defense intercepts 5 passes, Laub snaring two. Keelan starts scoring with a pass to Christman for a TD. Midway in third quarter Buckett cuts off right tackle and bulls his way into the end zone. Keelan scores last TD on a 3 yd. plunge. Witt plays terrific game at fullback.

JUNIOR HILLTOPPERS ROLL UP EARLY LEAD AND COAST TO VICTORY.

Coach McGee's and Callen's boys score in opening minutes of game on Buckett's 8 yd. jaunt. Next time they get ball, "Harry" sprints around end for 16 yds. and a TD. Vitucci then returns kickoff 86 yds. for a TD and St. John's only score. Still in the first quarter, Chuck Witt rambles 46 yds. into the end zone. In second quarter Buckett scores his second and third TD's on runs of 10 and 8 yds. Fleetfoot Don Gral sprints 28 yds. to cap Hilltop scoring. Marquette's line holds Cathedral to one whole yard on ground and spills one of their backs in end zone for safety.

MUHS 40 — MESSMER 6

MARQUETTE TAKES TO AIR TO TROUNCE MESSMER AND BRING HOME THIRD STRAIGHT TITLE.

Coaches McGee and Callen mastermind Junior Hilltoppers to another undefeated season. At close of second quarter Preps take to air and on three plays cover 68 yds. for a TD, the score coming on an 8 yd. pass to Christman from Keelan. Second Half: "Harry sprints around left and outruns Messmer secondary to score from 59 yds. out. Witt plunges over from the one and score on an intercepted pass. Keelan whips another one to Christman for 52 yds. and to Dick Tallmadge for 8 yds. as Marquette retains title.

FRESHMAN FOOTBALL

Our spirits were definitely at a low ebb after the second and third games of our season, both defeats (one quite humiliating), but we snapped out of our slump and developed into a real team that could hold and score when the pressure was on. We are grateful that, whenever there was the least opportunity, our coaches got us ALL into the game, once with only a 7 point lead. We weren't all equally good, but we ALL had fun.

Outstanding among the Freshman Heavies were, in the line: Co-Captains Jerry McCloskey and Tom Hagen, Dave Thelen and Richard Lehmkuhl, Bud Hart and John Hanson, Adrian Miklaszewicz, and Dave Haupt; in the backfield: Co-Captain Jerry Haushalter and Bill Druml, Joe Conway and Bob Meyer, Don Michalski and Dave Crowley.

Some of the Freshman Midgets who played outstanding ball were — in the line: Jerry Reinders, Mike Guy, Paul Smith, and Tom Bonness; while in the backfield were Co-Captains Dick Kabler and Joe Sansone, Tom Schweizer, John Kuhn, and Tom Fink. From both teams: a hearty thanks to Chuck Carsky for a fine job as manager, and to the coaches, Mr. Maguire and Mr. McNellis for the Heavies, and Mr. Donovan for the Midgets.

Battling in the toughest competition in the city, in which the final standings weren't settled until the last game of the season, the Junior Hilltoppers compiled an enviable record of 12 victories and 4 defeats. If perhaps the breaks had fallen our way once or twice, we would have been undisputed champs.

The toughest one to lose was a 75-73 decision to Notre Dame in triple overtime. Even after suffering a rough set-back by Pius in which we lost by three points, and to Don Bosco early in the season, the Blue and Gold bounced back to wind up in undisputed possession of third place. Our greatest boast is the fact that we beat both teams soundly.

The team play this year was marked by accurate shooting and by aggressive rebounding, chiefly that of Jim Treis, the league's best rebounder and probably the most valuable player in the conference. Tom Rabas, the people's choice, also showed his fans aggressive rebounding. The fancy dribbling of Mike Keelan and Pat Foster kept the Golden Avalanche out of a lot of tight spots. Chief factor in Marquette's success was the improvement of two juniors, John Glaser, and Tom Fetherston, whose keen eye earned him a second string All-Conference berth.

Congratulations also go to the student body for their enthusiastic support, and to Coach Callen who even though he resigned at midyear, continued at the helm to guide the Marquette quintet to third place, one game behind the Conference Champions.

The record of the Junior Varsity League champions speaks for itself! Seventeen wins as against three losses, and a total of 1,089 points scored for a percentage of 51 per game! One of the losses was decided in an overtime and another in the closing seconds of play. The team was strong is every department. Seldom could the opposition cope with the speed, ball-control, and scoring power of guards Witteman and Captain Dunn, the deadly hook shots of McCarthy and the no less accurate long and drive-in shots of torwards Zauner and Collopy. Bugge, Miklaszewicz, Werra, Mathie and others came through again and again with important baskets and hustling rebound work. Mr. Owens, in relieving Mr. Maguire near the close of the season, inherited a championship team in every respect, not only in so far as the won-and-lost columns indicate, but in respect to the team's high sportsmanship, spirit, and co-operation with the coaching staff. Also ot high caliber was the faithful, day-by-day service of managers Szelmecki and Gramling.

Usually the success of a team is measured by the number of games it has won. But there are other factors which determine the greatness of a ball club. Coaches Mr. Maguire and Fr. Piotrowski are proud of this squad's fighting spirit which enabled them to bounce back after several early season setbacks. Despite these initial losses the team finally hit its stride and won five of its last six games, compiling a 54 point average in these games. The one defeat was at the hands of St. Catherine, who nosed them out in the last minute by a score of 58-55.

The standout performance of the season was against Notre Dame, when the Hilltoppers came from behind and tallied 20 points in the fourth quarter. Five points were netted in the last 32 seconds to defeat the Red Wings, 40-39 on their own court.

Promising players of the squad include center Tim Sullivan, the team's high scorer; forwards Bill Druml and John Kennedy; and guards Dave Crowley, Terry Dooley, and Mike Blommer.

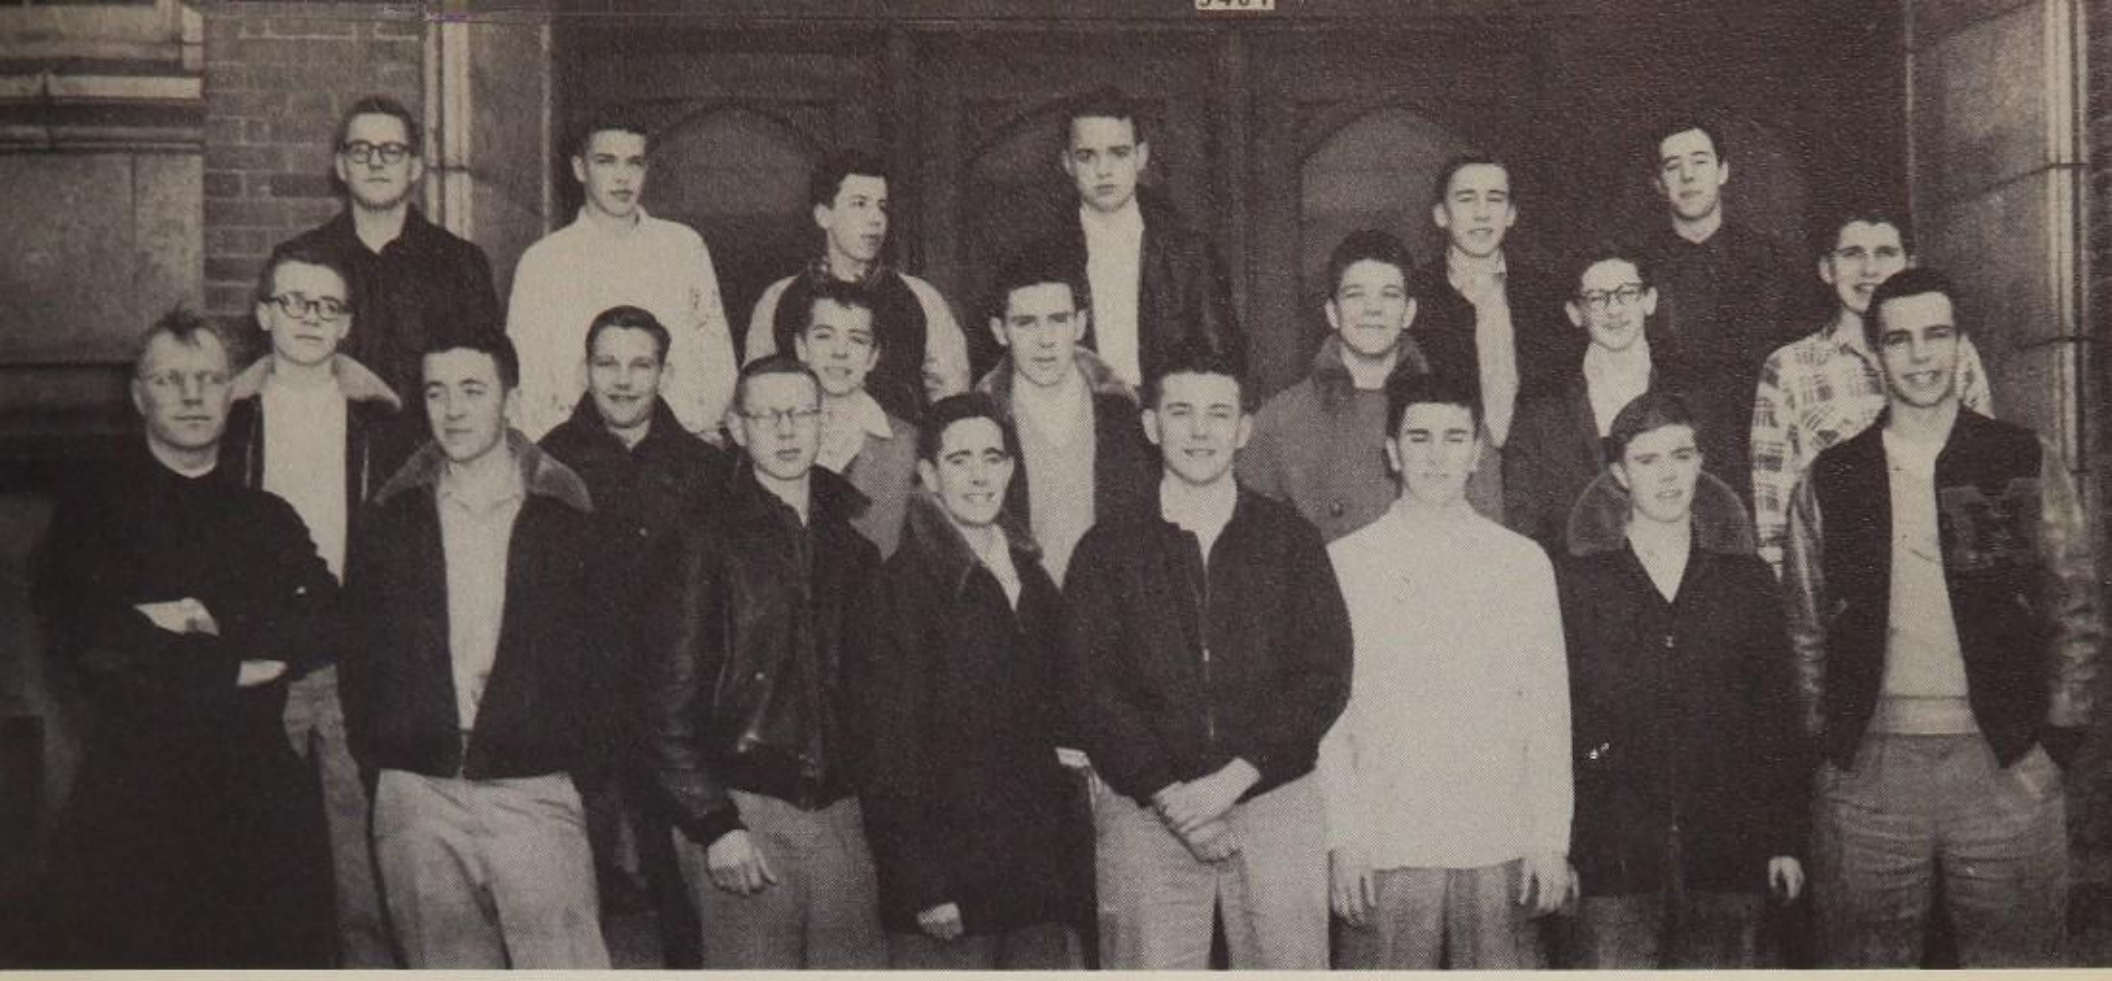
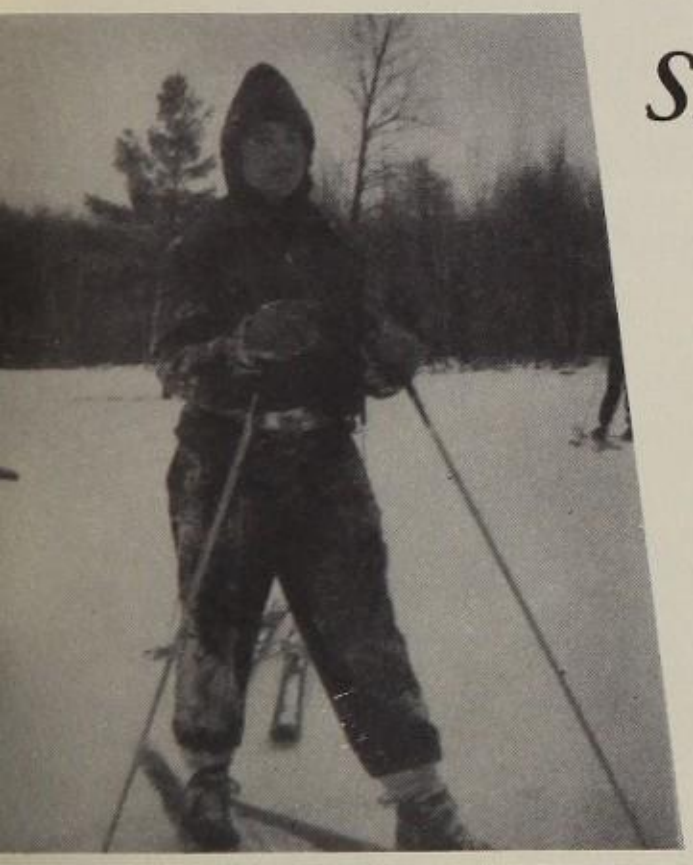
BOXING

The boxing team this year, under the direction of Coach Mike Potter and Mr. McNellis, put on one of its finest displays in the past few seasons. The four boxing shows, held in late February and early March, had a total of forty fights which gave plenty of action to the crowds that filled the gym. The feature bout of the first show was Jerry Johnson's outstanding victory over Bob Winter. Joe Dunn and Mike Collopy highlighted the next two shows with Collopy pounding out a pair of fine wins. The final show featured a rematch between Dennis Kilzer, Marquette's representative in the Golden Gloves, and Pete Meisenheimer. Kilzer won, avenging a draw with Meisenheimer earlier in the season. Trophies were presented at the end of the year to Dennis Kilzer as the outstanding underclassman, to Joe Dunn as the outstanding senior, and a medal was presented to John Meisenheimer as the outstanding freshman.

BACK ROW: Sisolak, Winter, T. Mueller, O'Malley, Callahan, Dunker, J. Dorner, J. Grimmer.
SECOND ROW: J. Murphy, Kilzer, Buscaglia, Nachazel, Sheridan, P. Meisenheimer, Grellinger, Schoendorf, Joseph Dunn, Johnson, Barry, Radler, Pfeifer, Mr. McNellis, Hinners.
THIRD ROW: Chaput, Ney, Sorce, Foti, Muench, Hornick, Boland, Marz, Watson, Collopy, D. Fischer.
FRONT ROW: Reuter, Dorff, Kleist, J. Meisenheimer, Cornelius Dunn, R. Dorner, Hart, Hagen, Haupt.



BACK ROW: Caro, Hotvedt, Trudeau, McGowan, Gebhard, R. Weber.
SECOND ROW: Coffey, Sazama, C. Dunn, Gutzwiller, Herzog, Hornick, Wachtel.
FRONT ROW: Fr. Verdieck, Johnson, Gorak, Baldus, Callahan, Malone, Joseph Dunn, Dobrient.



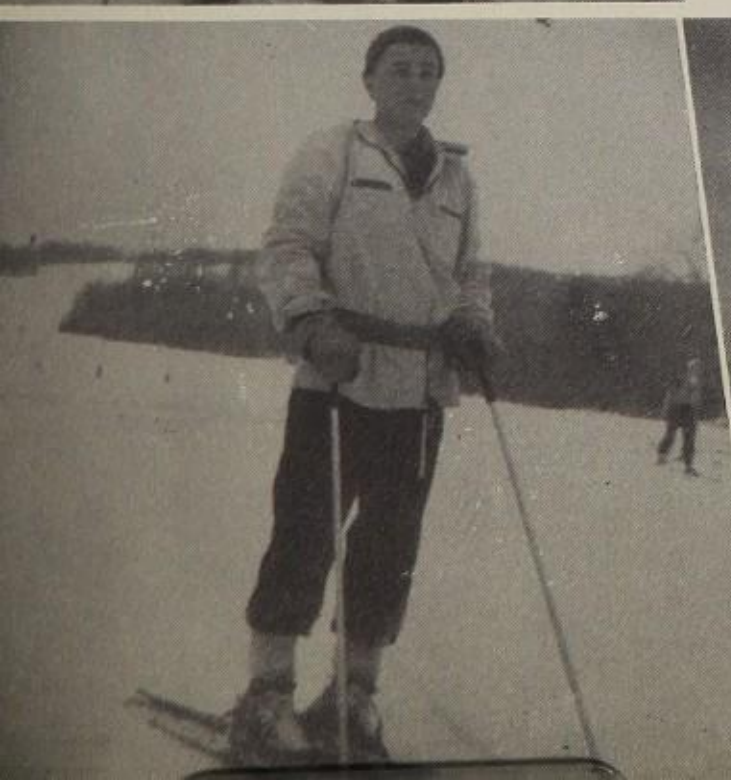
Ski Club

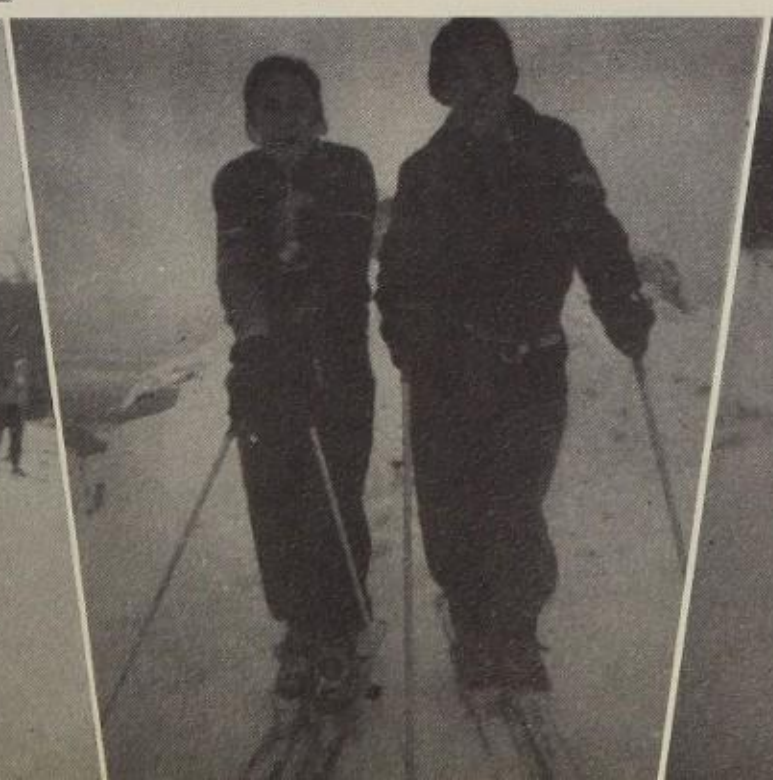
The Ski Club's fifth year in existence proved very successful under the guidance of its new moderator, Father Verdieck, S.J.

Although the snow conditions this year at Mary Hill permitted rather few week-ends of good skiing compared to previous years, several members of the Ski Club were out each week-end, ready to ride the tow up and the snow down.

During the Christmas holidays, a group of enthusiastic skiers spent a few days at Rib Mountain, near Wausau, Wisconsin, enjoying their sport.

Officers elected for the year were, John Callahan, president; Brian Malone, vice-president; Edward Gutzwiller, secretary, and Joseph Dunn, treasurer.





BACK ROW: Boland, Emmerich, Oldowski, R. Kress, Kortendick, Foti, Nevins, Chaput.
MIDDLE ROW: McGowan, James Hanley, Senglaub, Kietlinski, T. Miklaszewicz, Doll, Eckert, Reinhart.
BOTTOM ROW: Sisolak, Hornick, F. Sansone.

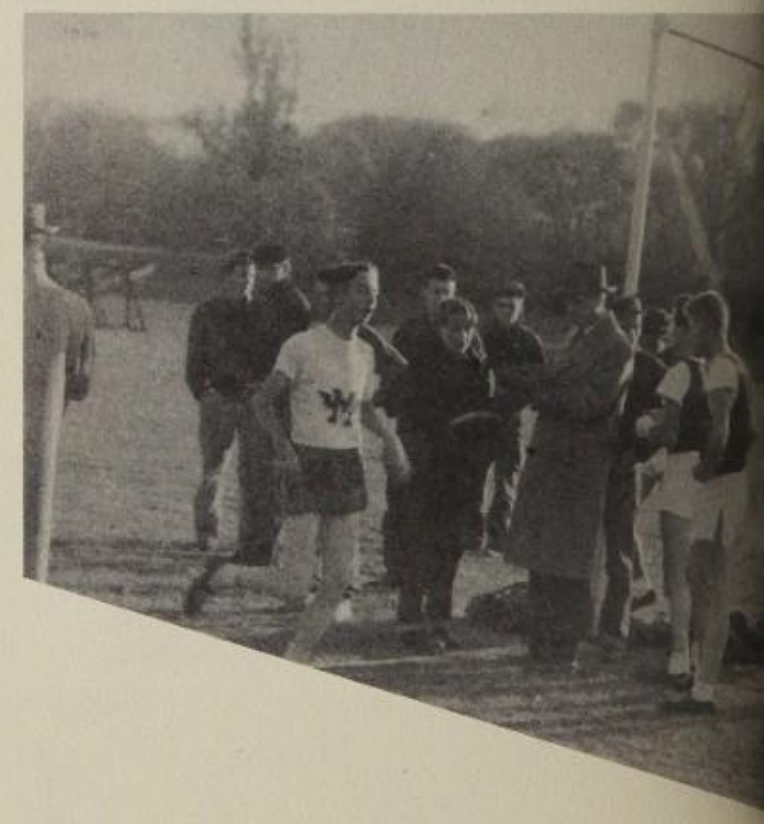
Cross Country

Under the direction of Coach Garrot, the cross-country team finished up the season with two wins out of five starts. They lost a close one to West Division, one of the powerhouses of the city. Shorewood topped our Harriers by one point at Estabrook Park. The squad, led by Senglaub who finished the season with five firsts out of five starts, walloped West Allis Central at State Fair Park by taking four of the five first places. They also trounced Juneau.

The only graduating member of the team is Mike Keitlinski who has placed consistently in cross country meets for the past two years. The other three members of the team, all juniors, show promise of a great cross country team next year. The powerful combination of Senglaub and Miklaszewicz finished first and second in four of the five meets. Not far behind was the fourth member of this year's team, Jim Hanley.

The fight for Kietlinski's post probably will be between Don Doll, a sophomore sensation, and Dick Kress, a fast-improving junior.

Some of the best times run by the harrier champ Senqlaub: Kinnickinnic parkway course record: 1.5 miles, 7:55. Washington Park: 2.1 miles, 10:52.



Anchor-man Witt rounds the last curve for a record in the Journal Relays.

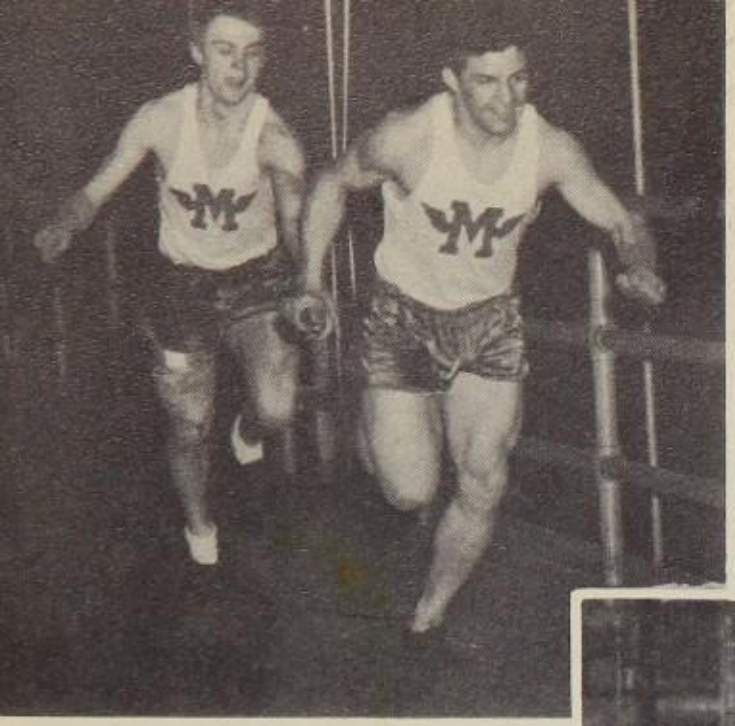
Track

As we go to press it looks as though the track team should have a pretty good season. The chief reason for this is the fact that the relay team set a new record in the private school division of the Journal Relays, finishing in a time of 1:9.3 minutes. The team is exceptionally strong in the sprint with Buckett having a possibility of doing the hundred in less than 10 seconds. Chuck Witt looks unbeatable in the 440 and will be given a lot of support by a couple of sophomores Don Doll and Terry Touchett. In the hurdles Harrington and Fisher will give their competition a good run for their money. In the field events there are three men, Dwyer, Glaser, and Dick Walsh, all of whom have cleared 5 ft. 4 in. early in the season. The shot put is headed by sophomore Don Gral who is shooting it about 44 ft. Veterans Walt Nowicki and Tim Harrington are our hope in the broad jump. Coach Garrot will probably have a first place winner in the mile with Miklaszewicz, and Senglaub in the half. Both are covering the distances in good early season times. Considering the overall possibility, it looks as though we are headed for a successful season on the cinders.

Fast starts for the relay team, Gral, Witt, Harrington, Nowicki, Buckett.



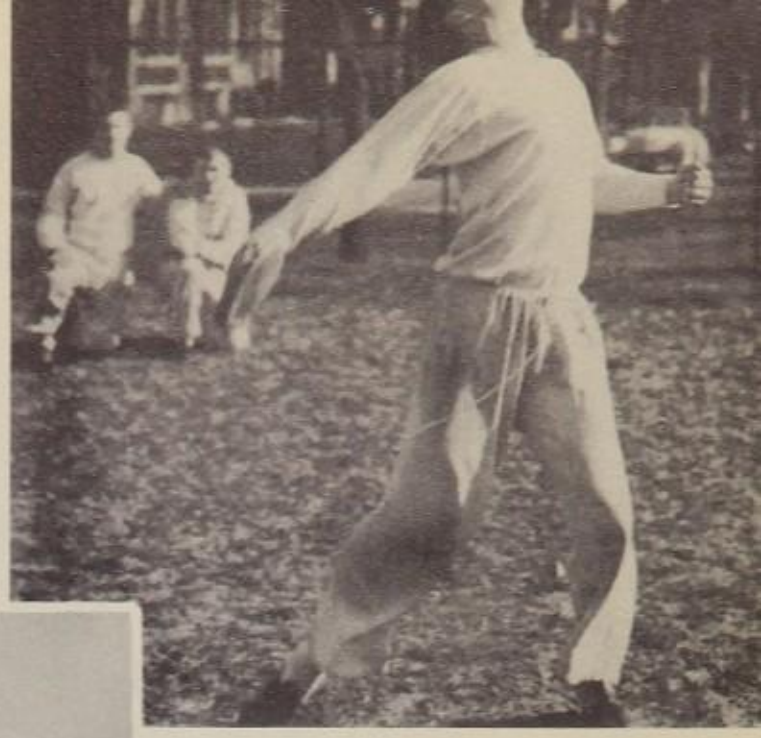
Buckett passes to Nowicki.

Half-miler Senglaub shows his stride.

Doll and Witt on the quarter mile.

Dwyer goes up and over.

Glaser over the top.

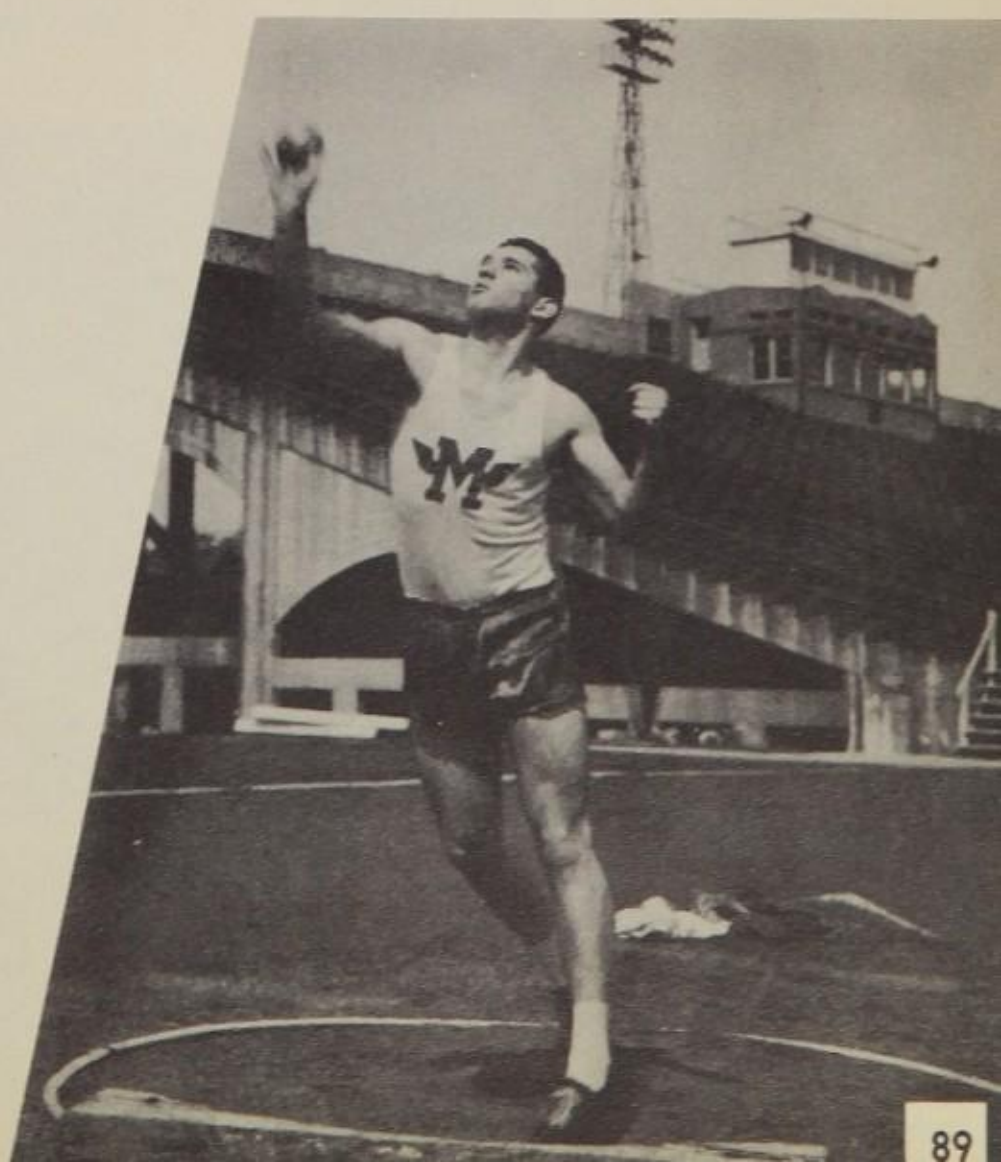


Discobolos Glaser.

Harrington floats through the air for 20 feet.

Miler Miklaszewicz on a fast finish.

Gral tosses a long one.



Sprinters Buckett, Scheid Witt and Nowicki get away.

BACK ROW: Pakenham, Johnston, Smeeton, Stenger, Jezukewicz, McGovern, W. O'Neil, McCloskey, R. Dorner, Gengler, Charles Dunn, Mr. Owens.
FRONT ROW: Foster, Deysach, Clarke, J. Dorner, Potter, Hilbert, Watry, Patscot.

Golf

With the linksmen's season still ahead of them, we shall have to content ourselves with predictions, but they are fairly close, we feel sure. With returning experts Goggin and Hayes, and some strong youngsters in Potter, Foster, Heil, Dorner and Clarke, there should not be many foes in the area able to take our measure. The team has high hopes of a good showing in the State Catholic Tournament, and you can by this time fill in their position in the tournament, as well as their other scores, on page 145. The team wishes to express its thanks to the coach, Mr. Owens, for his enthusiasm and helpfulneses, and for organizing the State Catholic Tournament.

Tennis

The tennis squad got off to a good start with three straight wins, and shows promise of a fine season. With eight returning lettermen, the team is experienced and ambitious to tackle their difficult schedule. (Page 145 will leave you room to add their scores, as the annual must go to press before the games are finished.)

Captain John Grimmer, Charlie Shane, Harry Peck, Ralph Stramowski, Kenan Kersten, Larry Bugge, John Rauch and Bill MacCarthy, besides the new additions and hopefuls, have been at the courts since the rains gave out, and are promising you a winning club. By the time you see this, you will know; may the scores bear out the predictions.

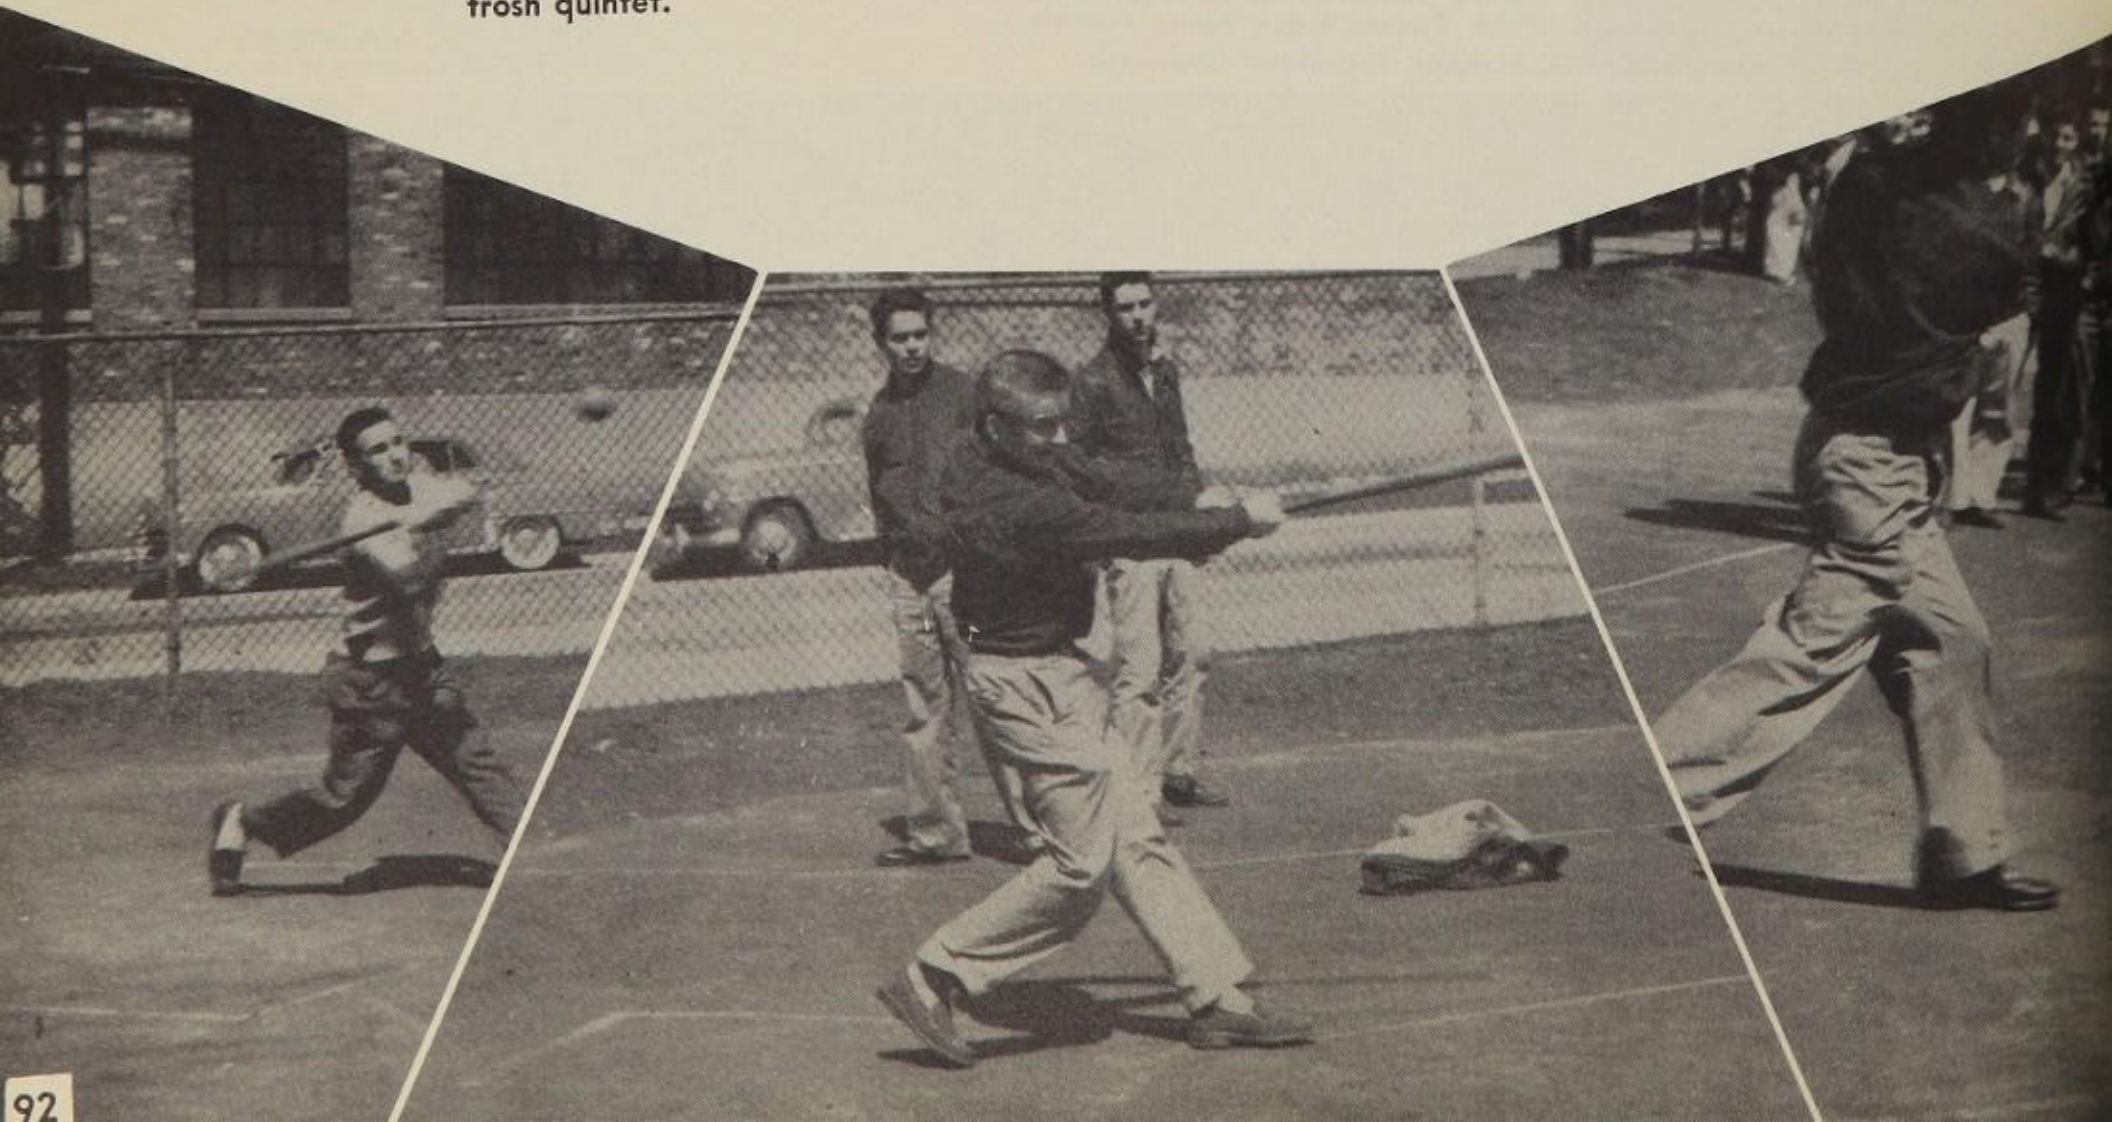
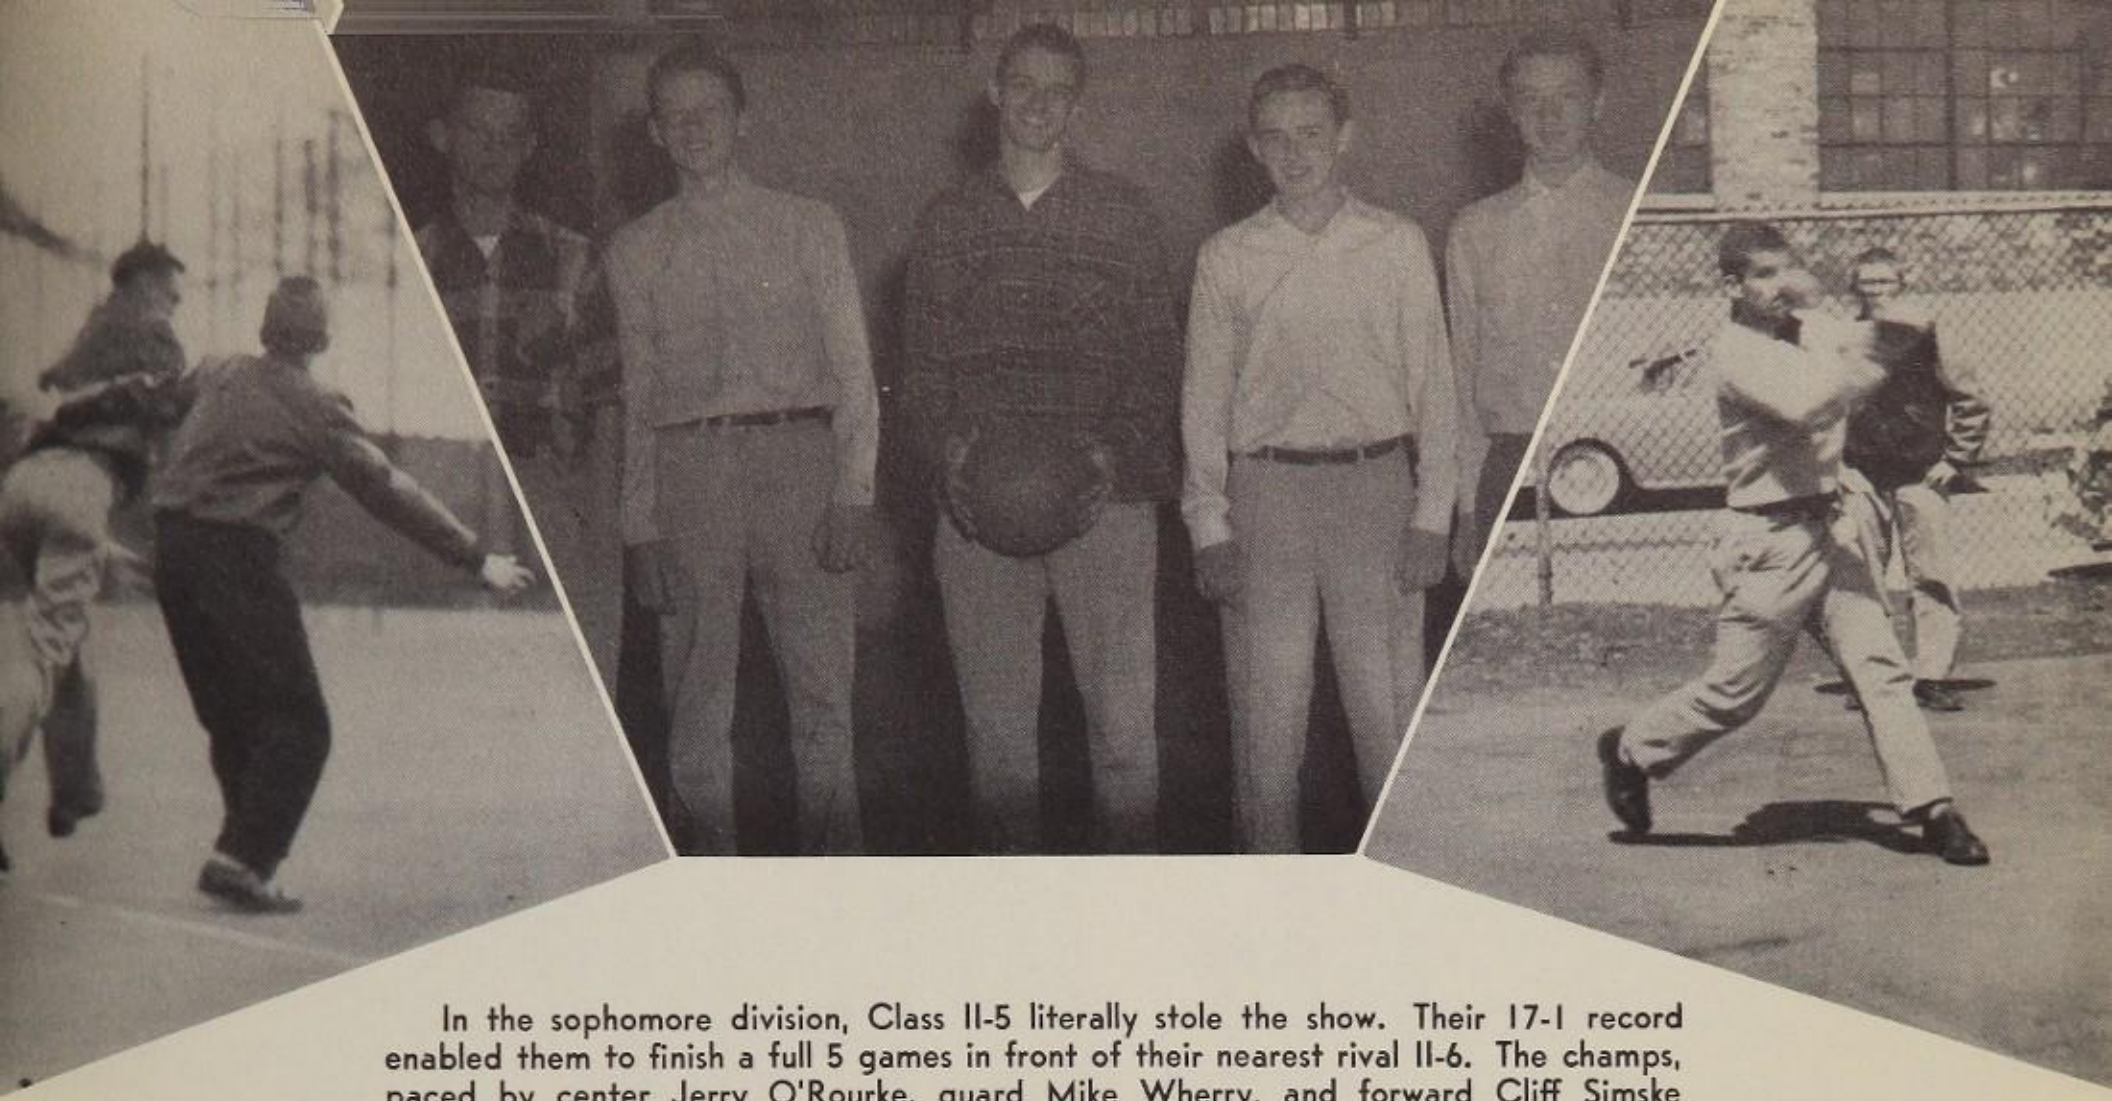
FOOTBALL

Marquette's intra-mural football schedule provided the frosh and sophs a chance to unleash their grid talents on a grand scale. At the end of a rugged season classes I-3 and II-6 emerged victors in their respective divisions.

BASKETBALL

As usual Marquette's intra-mural basketball program was loaded with competition and laughs. The season was spiced with the customary rhubarbs and sparkling performances, all combining to round out an active and interesting season of keen competitive sport. In the freshman circuit, classe I-2 was spearheaded by the coordinated efforts of such mainstays as Foti, Schuster, and Jezukewicz. I-3 captained by Jim Shannon, displayed championship form in the persons of forward Terry Dooley and center John Eschweiler. Dennis Gilboy and Tom Bonness rounded out the frosh quintet.





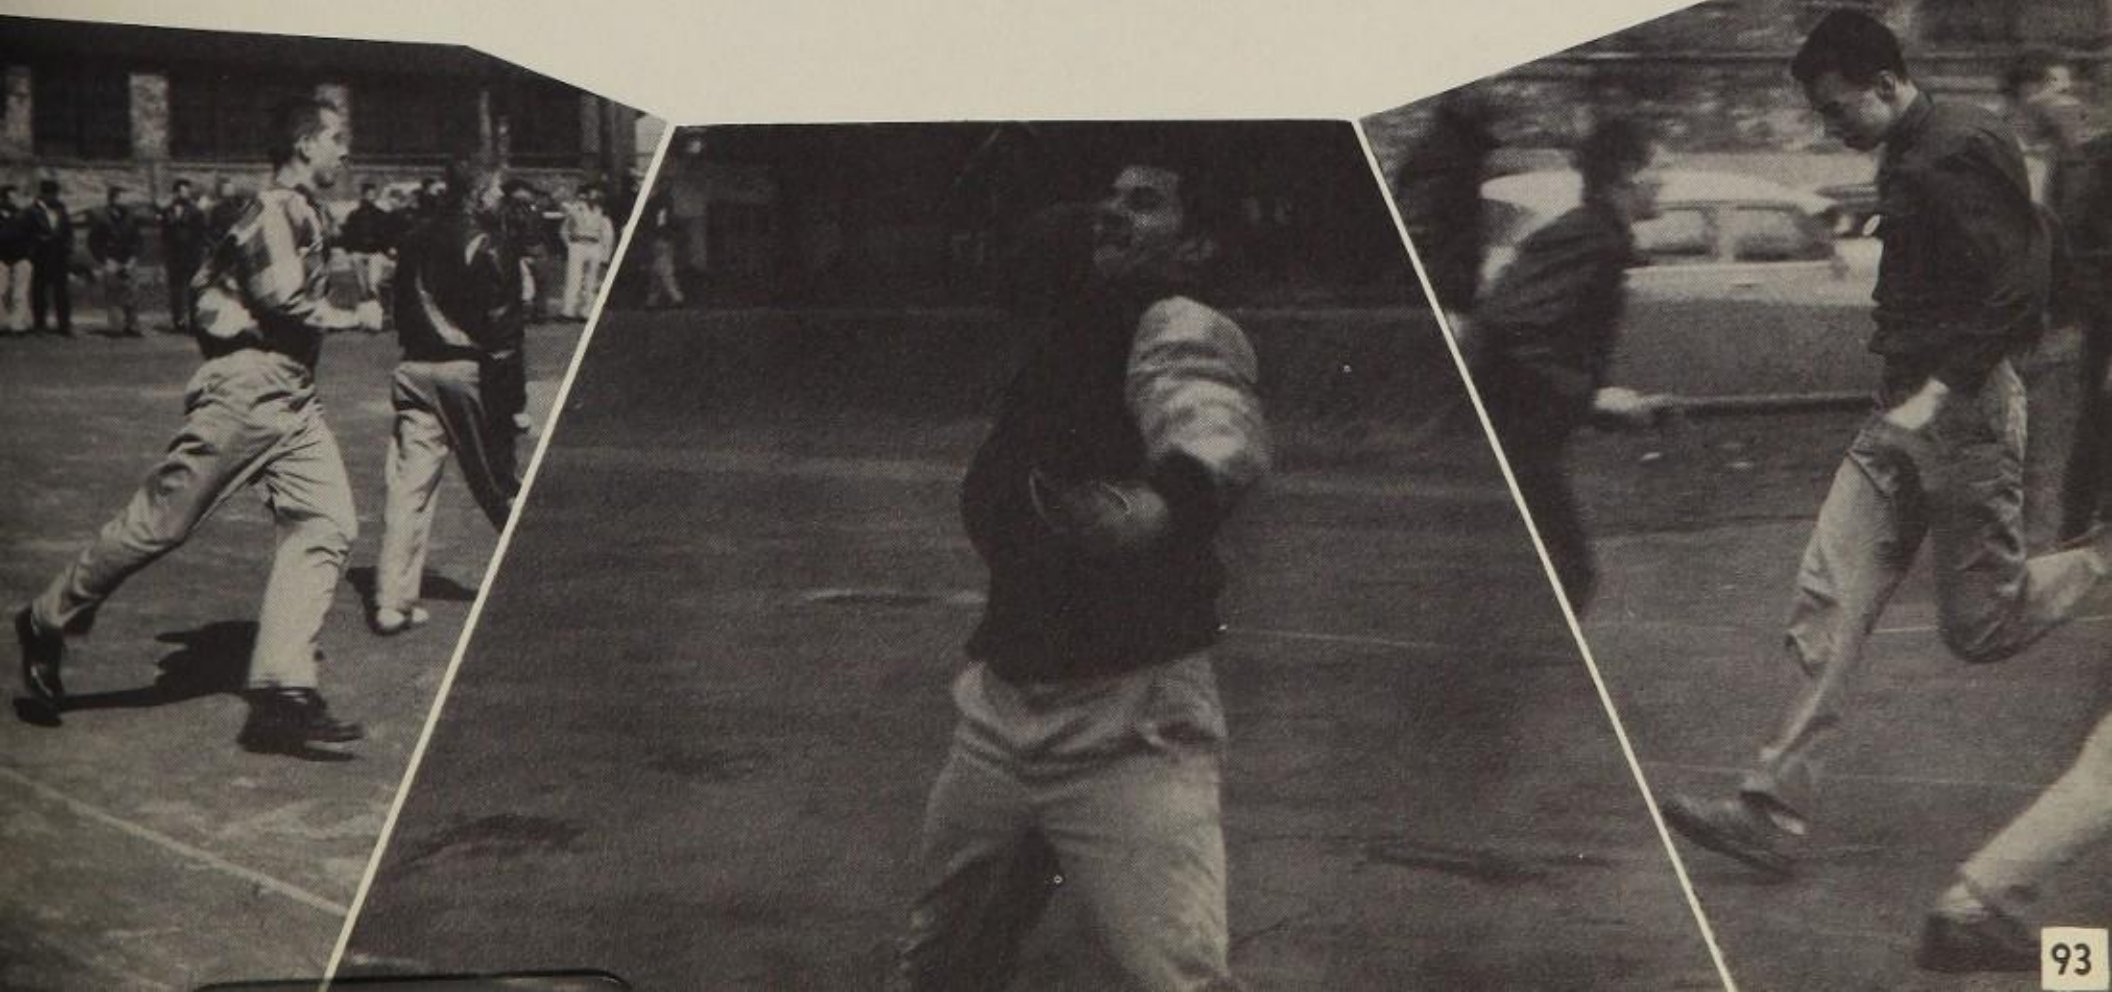
In the sophomore division, Class II-5 literally stole the show. Their 17-1 record enabled them to finish a full 5 games in front of their nearest rival II-6. The champs, paced by center Jerry O'Rourke, guard Mike Wherry, and forward Cliff Simske burned up the buckets in their championship drive, combining team work and accuracy most effectively. Sterling performers Dave Brown and Tom Ament, also of II-5, were big factors in copping the cage honors. Coach McGee, able director of Marquette's intra-mural program, named the following men for posts on the Frosh and Soph all-star squads.

Freshman All-Stars: Dooley, Eldridge, Swain, Jezukewicz, Schuster.

Sophomore All-Stars: Simske, Wherry, Fieweger, McNamara, Reinhart.

BASEBALL

As the annual goes to press, intra-mural baseball has just begun. To date, classes I-6 and I-7 are deadlocked for first in the Freshman division with 4-0 records. I-6 has so far made 46 runs, while holding their opponents to 10. In sophomore play, II-2 and II-5 are tied for first. In view of the quality of play in the games so far, it promises to be an interesting season, and a hard-fought one.

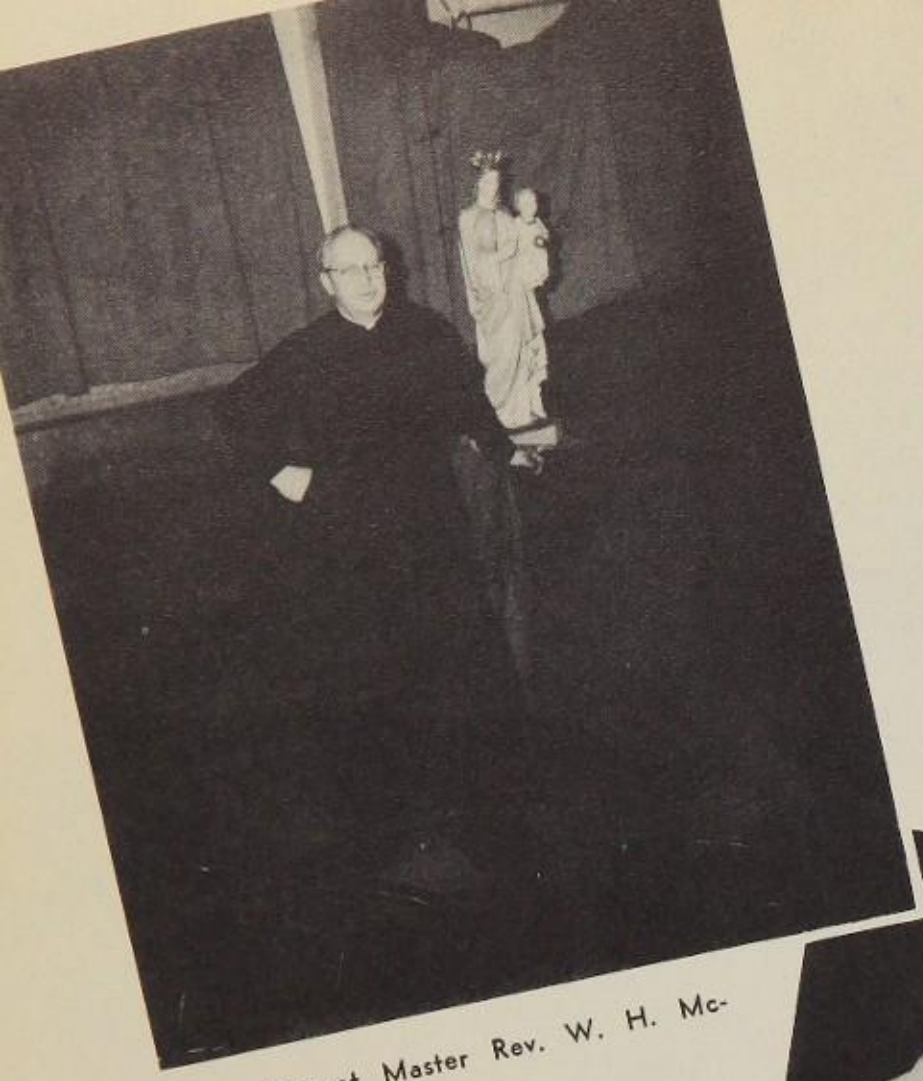


GRACE

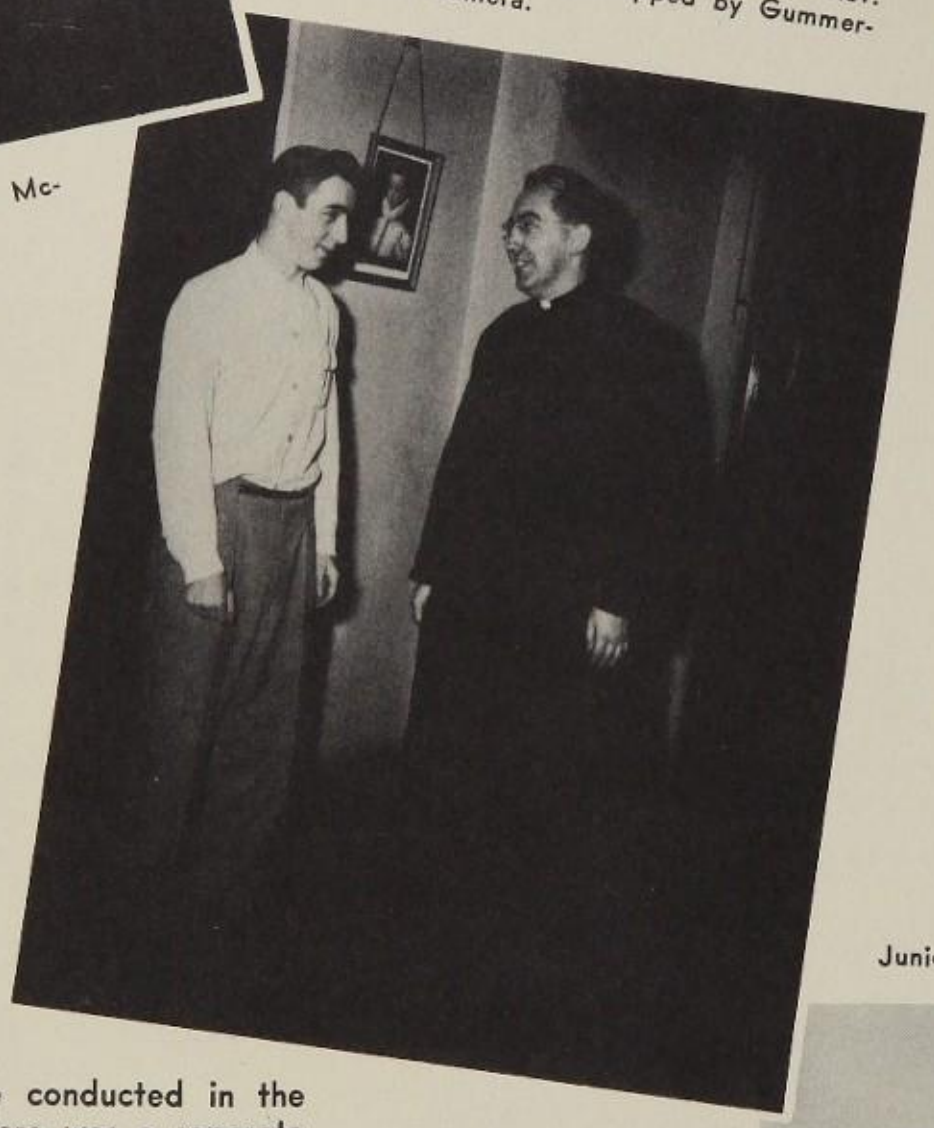
Every day for the past four years we have entered the halls of Marquette by the same west door, we have put our coats and books in the same type of gray lockers, we have walked up to chapel, and down again to class. There we have been taught by the black-robed emissaries of Christ, or by fine Catholic lay teachers. All around us we have felt the aura of Catholicity. In every class, no matter what it was, the feeling of the Catholicity was ever present, and in Sodality we have brought ourselves closer to our Model and His Mother. We have become frequent, some of us even daily communicants. The whole school atmosphere has been increasingly a predominantly Catholic one.

We can feel that we have triumphed in this, the most important phase of our development. We have, in this, followed closely the footsteps of our Model. We have increased in GRACE.

Retreats

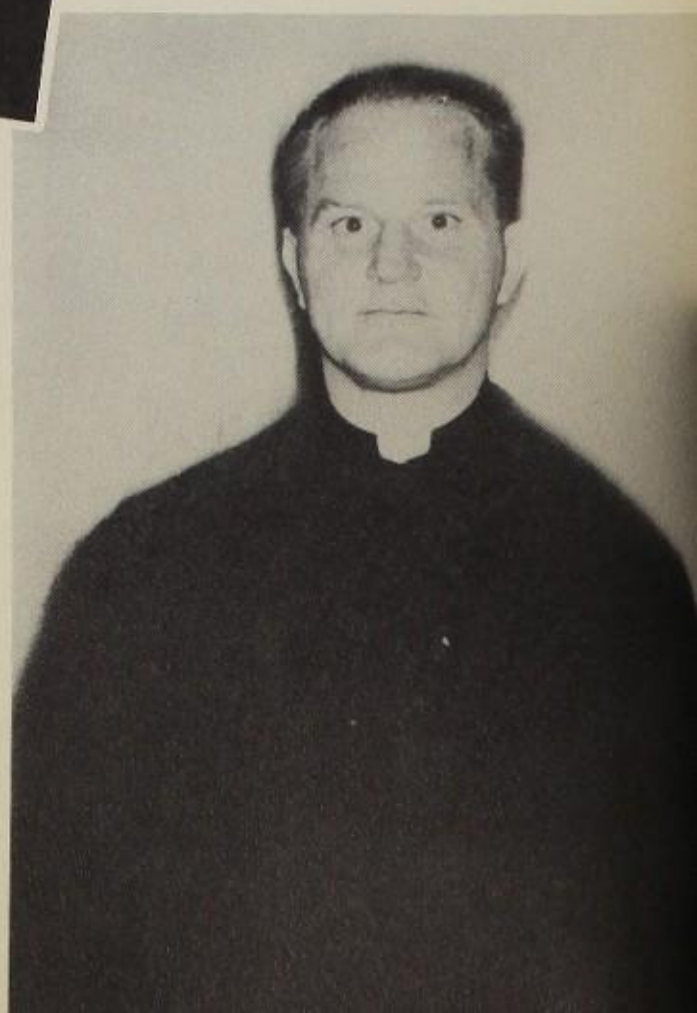


Senior Retreat Master Rev. W. H. McEvoy, S.J.



Freshman-Sophomore Retreat Master Rev. J. J. Campbell, S.J., stopped by Gummerman and Camera.

Junior Retreat Master Rev. W. R. Luebke, S.J.



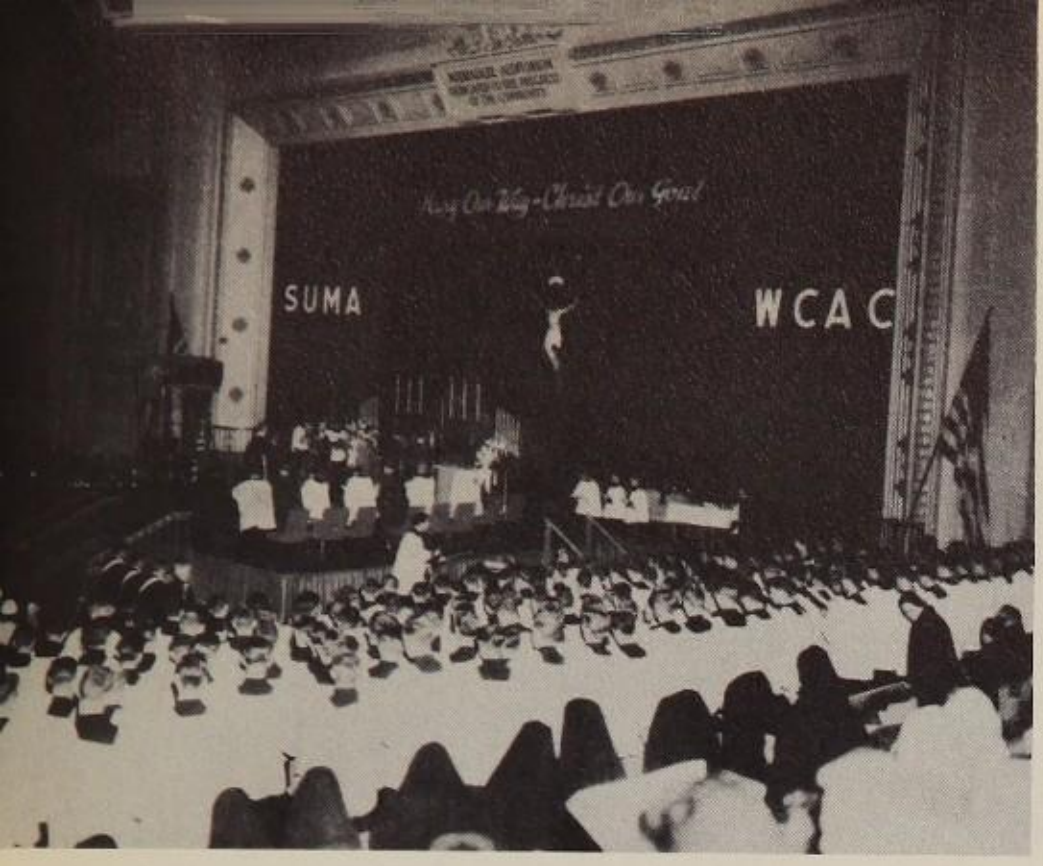
The retreats this year were conducted in the same manner as last year. There was a separate retreat for the Juniors and Seniors, while the Freshmen and Sophomores were grouped together.

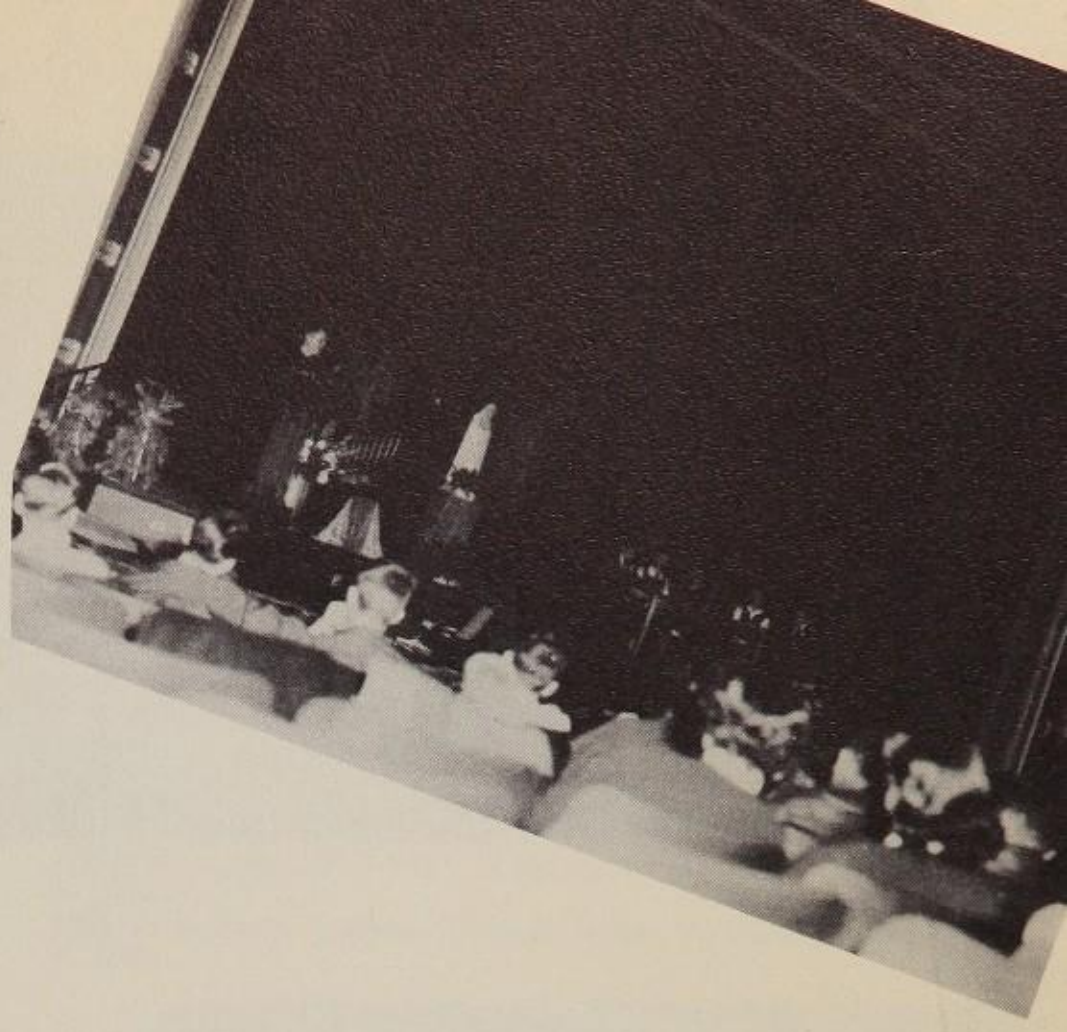
Also as last year, Fr. McEvoy, of Marquette University, gave the Senior class members humorous, yet interesting and serious-principled talks, plus some very practical advice for the future.

Speaking to the Juniors was Fr. Luebke, who spiced talks with many clever and interesting stories, which served as examples to prove his points.

Freshmen and Sophomores were fed choice knowledge, plus helpful hints for their remaining high-school years at Marquette, by Fr. Campbell of St. Louis.

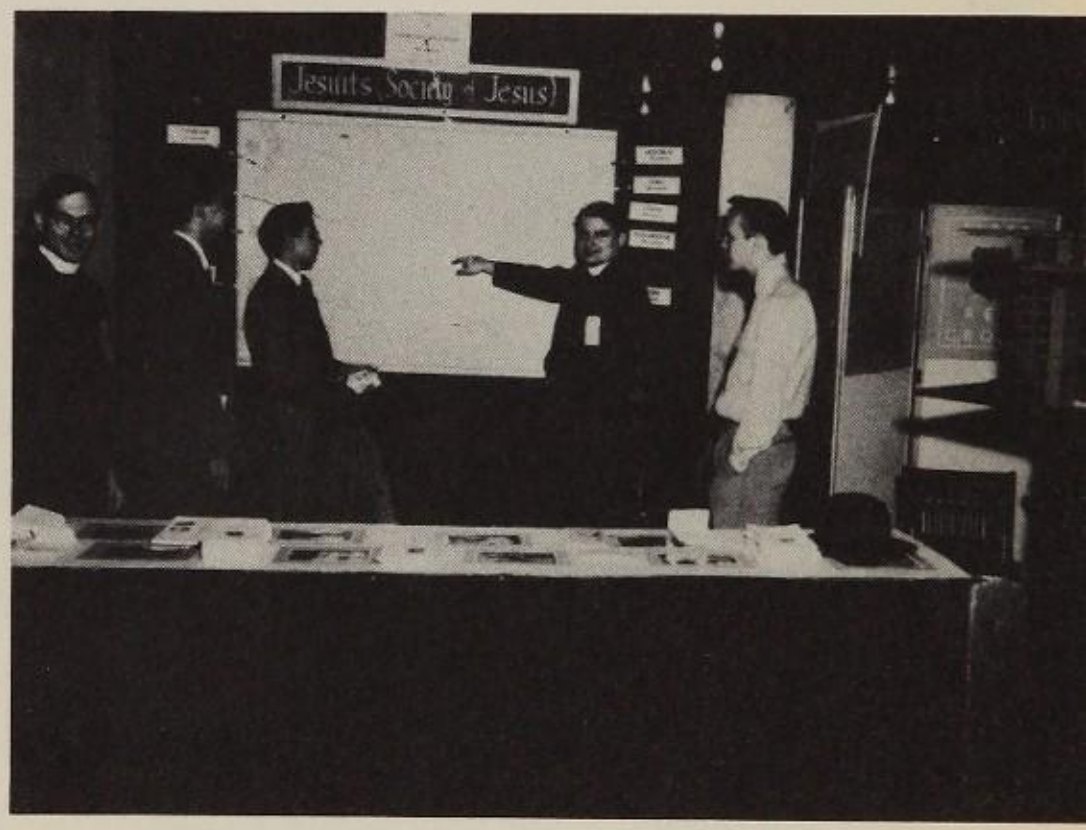
The three day retreat was climaxed by the Papal Benediction on Friday. As in the past, the retreats gave all students something which they should carefully think over concerning their spiritual lives. Marquette High's grateful thanks go to these three fine priests for an interesting and most helpful retreat.

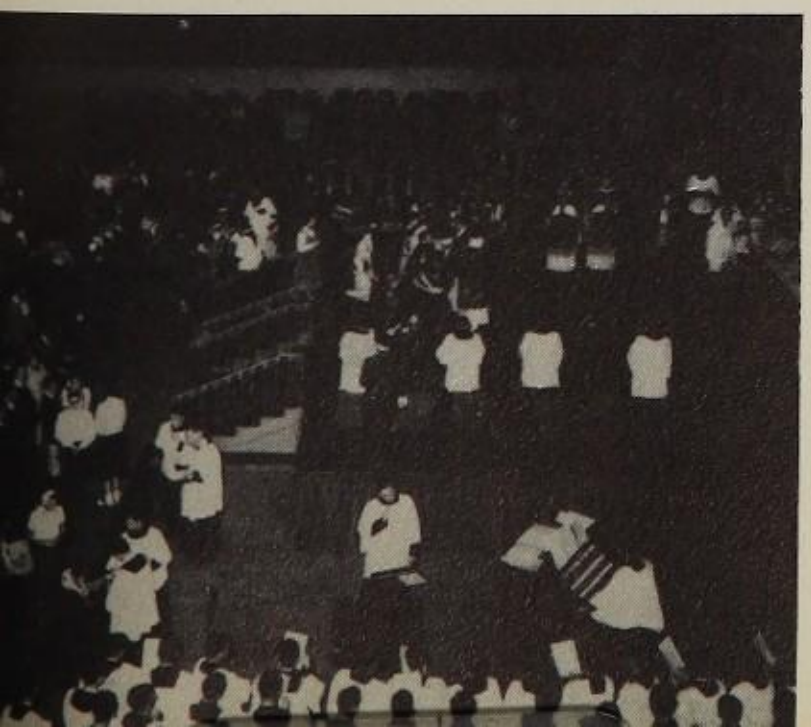


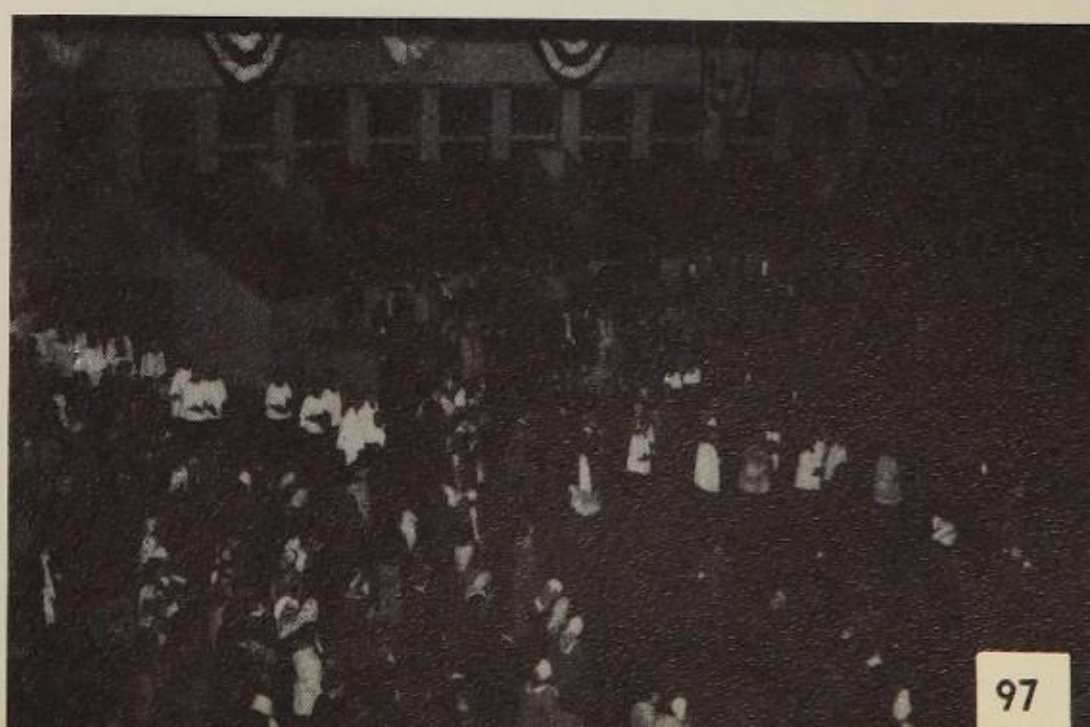


Sodality

Under the auspices of S.U.M.A. the seventh annual Wisconsin Catholic Action Convention was held Friday, Saturday, and Sunday, January 16, 17, and 18. As in previous years Marquette High played a large part in making the convention a success. A corps of ushers under Mike Grellinger kept the W.C.A.C. in order all three days, and set a shining example by receiving communion almost unanimously each day of the convention. Paul Sullivan, co-prefect of M.U.H.S., and Edwin Montgomery, prefect of the Marquette High Sodality, served as chairmen at two of the sessions and also served at Mass on Friday and Saturday. On Saturday, Fr. Lawrence Kelly, S.J., moderator of the Sodality, spoke to the convention on "Forming Christ in the Minds of Men."







Senior

Sodality

The Sodality was the core of the Marquette High extra-curricular program. It fostered in all of us a deeper love of God and His mother. Even the non-sodalists could feel the many benefits derived from an active Sodality.

In addition to the interior benefits granted to the members, the various Sodalities undertook many projects. The senior Sodality sponsored a vigorous campaign, utilizing the public address system, to encourage recitation of grace before lunch in the cafeteria. The Juniors busied themselves sending CARE packages and food baskets for Thanksgiving, Christmas and Easter. The sophomore Sodality brightened the Christmas of two large families with huge baskets of food and clothing. In the freshman class, a Sodality play night helped to acquaint all the freshmen sodalists. The high point for the freshmen was their solemn reception into the Sodality in May.

Frosh Sodality

Under the direction of Fr. Manhard, Fr. Piotrowski, and Mr. Marsh, the Freshman Probation Sodality was successfully revived this year. In mid-year the following were elected sodality officers: Prefect, Walter Nicgorski; Vice-Prefect, Robert Lehmkuhl; Secretary, James Schmiedel; Treasurer, James Egan; (auxiliary officers: Robert Leak, Kenneth Reinehr, John Teske). The purpose of the long probation training was to help the candidates to become worthy sodalists, who live their two-fold aim of sanctifying themselves and their neighbor. Such activities as offering Masses for the Poor Souls, giving a basket to a poor family, and collecting books for St. Charles Boys Home were enthusiastically undertaken. Highlight of the year was the beautiful reception of 137 candidates into the Sodality on the night of April 30.

SENIORS: McCann, Hibner, Schmitt, Cody, Wirig.
SEATED: Witt, P. Lukaszewicz.

During the past year, Fr. Padberg's Choir has, more than ever before, appeared before audiences other than at Marquette. They sang Christmas Carols in a return engagement at the Hi-Mount School. They entertained af Soldier's Home, and at Blessed Sacrament School. Their Christmas programs reached their high point by their appearance in the Marquette Christmas festival.

In addition to popular songs, they have been engaged in singing many Masses. They sang two Requiem Masses here, and for the first time sang them in three-part harmony. They graced Gesu and St. Francis Churches with their excellent interpretations of the Rosa Mystica Mass.

Their fine renditions of these works have been accomplished only through the hard work of Fr. John Padberg, and their fine spirit of co-operation to work as a single unit during the long practice hours. There excellence is well known about Marquette, and it is shown to be traveling throughout the city by the various invitations they have had to sing, many of which are a year in advance. Good luck to Fr. Padberg and his fine organization. Sing on!

NEW MEN: Kierstead, Ehlman, S. Mitchell, Rauch,

Soloist, Doran.

Warm-up for the Christmas program.

Bellehumeur, Morrissey, R. Miller, P. Meisenheimer, Roncke, Mr. Barry.

Sacristans

The Sacristans are a familiar sight to the entire student body as they either prepare the altars, clean the sanctuary, or perform the hundred-and-one other tasks which are so vital to the devotion of the student body. With their somber black cassocks and unobtrusive manner, the Sacristans efficiently care for the Immaculata Chapel, the dwelling place of Our Lord. From their loyal ranks William Morrissey will graduate this year leaving Joseph Roncke, Peter Meisenheimer, Robert Miller, and Gerald Bellehumeur to carry on the work.

Missions

The C.S.M.C., that is the Catholic Student Mission Crusade, is composed of boys who are willing to give up some of their time, in order to learn about and help the missions.

This year, under the direction of its new moderator, Mr. L. E. Barry, S.J., the C.S.M.C. more than doubled its membership. The Club had for its capable officers, Ed Kalista, president; Bill O'Malley, veep; Jim Kasdorf, secretary, and Brian Malone, treasurer.

The main project of the C.S.M.C. this year consisted of collecting Mass vestments, medicine, and stamps for the needy missions of South America.

Next year the club, with its increased membership, is anxiously looking forward to accomplishing even more for the needy and very deserving missions of the world.

The Mission Club, under the fine direction of its cheerful moderator, Fr. Ward, S.J., collected, counted, and averaged the weekly mission collection. The Club is happy to announce that the weekly contribution of the students was well over $120. This goes to show that the boys at Marquette High realize the desperate need of the missions for funds, and therefore made very generous contributions all during the year. Special collections were also donated to the St. Amelian's Christmas Party and the March of Dimes.

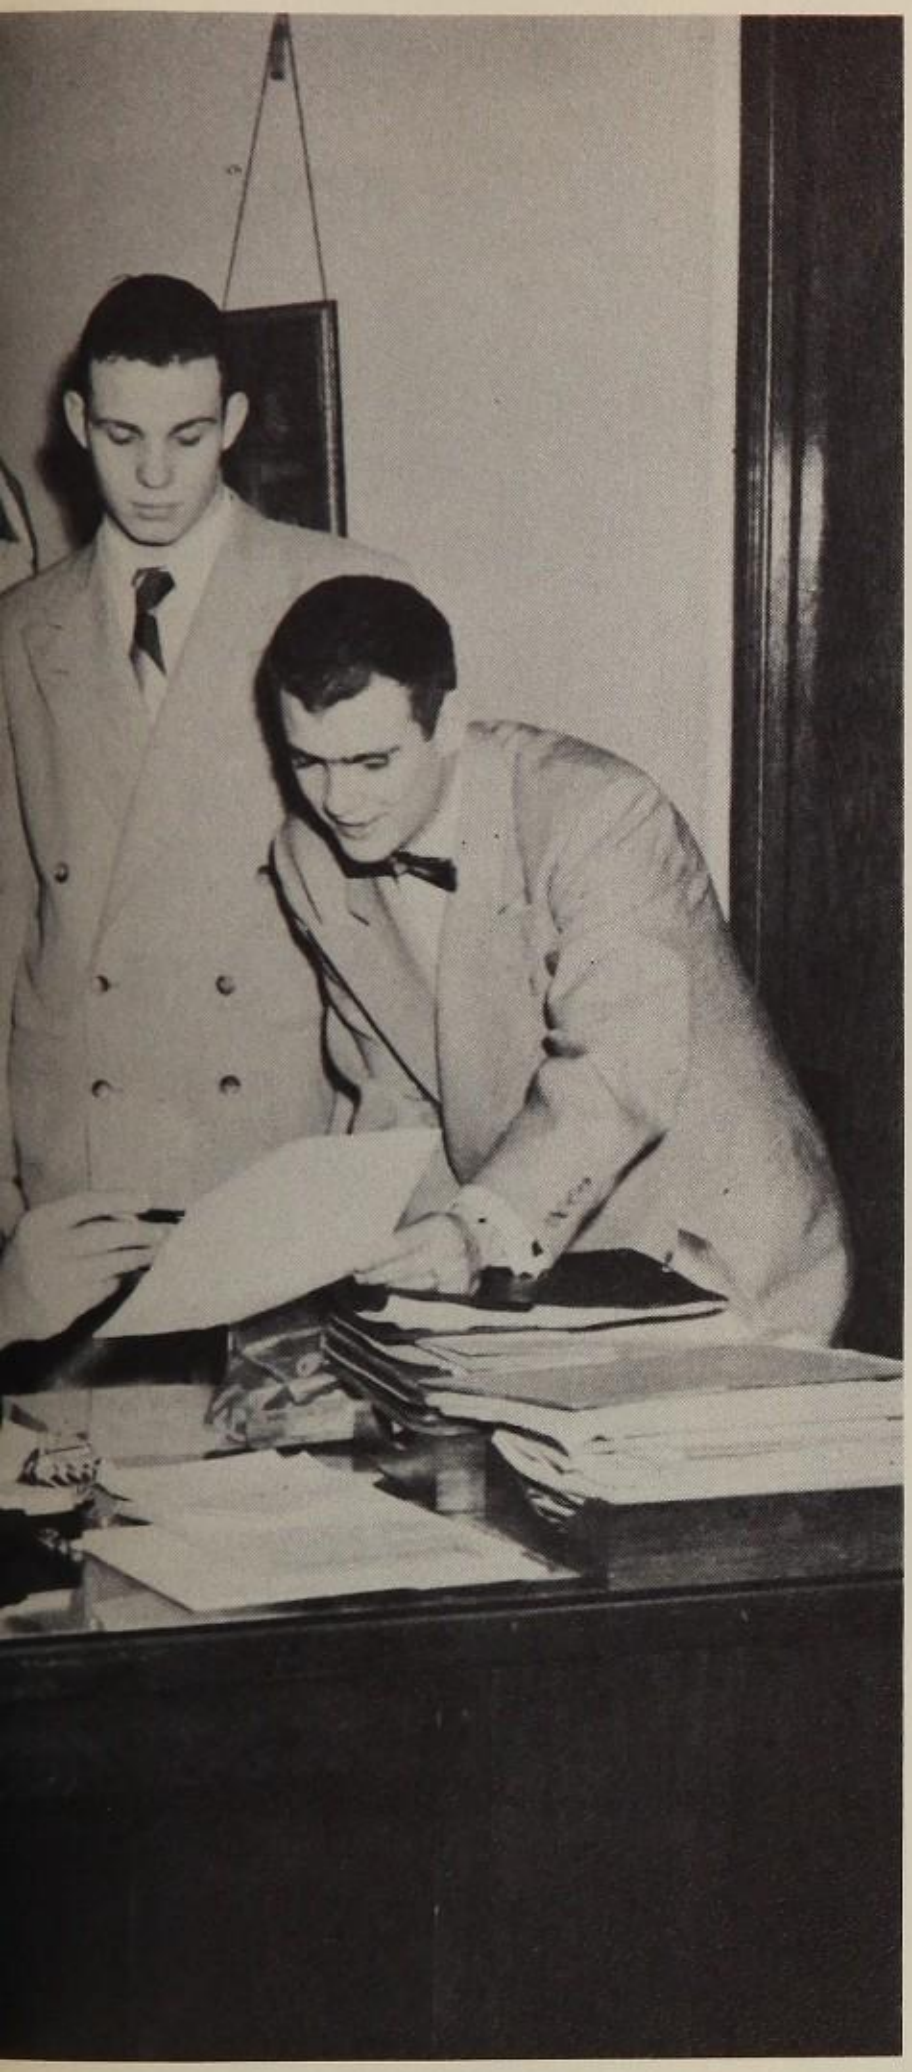
Senior Class

of 1953

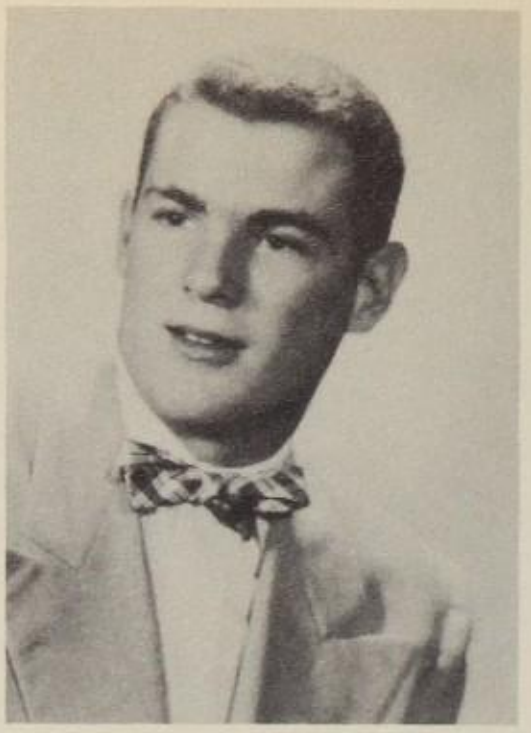
Senior officers confer with Fr. McKenney.
Keelan, Fr. McKenney, Laub, Griffith, Harrington.



Here begins the parade of seniors — the men who have spent their last four years here at Marquette trying to advance and follow Christ, our King. The other pages in the book will tell you something of the activities through which this growth materialized. This section we reserve to do a little pardonable boasting about each other. Where we have succeeded, we thank God, and promise to continue our efforts. Where we have failed, we ask His help and guidance, and resolve to do better.

Some of us have been in a lot of activities, some in few. All of us have labored to increase and develop in ourselves the wisdom, maturity and grace of God that our state calls for. May our parents and teachers find something in us all to be proud of. May the underclassmen find something to emulate. May future generations of Marquetters make as great and greater strides toward the heavenly goal.

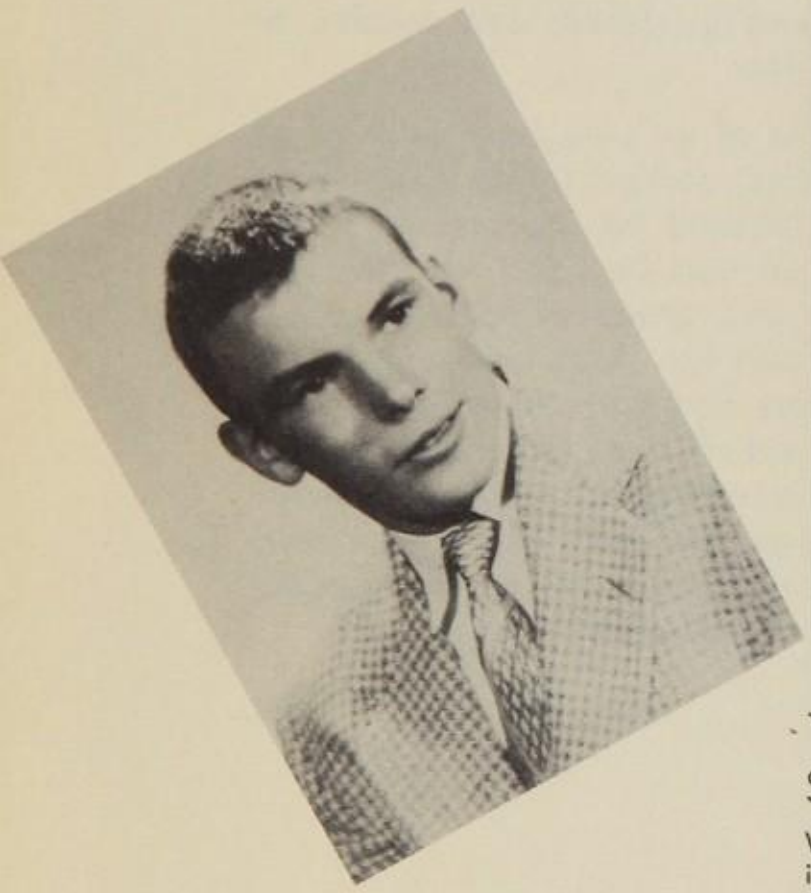
Senior Officers



Timothy J. Harrington

St. Sebastian

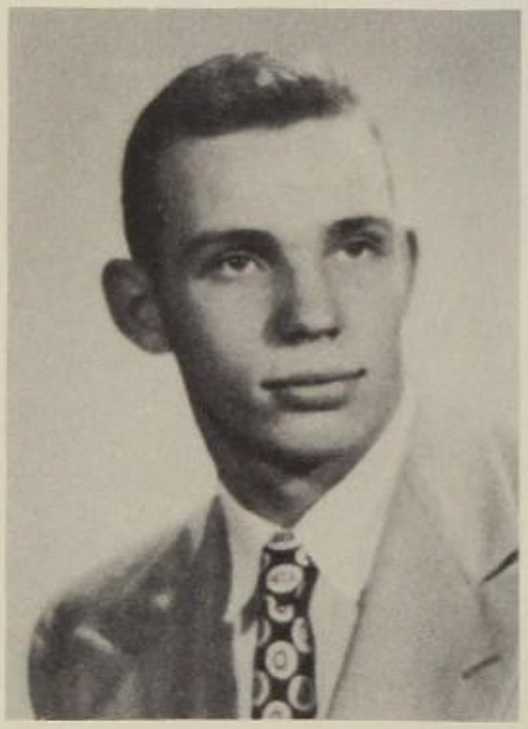
Tim's overwhelming popularity elected him the president of the senior class. He was a class officer all four years, and a four year sodalist. He contributed to the Flambeau Monthly, the Cartoonist Club, and the Booster Club in the senior year. He was a member of the MH Club for three years, and was a star on the Track Team all four. He played frosh football, then three years of varsity, being selected on the all-conference teams in '52; also a boxer in freshman year and in the Ski Club all four. Need more be said?



Donald R. Laub

St. Robert

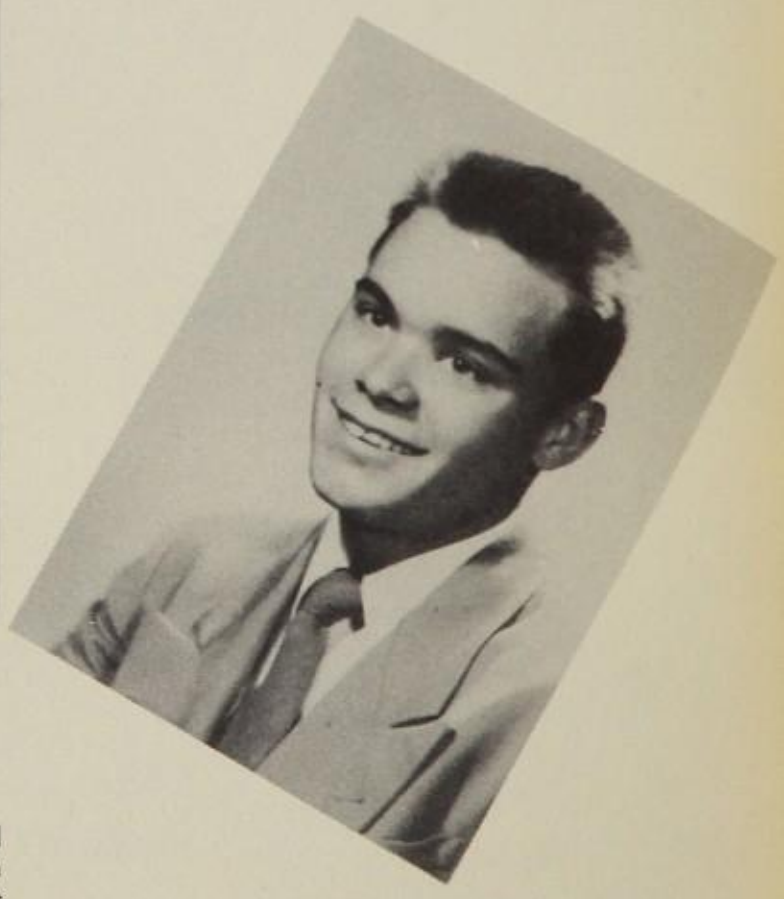
Don climaxed his stay here at Marquette by being elected treasurer of the entire senior class after four years as a class officer. Don's chief claim to fame was his hard fighting both on the gridiron and in the ring. In addition to athletics Rudy was a consistent first honors man, and rounded out his long list of activities by participation in the Sodality, Acolytes, and the Physics Club.



William C. Griffith

St. Robert

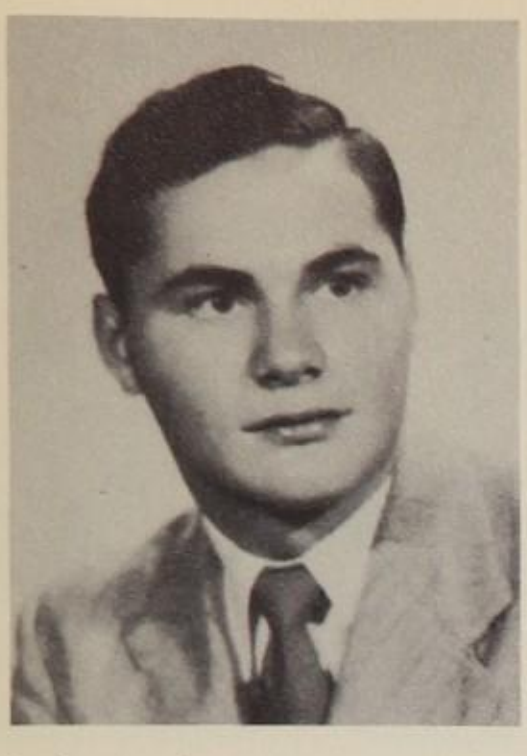
Vice-president of the senior class, Bill in his own humble way, must lay claim to one of the finest all-round records at Marquette High. He played frosh football and basketball, B-team football, and in his junior and senior years was a star tackle on the varsity squad. His efforts on the gridiron were rewarded by all-conference honors. He also was a three year member of the M.H. club, a four year class officer, and a member of the Boosters as a senior.



Michael H. Keelan

Christ King

Mike's dynamic personality and athletic prowess brought him the office of class secretary. His accurate passing and all around play produced many of Marquette's touchdowns. Besides four years of rugged football, Mike can boast of four successful seasons on the basketball court. A class officer all the way through, Sodality officer, and two year MH club member made him a natural for the Boosters. All this went with consistent honors in his studies, and an excellent record for cooperation.

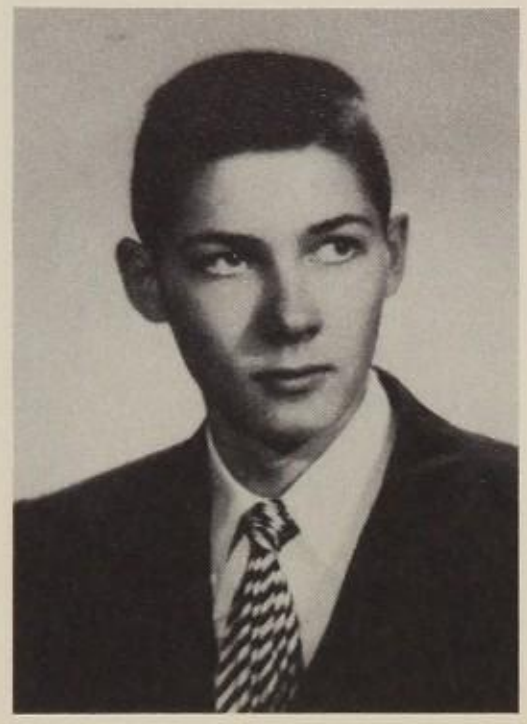


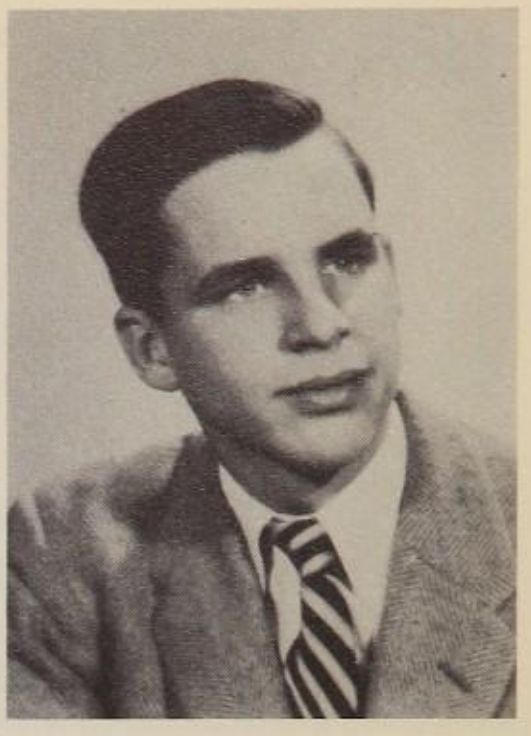
John L. Austin
St. Robert

In his three years here, Jack contributed his efforts to a variety of activities. He was a two year member of the Prep Players, an active sodalist, and in his sophomore year joined the ranks of the class officers.

Joseph C. Barnett
St. Jude

Joe has made himself known through these past four years by his various activities. He was an acolyte and sodalist for four years, and sacristan during his sophomore year. His senior year he was an honor member of Mr. Schmitz' Commercial Club.





Walter W. Beck
SS. Peter & Paul

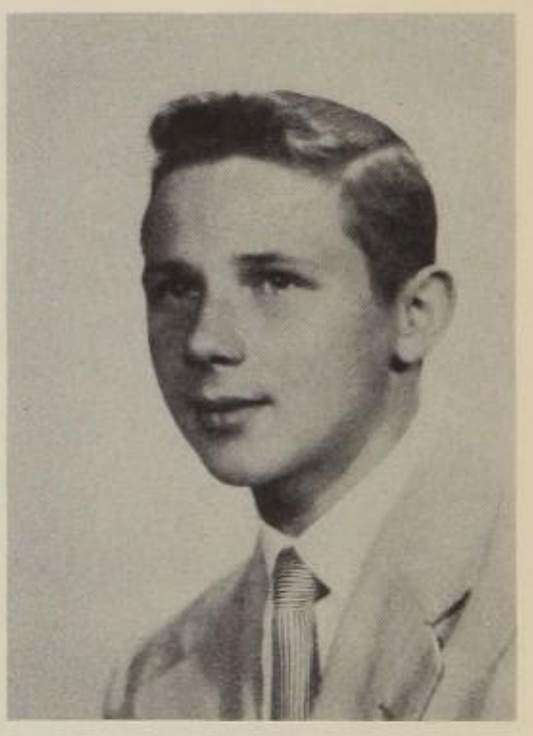
Walt confined himself to the Physics Club in the line of activities.

Robert G. Bendykowski
St. Thomas

Studying was Bob's main interest here at Marquette, and his record proves it. A consistent first honors man, he has written for the Dawn Page of the Flambeau Monthly, and was a member of the Camera and Physics Clubs. He also performed very creditably on the piano for the '52 variety show.

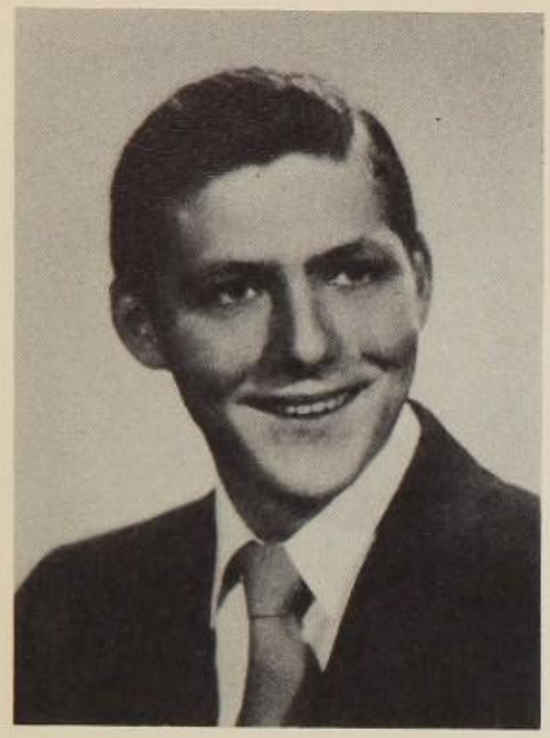
Thomas C. Bergman
Mother of Good Counsel

A well liked and friendly fellow, his many friends respected Tom enough to choose him as a three year class officer.



James E. Bielawa
Holy Redeemer

A four year sodalist, plus duties in the Mission Club, the Cartoonists' Guild, and the Ski Club kept Jim on his toes while here at Marquette.

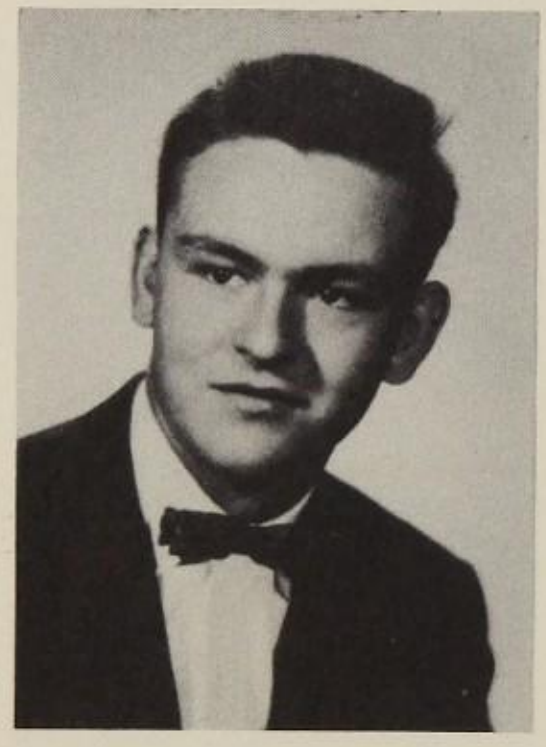


Robert E. Blong
St. Agnes

Always a good friend and cheerful companion, Bob's claim to fame lay in his books and his bowling. His scholastic efforts made him a steady member of the honor roll and his hours of practice made him a "champion" bowler. Bob also devoted two years to the Sodality.

Dexter D. Bodenbach
St. Bernard

Dexter was a rather quiet fellow, and everybody's friend. His main interests were cars and science. He was a member of Physics Club in junior year, and president in senior year.



John P. Botsch
Christ King

Jack's personality and love of fun got him a sophomore class officership. He was a sodalist as a freshman.

Thomas A. Braun
St. Aloysius

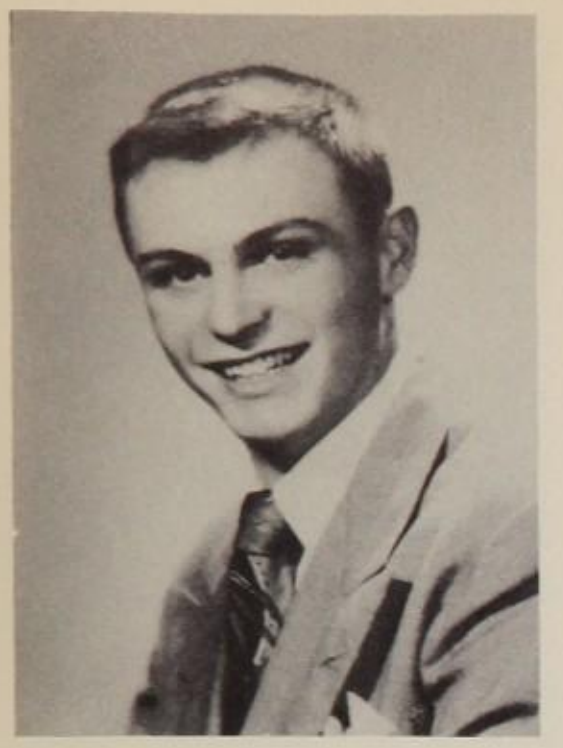
A B-Team football player in sophomore year, and a three year sodalist, were Tom's main activities. He also participated in the Hearst History Contest in sophomore year.

Duane C. Brophy
St. Sebastian

A well-liked and respected fellow, Duane found little time for activities. He was, however, a member of the Ski Club and a sodalist in freshman and sophomore year.

Paul J. Bucher
St. Agnes

Paul's quiet manners made him well-liked at Marquette. He was a sodalist in his first two years, a faithful sacristan, and a class officer in sophomore year.



Dennis L. Buckett

SS. Cyril & Methodius

Dennis was truly an athlete during his four years at Marquette. He was a three year varsity football player, played frosh football, and was a point winner for Mr. Garrot's track team and holder of a dash record. He was also a four year band member, a three year sodalist, a two year boxer, and a sodality officer in freshman and sophomore years.

Robert W. Burton

St. Elizabeth

Most of Bob's efforts were on the books. However, he was a sacristan in Freshman year, and member of the Camera Club, Physics Club, and Commercial Club in his senior year.

Patrick J. Byrnes

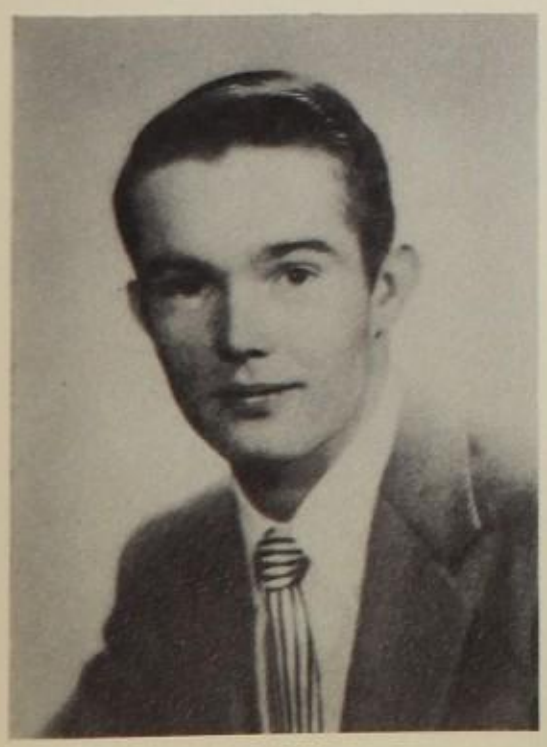
St. Bernard

Pat kept us happy in Greek classes in between his activities. He was a member of the Sodality for four years, and also a four year acolyte. His three years in the Prep Players and a year on the Flambeau Staff rounded out Pat's extra-curricular program.

John J. Cahill

St. Monica

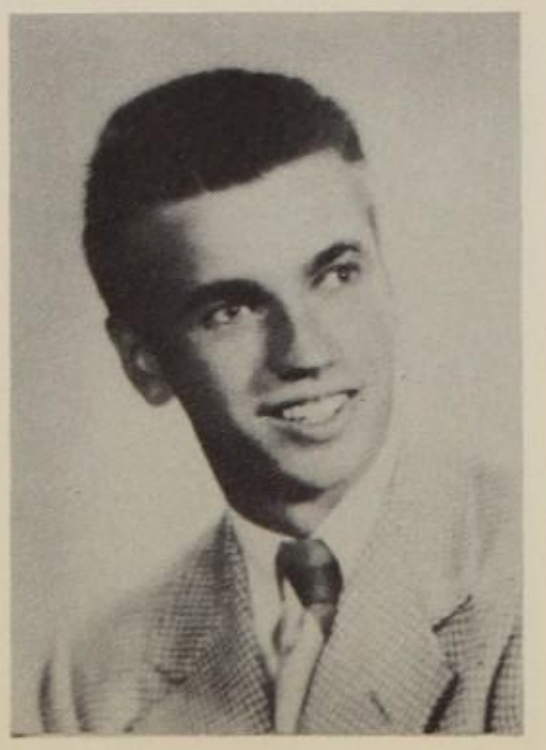
Johnny transferred to Marquette High from New York in his senior year. He quickly became very well known to the seniors, and is now "one of the flock."

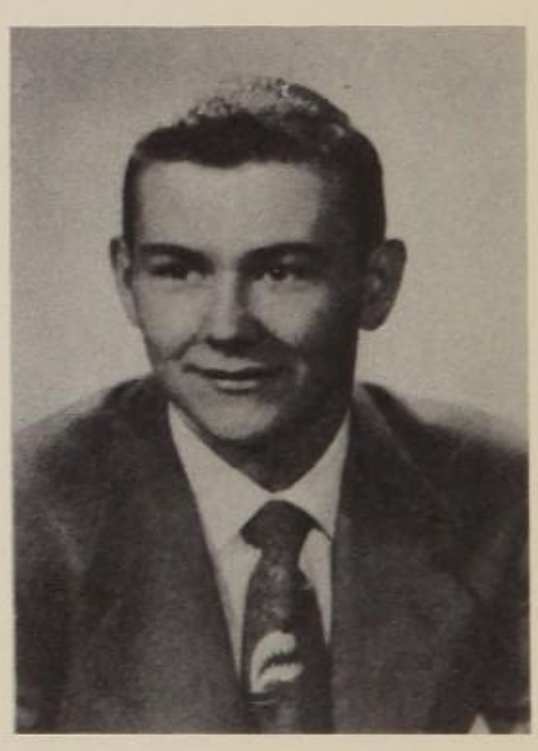


John C. Cajski

Blessed Sacrament

John gave his services to the Flambeau Monthly staff, and was a faithful acolyte for two years. He took part in the Sodality projects his first three years and spent most of his last two years studying the Classical Course.





John C. Callahan

St. Jude

An extremely popular fellow, John's main interest was the "beautiful outdoors," especially in the winter time. He was a member of the Ski Club for four years, played freshman football, and was a class officer in freshman and sophomore year.

James W. Caro
St. Robert

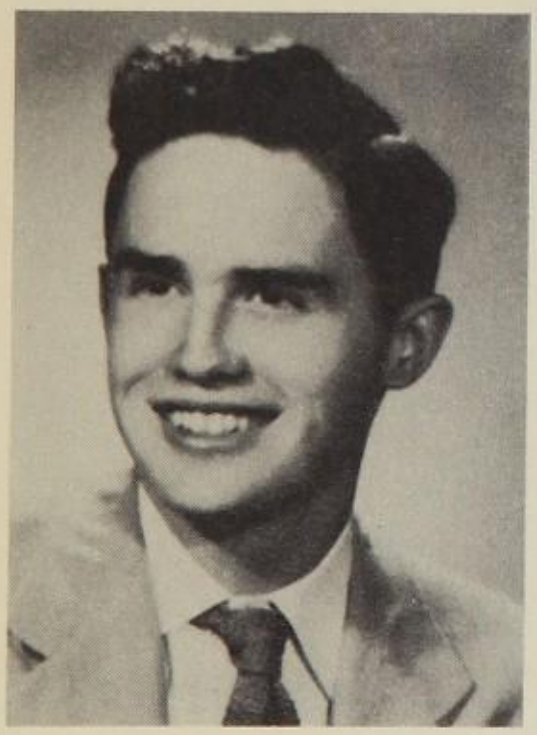
Jim leaves Marquette with a fine scholastic record behind him. A consistent honors man . . . four year Webster . . . Hearst History winner in his sophomore and junior years . . . business manager of the Flambeau Monthly in his senior year. He also did a good job with the current events quiz team in senior year.

John B. Casper
Holy Apostles

John was a most busy man during his stay at Marquette. He was a class officer in freshman year, and a two year sodalist. He played frosh football, and B-team football in sophomore year.

Jay E. Clark
St. Jude

Although he did not spend too much time in extra-curricular activities, Jay found time for four years in the Sodality, was also a class officer in freshman year. He was most helpful and generous with his time for anyone needing odd jobs done.

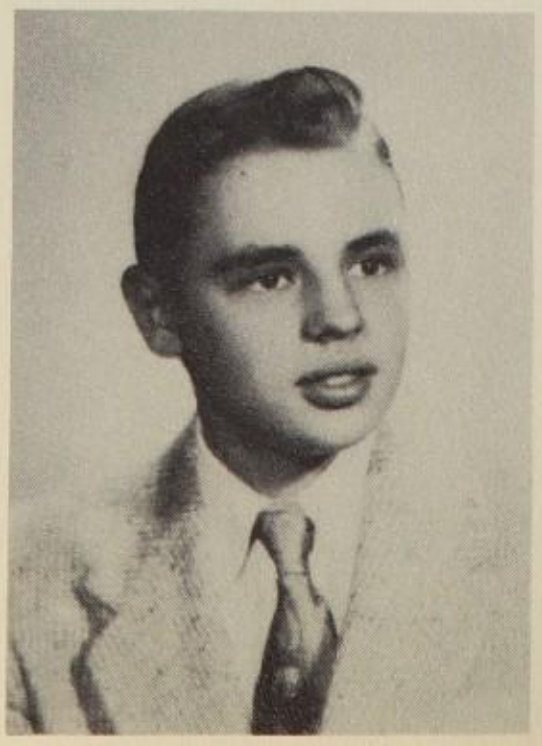


Patrick J. Clark
St. Rose

Pat, though very quiet and studious, always had a kind word for everyone he met. He was a faithful member of the acolytes for four years, and also was a sodalist for the same time. He was a helpful member of Fr. Padberg's choir for his first three years.

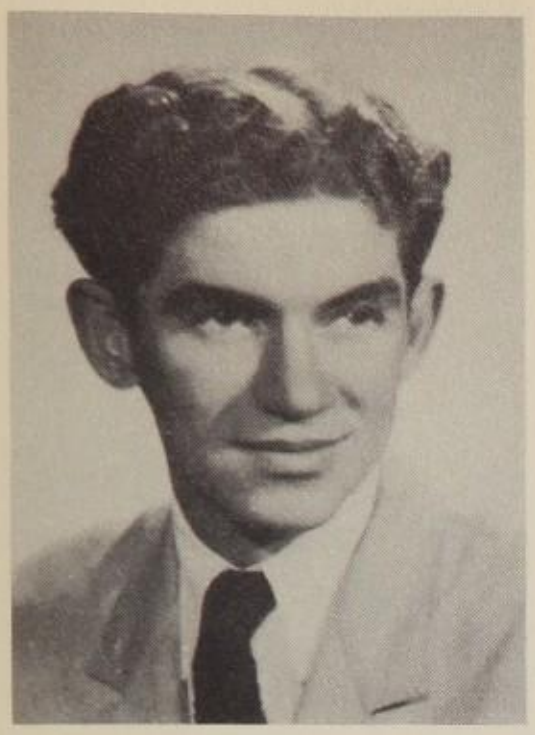
Ronald D. Cody
Blessed Sacrament

Speech work was Ron's main pursuit here at Marquette. His efforts in humorous declamation won the Webster Club a trophy when Ron was a sophomore. Intrascholastically he competed in the elocution and oratory contests all four years.



Thomas J. Coffey
St. Jude

In his four years "Tucker" attached himself to a wide variety of activities. First and foremost was perhaps his work on the Yearbook of which he was the copy editor in his senior year. He was a three year sodalist . . . two year Prep Player . . . member of the Kilmers and a member of the Ski Club in his junior and senior years.



Peter M. Coleman

St. Rose

Peter was a two year sodalist, and a regular acolyte. He played football in Freshman year.

Sebastian L. Colla

St. Rita

Hitting the books hard proved most valuable to Sebastian, as his record will show. He was a sodalist in freshman year, a regular fellow, and well liked by his classmates.

David A. Cook

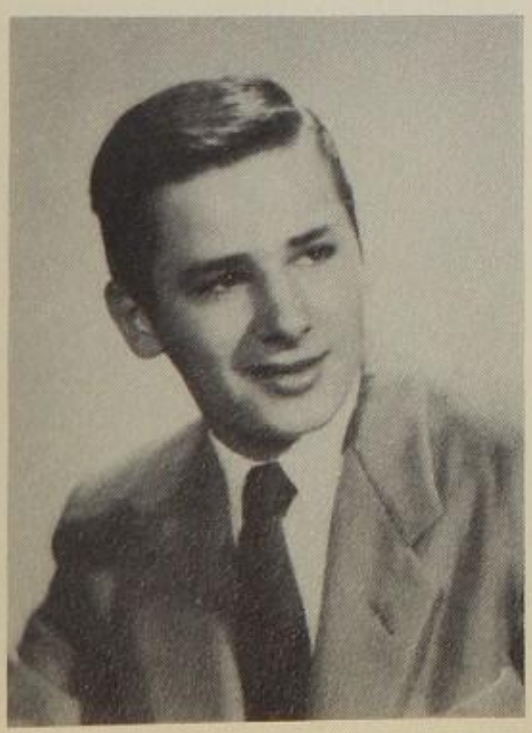
Mother of Good Counsel

Dave was a late comer to MUHS, but managed to get into a lot while he was here. Our morning announcer was a fine orator for the Websters, did some excellent debating in junior year, was on one of our winning current events quiz teams, and was an administrative assistant for the Ptolemaniacs. All this didn't stop him from carrying consistent second honors in his studies.

Frank T. Crivello

St. Sebastian

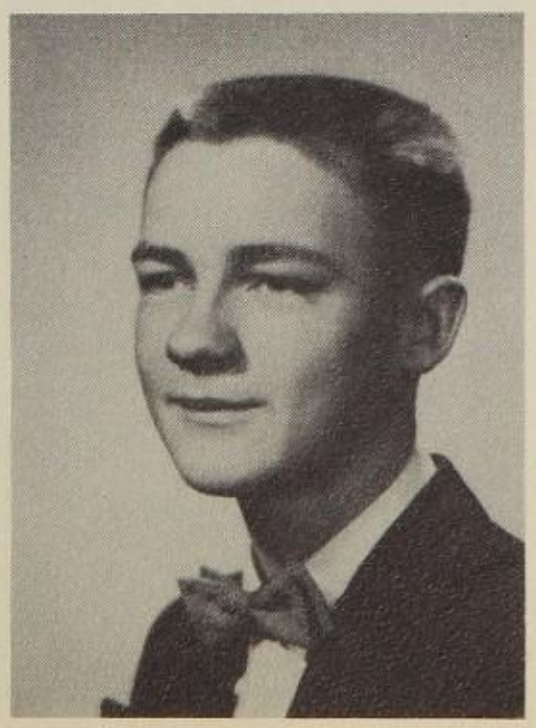
One of the "local jokesters," Frank was famous for his undying humor. On the serious side, he gave some of his efforts to the Sodality and acolytes for his four years . . . was a two year class officer.

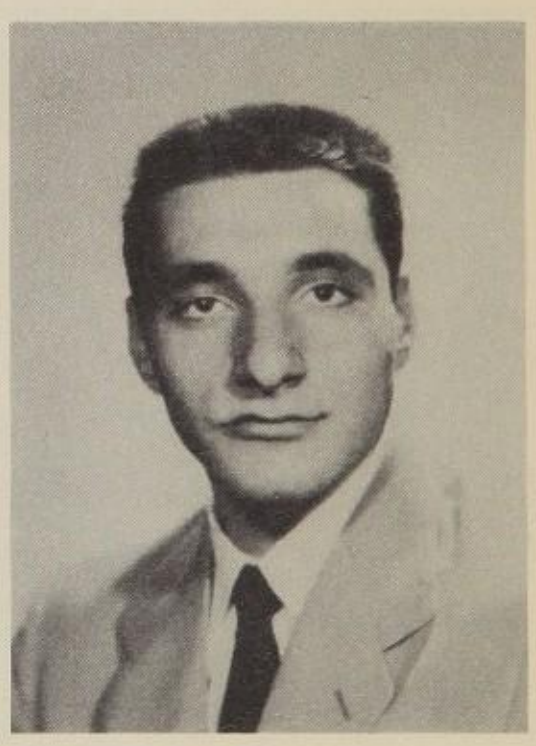


Thomas R. Daly

St. Robert

Tom gave his efforts to the Golf team for three years, and frosh football in the sport line. He was a two year sodalist, and a band member as a freshman, a Variety Show personality in addition to working on the cafeteria staff.





Paul F. D'Amore

SS. Peter & Paul

Paul was famous far and wide for his sense of humor. While in a serious mood, he lent his talents to the choir as a freshman and the Sodality for two years, he also did a fine job on the books, as his record will attest.

Lawrence G. Deysach
Christ King

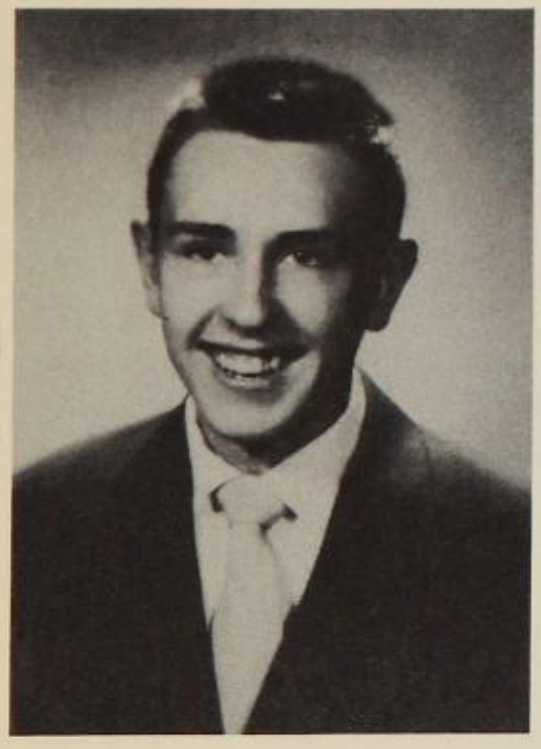
Larry's intelligence brought him fame, far and wide. He was an alternate delegate in the Junior Academy of Science and also received an honorable mention in the Westinghouse Science Contest. He was a member of the Camera and Physics Clubs, being the latter's president in his junior year. He was also an active sodalist and a member of the Flambeau Monthly staff. A consistent first honors man, many times taking first place on the honor list.

Ronald J. Dietz
St. Pius

Between his job and his studies, Ron didn't have much time for activities; however, the organizations which he did join benefited much from his helpful hand. He was in the Sodality for three years.

Thomas W. Dobrient
St. Robert

Smiling Tom was an all-round athlete — four year Ski Club member, B-team basketball in third year, tennis for two years, and a real stalwart on the line for the varsity football team. A three year letter man, Tom was also on the Boosters where he gave faithful service.



John C. Donahue
St. Monica

John lent much of his time to both the religious and athletic activities. He was a member of the Sodality and a three year acolyte. In his freshman and sophomore years he was on the track and cross-country teams.

Jerry J. Donohue
Mother of Good Counsel

Jerry was a four year sodalist and a two year acolyte. In addition, he gave his enthusiastic efforts to the Golf team during his third and fourth years. His sense of humor brought him many friends.

John A. Drzycimski

Charles J. Rothweiler

St. Robert

Chuck has been the wandering type, but has always ended up at Marquette. He spent his entire senior year with us and renewed many old friendships. He was more serious during his last year, but his pleasing smile was always present.

Gerald A. Ryan

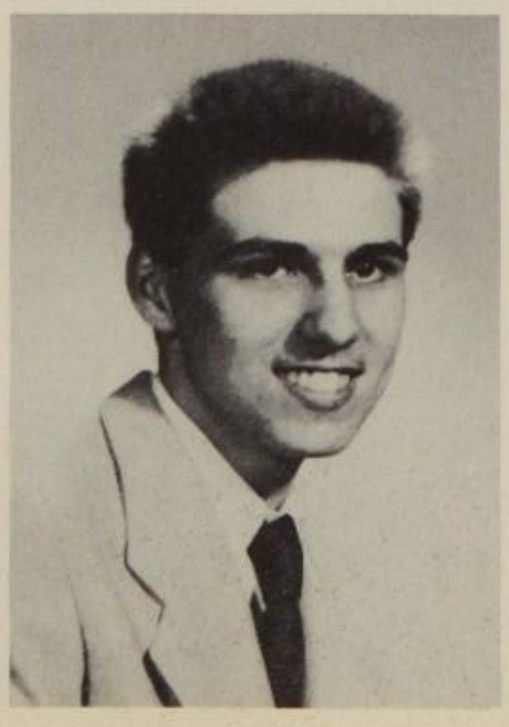
SS. Peter and Paul

Jerry played football in freshman year and was also a member of Fr. Padberg's Choir. In senior year he was a boxer.

Michael V. Sansone

St. Rita

The man with the books seems to signify Mike, as he always carried a large number of them wherever he went. Frosh football, Sodality, and two years participation in the Hearst History Contest certainly kept him busy.



Thomas A. Schiek

Holy Ghost

His tremendous popularity made Tom a class officer during his first three years at Marquette. Tom played football all four years and in his senior year received recognition on the all-conference second teams of the Milwaukee papers. Tom was also very active in the Sodality, being elected an officer all four years. He was also an enthusiastic Booster.

Francis P. Schilter
St. Catherine

Frank found little time for activities. A class officer in freshman year, he also played frosh football. He was very good company around school and in the pick-up basketball games.

Thomas N. Schloemer
Mother of Good Counsel

Tom, one of 4-5's bright lights, is known around Marquette as a pleasant fellow. All four years he contributed to the Sodality and the Acolytes . . . a class officer in both freshman and junior year . . . a Kilmer and a Physics Club enthusiast as a junior . . . another member of the Annual staff who bore the difficulties with a smile.

James A. Schmidt
St. Matthew

Jim came to his true school only during his senior year. Although a transfer from Hartford High and a stranger to Milwaukee, he has developed many fine friendships during his brief stay.

Jerald H. Schmitt
St. Robert

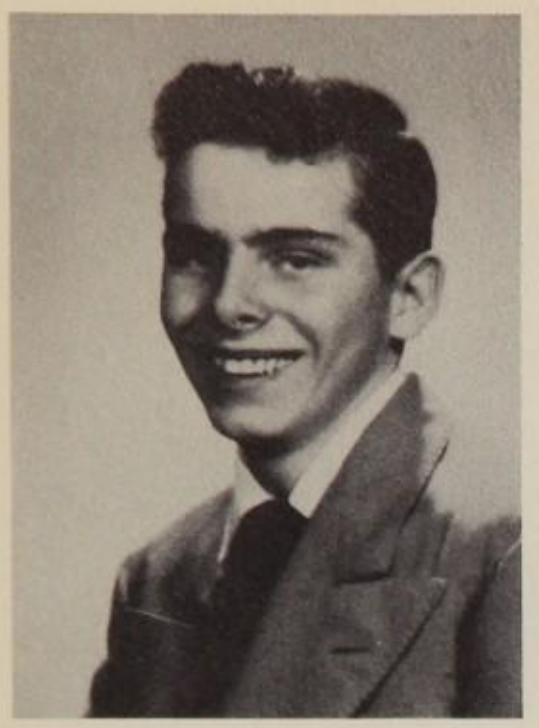
An excellent student, Jerry surprisingly found time for many school activities. A four year acolyte and three year Choir member, he was a member of the Ptolemaniac's, Flambeau Monthly and the variety show staff in his third and fourth years. He was a sodalist as a freshman, and a Yearbook worker in his senior year.

Nicholas J. Schneider
Sacred Heart

Nick was too busy with outside jobs to participate in many activities. He devoted much time to studying, but he was never without a joke to enliven a class.

George J. Schober
St. Matthias

George was so well liked when he came to Marquette that he was elected class president. His popularity has never declined, always winning new friends with his pleasant smile.



James J. Schoshinski

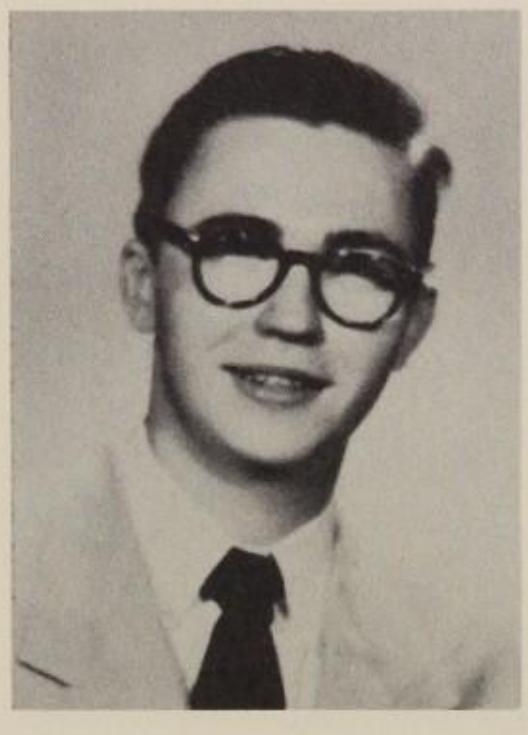
Visitation, B. V. M.

The long trek to the west kept Jim out of a lot of activities, but his constant smile and appreciative humor made their mark. He played frosh football and took a crack at the Ski Club during his senior year.

Edward R. Schoultz

Holy Angels

Ed lent his musical talent unsparingly to the band for four years. While not blowing away on his French horn he gave his time and effort to the Sodality, as a senior and the Hearst History Contest as a sophomore.



Charles F. Schroeder

Holy Assumption

Mr. Sports Editor . . . Chuck's excellent writing and keen interest in sports earned him this title. He also gave his time to the Sodality for four years and the Acolytes for three years.

Richard C. Schroeder

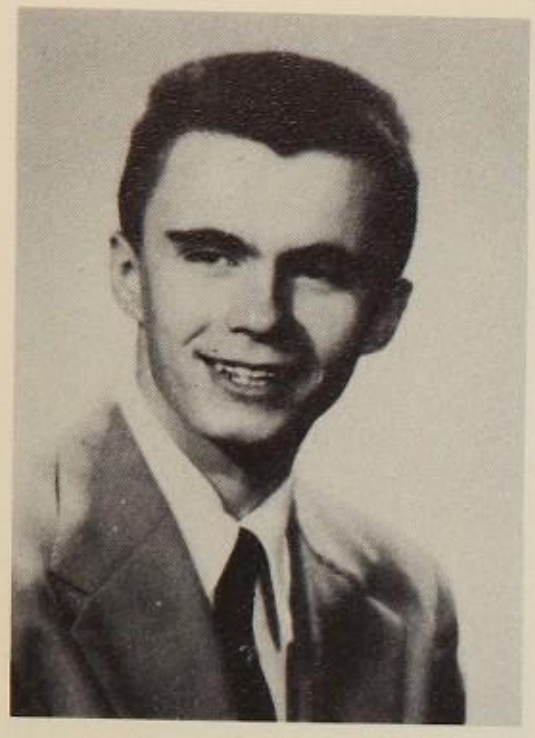
Holy Angels

Dick was known for his great sense of humor while at Marquette. As a frosh he was a member of the football team and a class officer. He was a B-team football player as a junior.

Jerome W. Schwartz

Visitation, B. V. M.

A four year sodalist, Jerry spent his third and fourth years as a mainstay of the golf team. As a sophomore he was a Webster, a class officer and a Choir member. In his junior and senior years, Jerry added his efforts to the cheerleaders and the Ski Club.



Cullen R. Schwemer
St. Monica

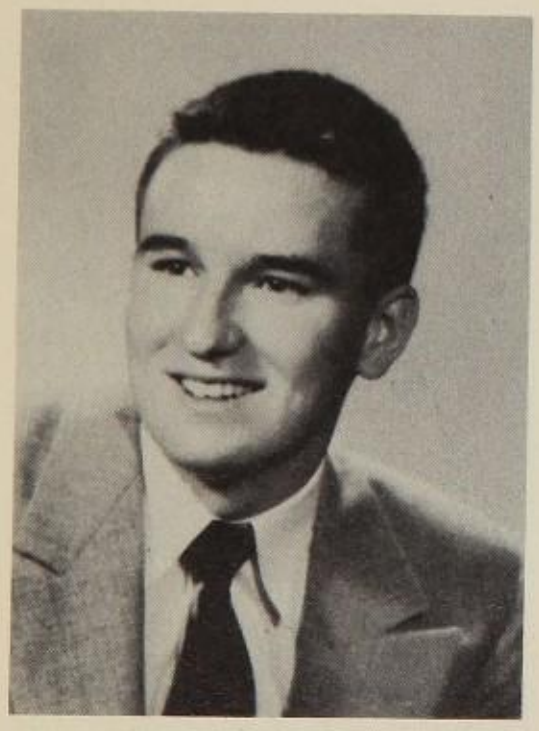
Here is one of the two men responsible for this book, for better or worse. Among his many activities, the organization and production of the '53 Flambeau was the heaviest. He was also a Booster, a two year track man, he played frosh football, was a four year sodalist and honor student, and kept us all on the edge of our seats wondering what question he was going to think up next. Has Plato met his match?

David J. Sebastian
St. Sebastian

Dave's leanings were principally athletic. As a freshman he played football and basketball. During sophomore and junior year he ably held down a spot on the B basketball team.

Clark W. Shannon
Christ King

Clark was quite busy with outside interests which left little time for school activities.

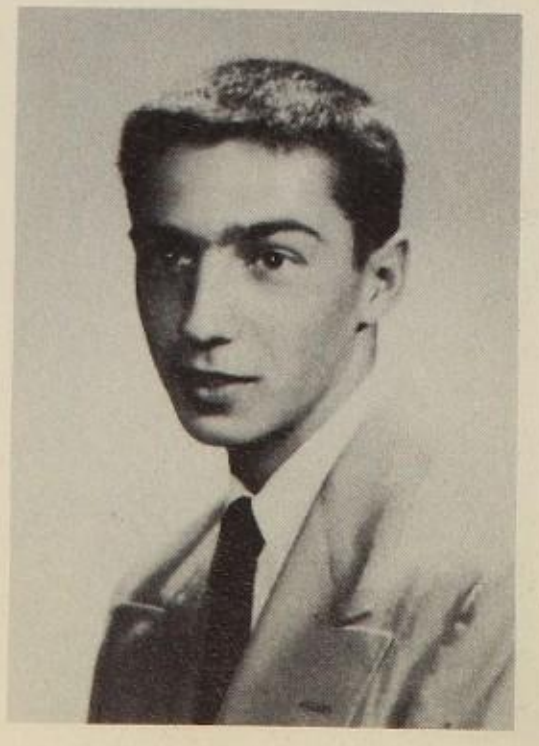


William J. Shinners
St. Jude

Quiet, but with definite talents both in basketball and scholastic work: that stood for lanky Bill. After a successful year on the frosh basketball team, he became the mainstay of the B basketball team in his sophomore and junior year. He was a consistent first honors man and proved to be a popular fellow his first year by being chosen an officer.

Donald J. Sisolak
St. Rose

Don has distinguished himself honorably as a pugilist during his four year stay here at Marquette. He also found time in a busy schedule during freshman year to enter the elocution contest and attained the final rounds. His dry humor has made him a companion to many.



Raymond E. Slania
St. Sebastian

Ray spent four years on the football team. His fine work at tackle was one of the reasons the team was undefeated during his three years on the varsity. Ray joined the Sodality and Acolytes as a frosh and the MH Club as a junior and senior.

John G. Slater
St. Robert

John spent his free time in many ways during his four year stay here. He was a sodalist and an acolyte during his first two years, a Webster as a freshman, a Physics Club member during his last two years. John also played football his junior year.

Thomas R. Smeeton
Mother of Good Counsel

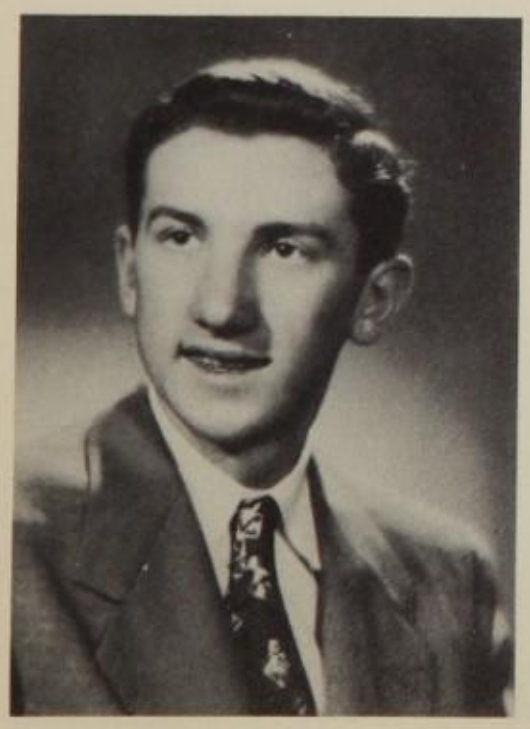
Tom has tried to get the most out of his high school years by studying to the best of his ability. It was a rare occasion to see him without a book of some type or other. His pleasing smile and calm appearance have made him a friend to many.

Thomas J. Snyder
St. Agnes

Many of the senior writeups in this book are a tribute to Tom's ingenuity and wit. An outstanding Prep Player for three years, he also was a four year sodalist and server, member of the Monthly Staff for two years, energetic member of the Science and Kilmer Clubs, and a Booster in his senior year.

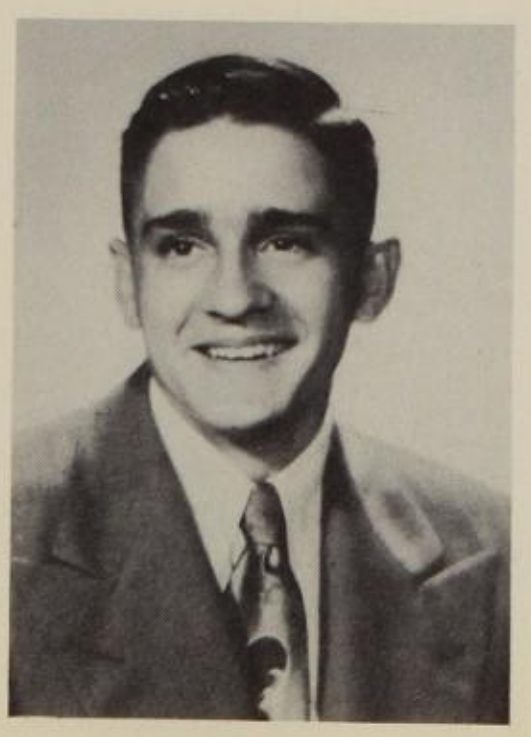
Michael R. Stadler
Christ King

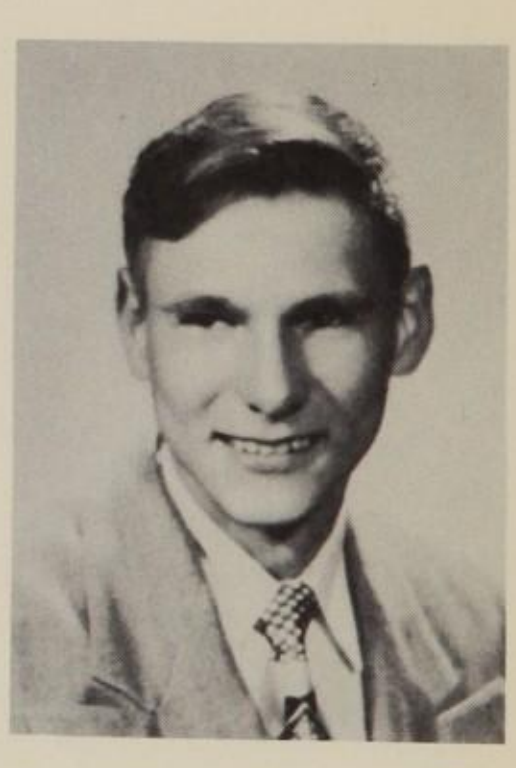
Mike found little time for activities while at Marquette. He was a member of the Sodality as a freshman and sophomore and joined the CSMC as a junior and senior.



Jerome E. Stauber
St. Agnes

When not pounding away at the books Jerry found time to lend his talents to the Sodality and Kilmers in his junior year and the Acolytes for his last two years.





Anthony J. Steffek
Holy Angels

Tony was the type of man who did one thing and did it well. For four years his excellent playing of the French horn aided the band considerably. He was also a sodalist as a senior.

Thomas P. Stell

St. Sebastian

Football for four years and being a letter man for two years well attested Tom's ability. He was, besides this, a class officer for three years, and a variety show man.

Reinhard J. Sternemann

St. Catherine

Here is the other of our Yearbook co-editors. Many an evening, Saturday, and freeday were put in by Reinie on this volume. His other activities included three years with the Ptolemaniacs, service with the Boosters, two years with the variety shows, and an officer's post in his senior year. All this did not keep him from staying on the honor rolls all the way through.

Paul G. Sullivan

St. Monica

In his four years here at Marquette, Sully was a class officer the first three, and a Sodality officer all four. He climaxed his stay here by being elected president of the Boosters, and co-prefect and S.U.M.A. representative of the Sodality.

Anthony J. Suminski

St. Hedwig

Tony's smile and sense of humor was known throughout the school. They helped gain him a job as a class officer in his first two years and as a Sodality officer as a junior. In addition he gave his efforts to the track team as a sophomore.

Walter J. Swietlik

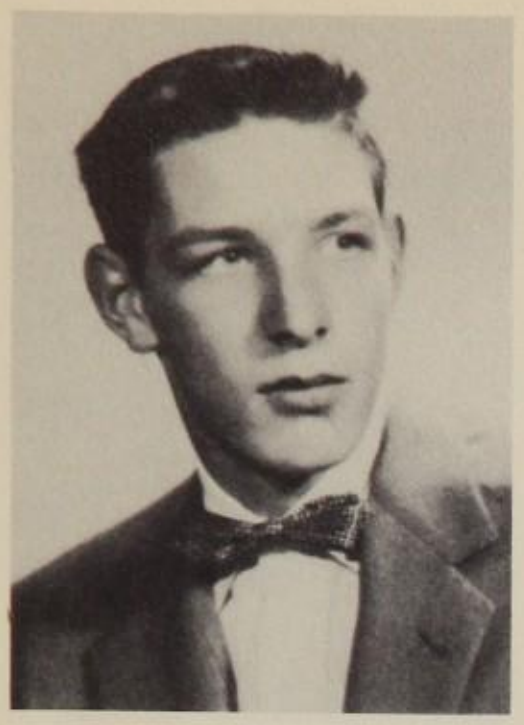
St. Robert

Walter lent his talents to many activities while at Marquette. He was a four year sodalist and acolyte. He played frosh football, wrote for the Flambeau Monthly during his last two years, and was a member of the Kilmers and Boosters as a senior. He was also a Webster for four years, and in his sophomore year took first place in the Midwest Catholic Junior Oratory Contest.

Philip M. Tallmadge

St. Bernard

Phil's greatest claim to fame at Marquette was as one of the finest centers our football team has had. In addition to his four years at football, Phil was in the MH Club as a junior and senior, a class officer as a junior, and an acolyte as a senior.



Richard M. Tallmadge

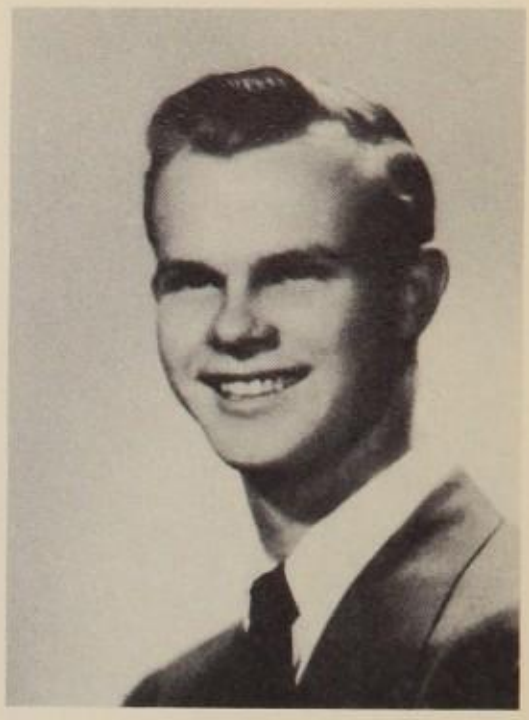
St. Bernard

Dick, the other of the famous Tallmadge twins, was an excellent end for four years on the Marquette football team, a member of the M-H Club, and an acolyte as a senior.

James B. Tehan

Gesu

Although a little on the quiet side, Jim nevertheless was liked by all who knew him. His pleasant disposition made him very easy to get along with. In his fourth year he entered the Hearst American History Contest.



Richard A. Teletzke

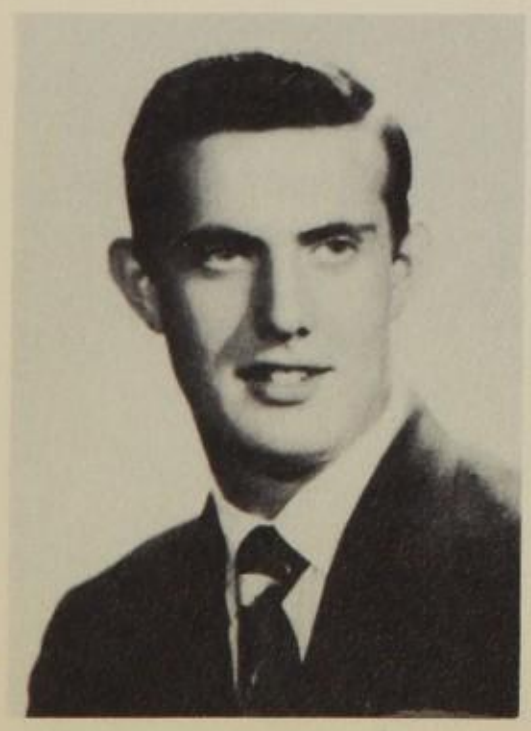
St. Sebastian

Dick's radiant personality made itself felt throughout the school, and particularly in the senior class. The frosh football team availed itself of his services, as it went through the 1949 season undefeated.

James J. Treis

St. Bernard

Jim's sharp scoring eye and rebounding earned him a starting berth on this year's varsity basketball team. He played B-team basketball in sophomore year, and moved up to the varsity as a junior.



Paul J. Utschig

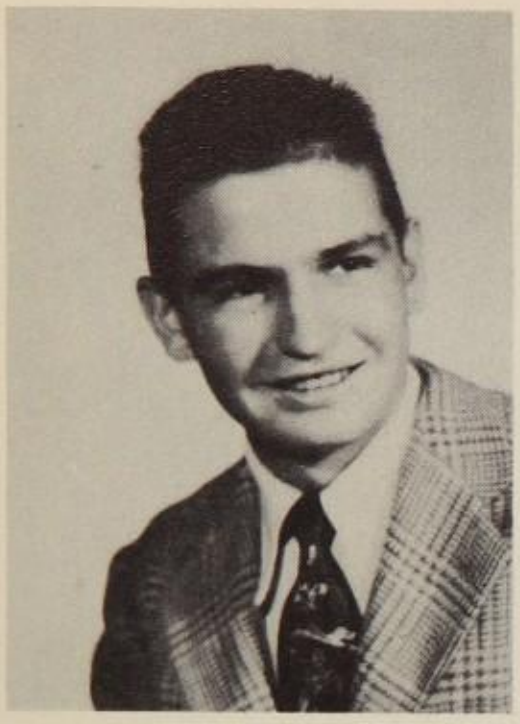
St. Thomas

Being a late-comer to Marquette, Paul's activities were somewhat limited. However, what he lacked in the way of activities, he soon made up in friends as many of the seniors will testify. He became a faithful sodalist.

William P. Verbeten

St. John De Nepomuc

Quiet and likeable, Bill was an ardent booster of all activities at Marquette. In his junior and senior years he devoted his time to the CSMC.

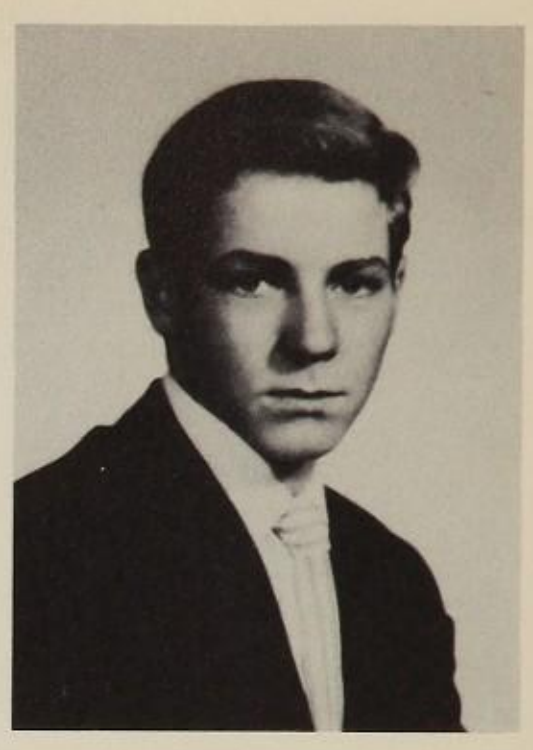


Eugene N. Volz
Mother of Good Counsel

Gene gave his all to three important activities at Marquette: the Sodality freshman and sophomore years, Acolytes all four years and was an excellent stand-by in a pinch for the golf team in junior and senior years. He held his marks up in the honor roll all four years.

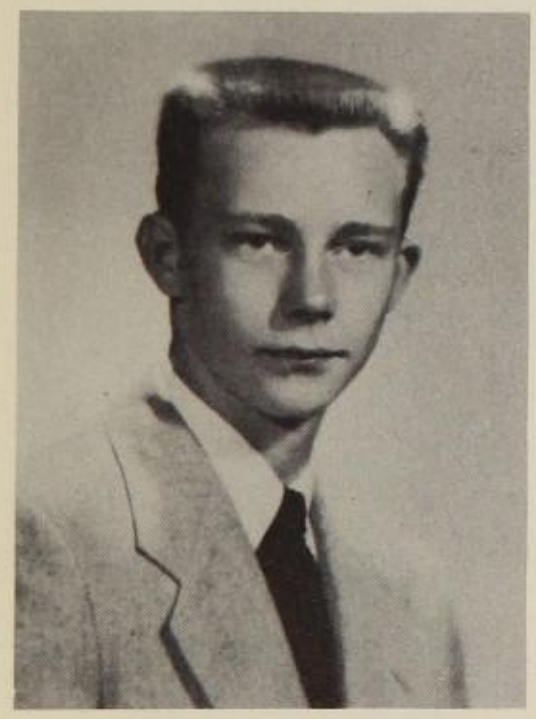
Donald R. Walkner
St. Jude

Don was one of those boys who seemed to do everything. His main efforts were as quarterback on our championship football team. He was a three year class officer, four year Ski Club member, boxer as a frosh and soph, B-team basketball player as a soph, MH club member in his last three years, acolyte in his second and third years, and as a senior he joined the cartoonists, cheerleaders, track team, and the Flambeau Yearbook staff.



Gerald J. Walsh
St. Sebastian

If you want to know anything about a car just ask Jerry. He and his "hot rod" Ford were known from one side of town to the other. While not working on his car Jerry found time to join the Sodality, Ski Club, and to be a class officer in his senior year.

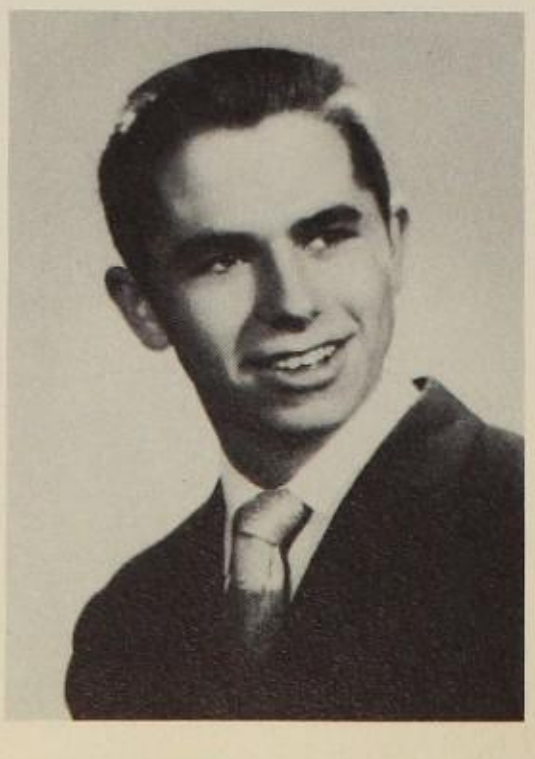


Richard L. Walsh
Christ King

Dick's good natured, fun loving spirit was well known at Marquette. He gave his ardent efforts to B-team basketball as a sophomore and junior, He was elected a class officer in his freshman and sophomore years.

John D. Walter
Holy Assumption

Happy, contented, and popular around the halls of MUHS, John always had a friendly greeting for one and all. While plugging away at the Latin-Modern Language Course, he also joined the Prep Players and was a four year acolyte.



Thomas V. Wambach
Mother of Perpetual Help

Besides being a consistent high honors winner, Tom gave his time to the Sodality and Choir as a sophomore and freshman, the Acolytes in his third and fourth years. Also he boxed as a freshman and joined the Physics Club as a junior. He was a class officer as a sophomore.

William H. Watry

St. Agnes

Bill's mighty power with the golf clubs helped the team greatly his last two years. The rest of his time he kept for studies and being a good all around fellow.

Thomas M. Wedemeyer

St. Augustine

Weed joined the Sodality in his second year, and labored for Mary's service for three years. In senior year he displayed his athletic ability as a member of the Ski Club.

James E. Weickert

St. Robert

Outside activities kept Jim from joining many of the functions around school, but it didn't keep him from making many friends. He played frosh football.

Conrad J. Werra

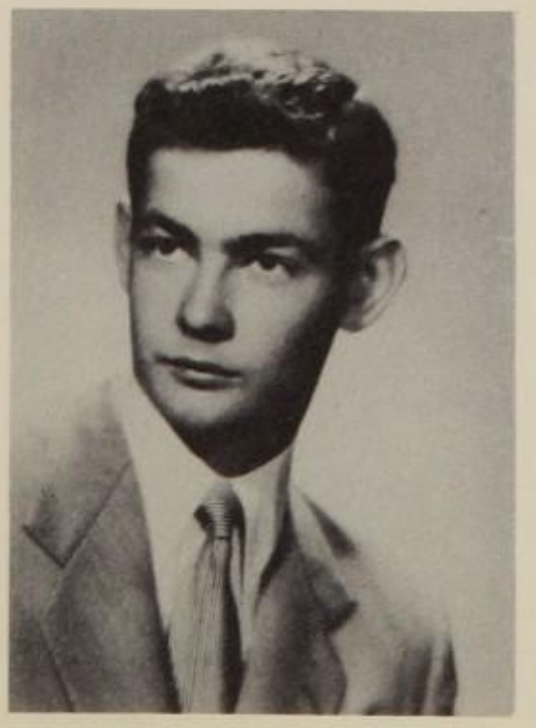
Christ King

Although Conrad was not a joiner, he did back many of the activities around school. His quiet living made him almost unnoticed, but not unliked, for he made many friends at Marquette.

Robert P. Wick

Christ King

Bob played frosh football, and was a member of the Commercial Club in senior year.



Robert T. Winings

Mother of Good Counsel

Bob's activities at Marquette were varied. A frosh football and basketball player, he played B-team basketball in second and third year, and B-team football third year, winning membership in the MH Club. A two year sodalist and Choir member, he was an acolyte for three years, a third year class officer, and wrote articles for the Flambeau Monthly.

Robert M. Winter

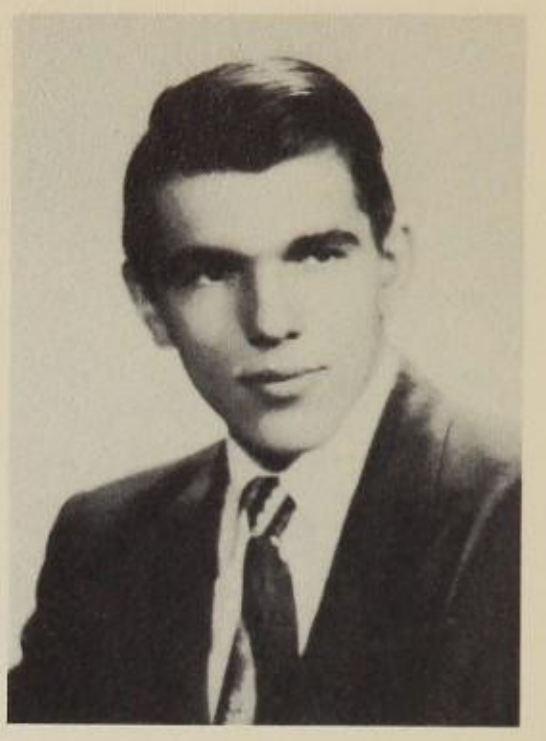
Mother of Good Counsel

Boxing was Bob's chief sideline. He was the undefeated lightweight champ during the '51-'52 season, also a Choir member in first year.

John P. Wirig

St. Catherine

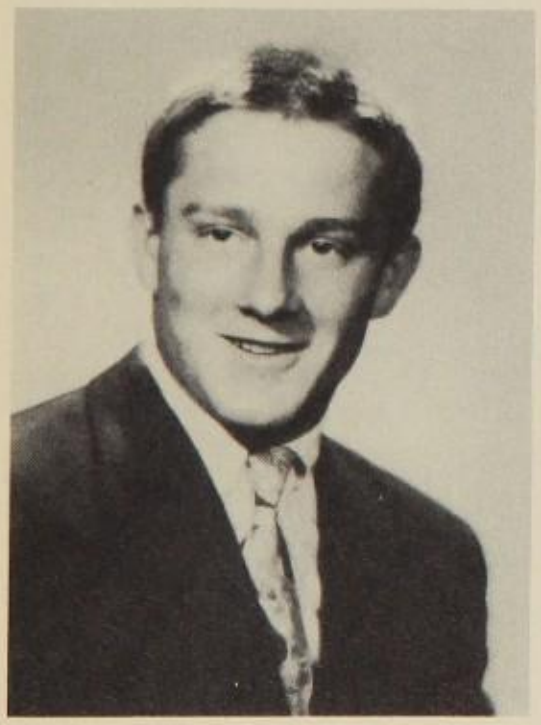
John was a four year sodalist, and his last two years he was an acolyte. In his senior year he spread his talents around by joining the Choir and the Camera Club.



Martin T. Wirth

Holy Redeemer

Martin participated in Sodality activities in his first two years. As a freshman he devoted his efforts to the frosh football team. He was an acolyte as a junior, and joined the Physics Club, the Camera Club, and the Radio Club as a senior.



Charles E. Witt

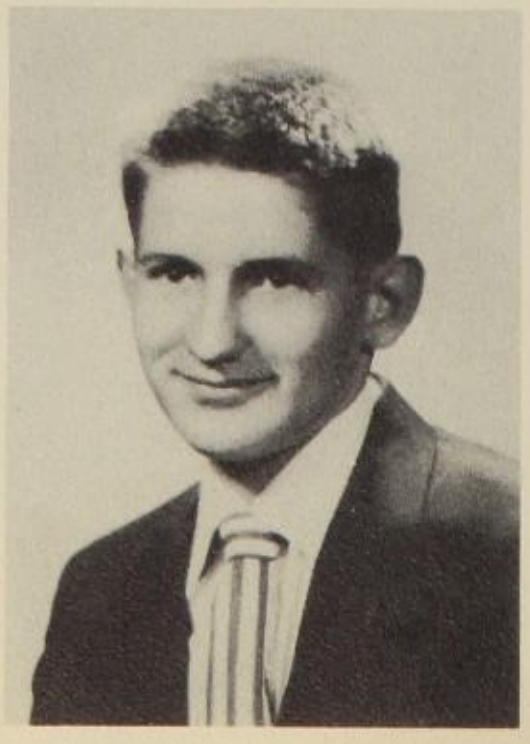
St. Jude

Chuck certainly was one of Marquette's most forceful seniors. He has chalked up many victories during his high school days. In football, he was a fleetfooted back of our championship team of 1952. On the cinders and on the court he was famed for his lightning speed . . . also was a class officer in senior year . . . member of the Boosters, Senior Conclave and MH Club . . . shared his energy with God in the Choir, of which he was president for two years, and was in the Sodality. He did some MC work in the '52 variety show.

John J. Wittbrot

Immaculate Conception

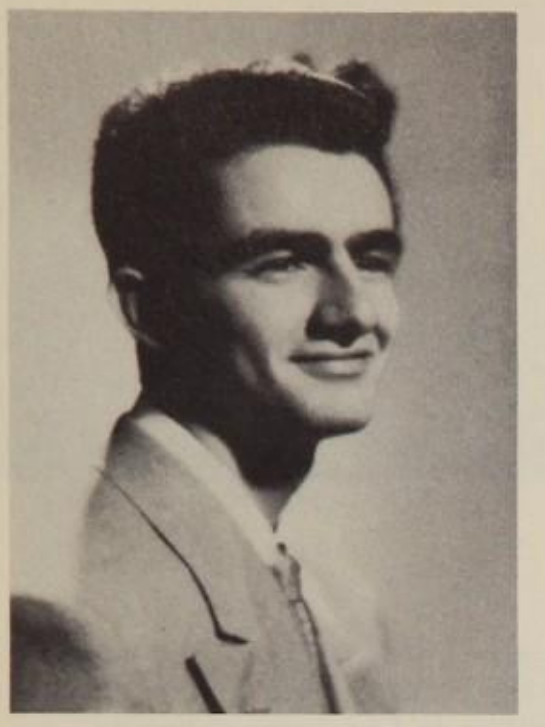
Known for his laugh, and good natured humor, John unfortunately found time only for the Sodality and the books.



Fred C. Wudy

St. Sebastian

Fred was an asset to the advertising staff which managed the financial end of this book. Besides his endeavors to make the Yearbook one to be long remembered, he spent his junior and senior years in the Ptolemaniacs, Flambeau Monthly, and the Kilmers. In religious activities, he spent three years in the Sodality.



John V. Zaffiro

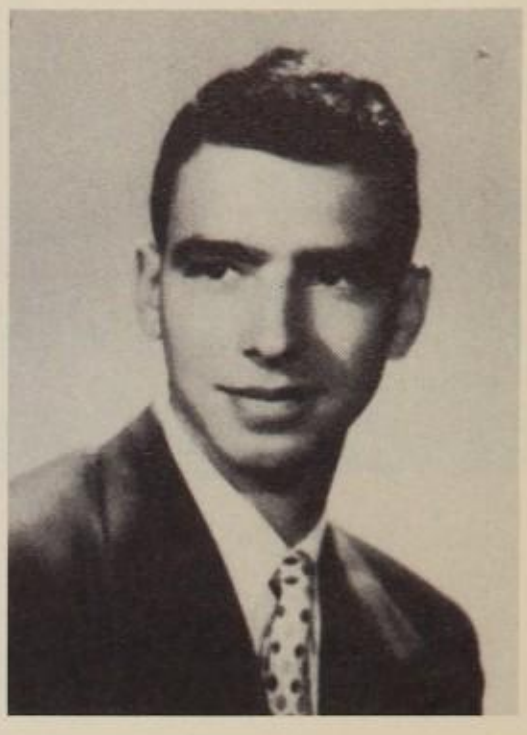
Our Lady of Mt. Carmel

John confined his activities at school to the books, and managed to stay on good terms with the boys for outside activities.

Francis J. Zauner

St. Leo

Frank's studies kept him from entering extra-curricular activities while here at Marquette. He was well liked, however.



Anthony P. Ziebert

St. Rita

Tony kept up a merry pace for four years. He was elected president of the band (of which he was a four year member), an active member of the Sodality for four years, three year class officer, and a senior member of the Boosters.

Donald W. Zimmerman

St. Rose

Don's sticky fingers and agility won him an end position on this year's varsity football team. Most of Don's activities were athletic as he played football for four years, and joined the track team in senior year.

David M. Zimmers

St. Sebastian

Dave was truly one of the tallest, and one of the most cheerful men at Marquette. Although his activities were limited, he was an outstanding sodalist in first and second years.

James W. Derse

St. Catherine

This picture is *in memoriam*. Jim left us this year, just a week before he was called to a better life. We have included him here in token of our deepest sympathy with his family. May he rest in peace with Christ.

Fatima Shrine

During the past year a new program has been active to better acquaint the Catholic High School students of Milwaukee with devotion to Our Lady of Fatima.

Known as the "Fatima Teen-agers' Program," it consists of three major activities in which the students are asked to participate. They are the semi-annual public rosary procession each May and October 12th, the annual teen-agers' Christmas Pageant presented on the 23rd of December, and the Family Evening Rosary for Peace.

Under the slogan LIVE YOUR LOVE OF MARY, the program encourages the students to do something about securing peace, rather than just talking about it.

Of the three activities, the Family Evening Rosary is the most important. Every night of the year, despite weather conditions, this devotion is held at the outdoor National Shrine of Our Lady of the Rosary of Fatima. Each Catholic High School has a definite date every month on which the students are asked to be at the Shrine to pray to Our Lady for peace. Marquette High's date is the 19th of every month.

Since last September, more than 500 Marquetters have attended this devotion. Thanks to the work of Lewis Fons, student organizer of the program for all the schools, Marquette has played an important part in making the program a success.

Our Lady certainly must be pleased to see so many young people heeding her request for "prayer and sacrifice," at her National Shrine in Milwaukee.

THANKS!

Now it is time to stop and to say thank you to those who made this book possible. We refer to our advertisers, without whose help we could have had no Flambeau Yearbook. May all of us in the future show our appreciation to them by patronizing them whenever possible. In particular we would like to thank Mr. William Engelhardt and the staff of the Arandell Litho Corporation, the Craftco Company for the fine cover of this book, the Zahn Typesetting Co., Boehm Bindery, and Mr. Walter Roob of the Roob Studio for their kindness and patience in helping us to produce this fine yearbook.

Highlights of a CENTURY

• **100 YEARS AGO** . . . when Franklin Pierce was President, eight years before the Civil War, Milwaukee was a young but growing city of some 25,000 population.

• **TODAY** . . . the Greater Milwaukee Area is not only one of America's major industrial production centers, but a fine community of homes and schools and churches, parks and playgrounds, and wholesome civic pride. And this century-old bank — largest in Wisconsin — begins a *new* century of service geared to continuing community progress.

1853 . . . this was the year when the First Wisconsin National Bank was established, as the Farmers and Millers Bank, a century ago!

10 YEARS LATER . . . during the Civil War . . . the Farmers and Millers Bank was the first in Wisconsin to become a national bank, reorganized as the First National in 1863 with charter number 64.

KEEPING PACE with community progress, bank growth has continued through all the historic decades from the Civil War to the present time. Major expansions included consolidation of the First National and Wisconsin National in 1919, when the present name was adopted . . . and consolidation with the Second Ward Savings Bank in 1928.

TODAY this time-tested bank . . . first in friendly personal service . . . plays a leading role in meeting the financial needs of the community at 13 convenient offices.
